**Response:**

BPA is providing the requested information from a personnel database. Some of the information requested falls under the definition of privacy information and is being withheld under Exemption 6 of the FOIA. BPA asserts this exemption for information which could reasonably be expected to constitute an unwarranted invasion of personal privacy if disclosed. The withheld information consists of the level of education achieved. Release of this information could subject these individuals to unwanted intrusions of privacy. There is no public interest in the disclosure of this information because it does not shed any light on how BPA has performed its statutory duties.
