LOG # BPA-2012-01885-F

SUBJECT: FOIA Request

Dear Ms. Munro:

Pursuant to the Freedom of Information Act, I hereby request copies of all communications between BPA and the commissioners of the Federal Energy Regulatory Commission since December 7, 2011, concerning the order of the same date in Docket EL11-44 (137 FERC 61,185).

I do **not** want copies of communications, including filings submitted by BPA or others, which are posted on the FERC website. Instead, this FOIA request covers all other communications since December 7 that relate in any way to the December 7 order.

For purposes of this request, "communications" means written or electronic documents, including e-mails and their attachments. The term "BPA" includes Administrator Wright, BPA staff, and any law firm, consulting company or contractor acting on BPA's behalf.

I am willing to pay \$50 for search and copy charges. Please call me if you expect the charges to exceed that amount.

Thank you.

Sincerely,

Dan Seligman
Attorney at Law
