FOIA #BPA-2012-01927-F

Dear Mr. Seligman:

This is a final response to your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 USC § 552.

You have requested the following:

Copies of Administrator Steve Wright's calendar from September 1, 2011, to August 31, 2012.

Response:

BPA is withholding some information under Exemption 6 of the FOIA.

BPA asserts this exemption for information which could reasonably be expected to constitute an unwarranted invasion of personal privacy if disclosed. The withheld information consists of the names and calendar information of individual citizens who do not work for the Bonneville Power Administration/Federal government. Release of this information could subject these individuals to unwanted intrusions of privacy. There is no public interest in the disclosure of this information because it does not shed any light on how BPA has performed its statutory duties.

Pursuant to 10 CFR 1004.8, if you are dissatisfied with this determination, or the adequacy of the search, you may appeal this FOIA response in writing within 30 calendar days of receipt of a final response letter. The appeal should be made to the Director, Office of Hearings and Appeals HG-I, Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA Appeal is being made.

The fees associated with this request total \$40.81 and will be billed separately.

I appreciate the opportunity to assist you. Please contact Kim Winn, Communications Specialist, at 503-230-5273 with any questions about this letter.

Sincerely,

For /s/Kim Winn

Christina J. Munro
