FOIA #BPA-2012-01948-F

Dear Mr. Tharnish:

Thank you for your request for records that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your request was received in this office on Wednesday, September 26, 2012, and has been assigned a control number, BPA-2012-01948-F. Please use this number in any correspondence with the Agency about your request.

You have requested the following:

Corona & Field Effects Version 3.0 software program and the Advanced Tower Analysis & Design System.

We have reviewed your letter and have determined that it addresses all of the criteria of a proper request under the FOIA, DOE, and BPA regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004. You agreed to pay all fees.

Final response:

BPA is releasing the Corona & Field Effects Version 3.0 software program in its entirety on the enclosed CD.

In regard to the Advanced Tower Analysis & Design System software, as discussed in a telephone conversation with you earlier today, that program is available to the public through the purchase of a license. Without the license the information you received through the FOIA would be unusable. You agreed to contract the program manager for the license/software program.

There are no fees associated with this request.

Pursuant to 10 CFR 1004.8, if you are dissatisfied with this determination, or the adequacy of the search, you may appeal in writing within 30 calendar days of receipt of a final response letter.

The appeal should be made to the Director, Office of Hearings and Appeals, HG-1, Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA Appeal is being made.

I appreciate the opportunity to assist you. Please contact Kim Winn, Communications Specialist, at 503-230-7305 with any questions about this letter.

Sincerely,

/s/Christina J. Munro
