RE: FOIA #BPA-2011-00122-F

Dear Mr. van Dijk:

This is a final response to your request for information that you made from the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), on Friday, October 22, 2010.

You requested:

“ . . .the mean 15 minute load for the months of July and December 2009 for the Mint Farm generating facility that provided power to the grid [sic] under the balancing authority of BPA.”

Response:

Although the Mint Farm facility was within the balancing authority of BPA for the months of July and December 2009, BPA does not have, or generate, mean data. Therefore, there are no responsive records or information to your request.

If you are dissatisfied with this determination, you may appeal within 30 days from the date you received this letter to The Director, Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue, S.W., Washington, D.C. 20585. The appeal must be in writing and both the envelope and letter must be clearly marked “Freedom of Information Act Appeal.

Sincerely,

/s/ Christina J. Munro
