SUBJECT: FOIA Request

Dear Ms. Munro:

Pursuant to the Freedom of Information Act ("FOIA"), I request a copy of:

1. A document(s) that summarizes the investments made to date with BPA money by BEF Renewable Inc., the profit-making subsidiary of the Bonneville Environmental Foundation ("BEF"). For purposes of this part of the FOIA request, an Excel spreadsheet showing the name of the project, location, and the amount of BPA funds invested in each project is acceptable.
2. All correspondence between BPA and the BEF that relate in any way to the transfer of BPA funds to BEF Renewable, Inc., since BPA signed the contract #11EO-40087 ("the existing contract") with the BEF in November 2010.
3. All correspondence between BPA and the BEF describing the BEF's compliance with section 6A of the existing contract.
4. All documents that relate in any way to the "pass through" (e.g., purchase, sale or transfer) of Oregon Business Energy Tax Credits ("BETC") between BEF or BEF Renewable Inc. and individuals or companies. For purposes of this part of the FOIA request, please provide any correspondence showing how BEF or BEF Renewable Inc. selected the individual or company from whom (or to whom) it transferred the BETC, and whether BPA funds were involved in the project.

The term "correspondence" means any written or electronic document, including e-mails and their attachments.
