FOIA #BPA-2011-01579-F

Dear Coykendall:

This is a final response to your request for records that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

You have requested the following:

1. BPA Utility Customer name, address, primary Energy Efficiency contact phone and e-mail address.
2. Currently proposed utility ECA Implementation budget for the fiscal year 2012-2013 rate period.

Response:

BPA has provided the responsive records in the attached. Please note that the customer list is taken from BPA's most current mailing list and does not include the phone numbers. This is the only Energy Efficiency customer list that BPA maintains.

Pursuant to 10 CFR 1004.8, if you are dissatisfied with this determination, or the adequacy of the search, you may appeal in writing within 30 calendar days of receipt of a final response letter. The appeal should be made to the Director, Office of Hearings and Appeals, HG-1, Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA Appeal is being made.

I appreciate the opportunity to assist you. Please contact Cheri Benson, FOIA/Privacy Act Specialist at (503) 230-7305 with any questions about this letter.

Sincerely,

/S/Christina J. Munro
