SCALLOP ACCESS AREA TRIP ASSIGNMENT PROPOSED UNDER FRAMEWORK 25 FOR FISHING YEAR 2014

Full-Time Vessels

These trip assignments are proposed and are not yet final.

We are providing you this list of proposed access area trips to assist you with your business planning for fishing year (FY) 2014. We will notify you when these trip assignments become effective. Currently scallop vessels are **not** allocated any FY 2014 access area trips.

Today we published a proposed rule for Framework Adjustment 25 to the Atlantic Sea Scallop Fishery Management Plan, which would make mid-year adjustments to the FY 2014 allocations. The attached list shows our proposed scallop access area allocation assignments for full-time vessels that would become effective once Framework 25 is approved and implemented. This list randomly allocates each full-time vessel either an access area trip into Nantucket Lightship, or a trip into Closed Area II. In addition, Framework 25 proposes to allocate all full-time vessels a trip into Delmarva. We based these assignments on full-time vessel ownership information from December 2013, and they are dependent upon permit renewals for FY 2014.

For more information on the Council's Framework 25 document, visit their website at <http://www.nefmc.org/scallops/index.html>, or read the proposed rule for this action at <http://www.nero.noaa.gov/sustainable/species/scallop/>.

Who can I call if I have a question about any of the measures?

Please call our Sustainable Fisheries Division staff at (978) 281-9315. They can answer your questions or direct you to other Greater Atlantic Regional Office staff who can.

For small entity compliance guides, this bulletin complies with section 212 of the Small Business Regulatory Enforcement and Fairness Act of 1996. This notice is authorized by the Regional Administrator of the National Marine Fisheries Service, Northeast Region.

PROPOSED FY 2014 Scallop Access Area Lottery for Full-time Vessels (FRAMEWORK 25)

Note: These proposed trip assignments for Nantucket Lightship (NL) and Closed Area 2 (CA2) are based on permit data from January 2014, and are dependent upon permit renewals for the 2014 fishing year. Should NMFS approve Framework 25, these allocation assignments will be updated prior to implementation to reflect any vessel replacements or ownership changes that may occur. Any adjustments to this information will be made publically available. Framework 25 would also allocate one Delmarva access area trip to all full-time vessels.
