## **FULL-TIME LIMITED ACCESS SCALLOP VESSELS** Scallop Access Area Trip Assignments for Fishing Year 2013 *Effective Date: March 1, 2013*

The attached list shows the fishing year 2013 (FY 2013) scallop access area allocation assignments for full-time vessels both on March 1, 2013, and under the proposed Framework Adjustment (Framework 24) to the Atlantic Sea Scallop Fishery Management Plan. We base these assignments on full-time vessel ownership information from December 2012, and are dependent upon permit renewals for FY 2013.

We have assigned each vessel trips into designated access areas based on a random allocation assignment. The number of trips and possession limits effective March 1 are higher than under Framework 24. Areas where vessels will have access are different as well. If your vessel has CAII and NLAA trips allocated at the start of the FY, please keep in mind that those areas will not open until after Framework 24 is in place, if approved.

All full-time LA vessels will be allocated trips into HCAA at the start of the FY. We strongly encourage you to reference the Framework 24 trip list to determine if your vessel has a HCAA trip (see attached trip list). If you exceeded your Framework 24 allocation, you will be subject to payback measures, which were developed to protect the scallops in HCAA for future FY allocations.

**Full-time vessel allocation and trip limits:** At the start of FY 2013, half the fleet has one trip into HCAA and the other half has two trips into HCAA, each with a possession limit of 18,000 lb. However, under Framework 24, only 210 full-time vessels would receive a trip into HCAA at 13,000 lb/trip. If your vessel has a HCAA trip on the Framework 24 trip list, you will not be penalized if you take a HCAA trip up to 13,000 lb at the start of FY 2013. **IMPORTANT:** If you do not have a HCAA trip allocated to you under Framework 24 and you land scallops from that area, or if you land more than 13,000 lb from HCAA on an allocated trip, you will forfeit all your remaining FY 2013 access area trips and lose 12 DAS under Framework 24. These penalties do not apply to FY 2012 HCAA compensation trips taken in the first 60 days of FY 2013.

### **Who can I call if I have a question about any of the measures?**

Please call our Sustainable Fisheries Division staff at (978) 281-9315. They can answer your questions or direct you to other Northeast Regional Office staff who can.

*For small entity compliance guides, this bulletin complies with section 212 of the Small Business Regulatory Enforcement and Fairness Act of 1996. This notice is authorized by the Regional Administrator of the National Marine Fisheries Service, Northeast Region.*

**FY 2013 Scallop Access Area Allocations for Full-time Vessels (FRAMEWORK 24)**

Note: These proposed trip assignments are based on permit data from November 2012 and are dependent upon permit renewals for the 2013 fishing year. Should NMFS approve Framework 24, these allocation assignments will be updated prior to implementation to reflect any vessel replacements or ownership changes that may occur. Any adjustments to this information will be made publically available.
