Below are the Unauthorized Increase Charge questions that were asked during today's Transmission workshop.

1. How many UIC events took place over the past 5 years?
  - a. If possible please provide a count for BPA Network versus BPA Intertie events
  - b. Did you see an increase in UIC events beginning July 2013 (UIC billing factor change)?
2. How many waivers were granted over the past 5 years?
  - a. What were the reasons for granting versus non-granting a waiver?
3. How did BPA arrived to the existing UIC design?
4. How is BPA's UIC design aligned with other transmission providers' UIC designs and with FERC guidance regarding UIC?
