

Classroom Presentation Form

THANK YOU for your interest in an energy and engineering presentation from the Bonneville Power Administration. Presentations are given by BPA employees who volunteer to travel to your classroom.

A FEW NOTES: Presentations work best in classroom groups of no more than 35 students. Volunteers are limited to two consecutive presentations, up to two total hours per visit. For more students than that, please plan a visit on another date. To make a request, please complete the form below and submit it to classroompresent@bpa.gov. We will get back to you by email to confirm the details. The program is closed between November and February. We will keep requests submitted during that time on file and get back to you in early March. **TO COMPLETE THIS FORM, SAVE IT TO YOUR DESKTOP, FILL IT OUT, SAVE AND ATTACH IN AN EMAIL TO: classroompresent@bpa.gov**

OR YOU CAN PRINT AND MAIL TO: Classroom Presentation
