WARMER HOMES LOWER UTILITY BILLS!

BetterBuildings for Michigan uses a community approach to deliver energy efficiency improvements for homes and businesses by providing access to incentives and affordable loans. The program is supported by the American Recovery and Reinvestment Act (ARRA) and developed by the Michigan Energy Office; Michigan Saves; the City of Grand Rapids; the Economic Development Corporation of the City of Detroit; and the Southeast Michigan Regional Energy Office. Additional partners include the West Michigan Environmental Action Council (WMEAC), Consumers Energy, DTE Energy, and ACSET.
