

NOAA-NOS-CSC-2012-2003316
Modification May 3, 2012

The fourth line in the existing announcement at the top of page 11 of the FFO states: "The applicant should complete only the required sections of the questionnaire, and include the entire questionnaire as part of their application." To add clarification regarding the 30 page limit for appendices, please note: The fourth line in the existing announcement at the top of page 11 states: "The applicant should complete only the required sections of the questionnaire, and include the entire questionnaire as part of their application." "The NEPA questionnaire (<http://www.nepa.noaa.gov/questionnaire.pdf>) is 26 pages long, and will **not** count towards the 30 page limit for appendices. You are only required to answer the specific NEPA questions noted in the FFO. Please submit the entire form in Grants.gov as an "other attachment".
