

# 2016 Year in Review

## Non-Residential Lighting

As we wrap up the calendar year and look forward to 2017, the BPA Lighting Team wants to offer a heartfelt THANK YOU to all of our fantastic utility customers who helped make 2016 a year to remember.

Here are some fun facts from 2016 (Option 1 Utilities):

- 1,560 completed projects
- Nearly 54 million kWh saved
- 62 utilities participating in the Small Business Lighting Promotion, leading to over 3.4 million kWh saved in promotional projects
- 14 NW TAN lighting workshops all over the region with approximately 450 attendees

And, last but not least...

The Lighting Brown Bag/Radio Show/Podcast ended the year at the top of the charts in Nielsen's prestigious fake Radio Show/Podcast category. We couldn't have done it without you!

Thank you for all you do to support energy-efficient lighting in the region!

We wish you a happy and healthy 2017!

-The BPA Lighting Team
