Small Entity Compliance Guide

Dear Scallop Permit Holder:

This letter is to inform you that the Delmarva Scallop Access Area is closed to limited access general category (LAGC) individual fishing quota (IFQ) scallop vessels effective 0001 hours, on January 29, 2011. Therefore, as of this effective date, no scallop vessel fishing under LAGC IFQ regulations may declare its intent to enter or fish in the Delmarva Scallop Access Area. This action is being taken in accordance with the Atlantic sea scallop regulations at 50 CFR 648.59(d)(5)(ii) to prevent the LAGC IFQ scallop fleet from exceeding trip allocations in the Delmarva Scallop Access Area during the 2010 fishing year. The LAGC IFQ scallop fleet was allocated 714 trips in the Delmarva Scallop Access Area for the 2010 fishing year.

Vessels that have complied with the observer notification requirements, have declared a trip into the Delmarva Scallop Access Area using the correct Vessel Monitoring System (VMS) code, **and** have crossed the VMS demarcation line before 0001, January 29, 2011, may complete their trip and retain and land scallops caught from the Delmarva Scallop Access Area, consistent with existing regulations.
