Small Entity Compliance Guide¹
Closure of the Directed Butterfish Fishery
August 18, 2010

NOAA's National Marine Fisheries Service has determined that 80 percent of the butterfish quota for the 2010 fishing year has been harvested.

Therefore, **effective 0001 hours, August 24, 2010, the directed fishery for butterfish is closed. Vessels issued Federal permits for butterfish may not retain or land more than 250 lb of butterfish per trip or per calendar day. Federally permitted dealers are also advised that they may not purchase butterfish from federally permitted vessels that harvest more than 250 lb of butterfish until January 1, 2011.**

The directed fishery will reopen at 0001 hours, January 1, 2011, at which time the 2011 quota for the butterfish fishery will become available.

You may also receive permit holder letters, including closure notices, by e-mail by clicking on "Permit Holder Letters on our website at <http://www.nero.noaa.gov>; or via fax by providing a fax number through a written request to the above address, or by faxing your request to 978-281-9135.

Sincerely,

Patricia A. Kurkul
Regional Administrator
