Utah Reclamation Mitigation and Conservation Commission (URMCC)

1. **URMCC.**

- A. Public Law 102-575 Section 301 established the URMCC as an independent presidential commission. The Commission receives a portion of funding from the Office of the Secretary under the appropriations to the Central Utah Project Completion Act (CUPCA). Although under no requirement to do so, the Commission contracts the Bureau of Reclamation for accounting services, to be consistent with Reclamation and CUPCA for the reporting requirements under Pub. L. 102-575. Reclamation performs limited accounting services under reimbursable support agreements between the Commission and Reclamation.
- B. To comply with the Chief Financial Officer’s (CFO) Act of 1990, the Office of the Secretary’s CFO reports include URMCC financial data. Reclamation’s CFO reports will not include URMCC data.

2. **Funds¹/Description by Application of Funds.** The “FBMS Fund” column will contain entries with an asterisk (*) in the second digit to reduce the number of funds listed below. The asterisk represents the second digit of a source year for discretionary, no year funds (i.e. 14X0680 for FY14 and 15X0680 for FY15 is listed in the table as 1*X0680). Note that the first digit will change to a 2 in FY20. Research FBMS/Core Financials/Master Data/FM to validate what funding source years apply to a particular fund. The list is current as of October 20, 2014.
