

Harol Koyama

CEO
H2 PowerTech

Mr. Harol (Hal) Koyama became CEO of H2 PowerTech LLC as that company emerged from IdaTech, following a partial acquisition of IdaTech's assets by Ballard in 2013. Mr. Koyama was also President and CEO of IdaTech before this acquisition, and prior to that, he served at IdaTech as Senior Vice President of Marketing and Sales. While at IdaTech, and in his current role at H2 PowerTech, Mr. Koyama has focused on developing hydrogen production and fuel cell power generation products capable of competing with traditional power generation systems, such as diesel generators, for grid-connected backup power and off-grid primary power applications. Prior to joining IdaTech, Mr. Koyama was Senior Vice President of Sales and Marketing at Capstone Turbine Corporation, a leading microturbine manufacturer, where he streamlined sales and marketing and accelerated market development efforts worldwide. Prior to his work at Capstone, Mr. Koyama was Vice President of Business Development for International Fuel Cells (a subsidiary of United Technologies). Mr. Koyama also has more than five years of experience as a management consultant with McKinsey & Company, focusing on energy and operations issues.
