

The initial 2017-2 proposal scores are given below by proposal number. The proposal number is found at the top of the email comments sent to the Project Officers who submitted proposals. Averages by Technical Assessment Question (Q) are also shown, so you can generally see how the proposal rated on each question. The proposal score, along with several other factors, including site visit findings, North American Waterfowl Management Plan Joint Venture Management Board rankings and available funds, will be used to select proposals for funding. If you have any questions, contact Stacy Sanchez at Stacy_Sanchez@fws.gov.
