

WHAT YOU SHOULD KNOW ABOUT A FEDERAL EAGLE EXHIBITION PERMIT

A Federal Eagle Exhibition permit will authorize you to possess bald or golden eagles (living or dead), parts, nests and eggs for educational purposes. The tenure of a Federal Eagle Exhibition permit is for up to 3 years before renewal is required. You should review Title 50 Parts 10, 13 and 22.21 of the Code of Federal Regulations (CFR) with your application. You must meet all requirements of 50 CFR 22.21 to qualify for this permit. **You are responsible for reviewing and understanding these regulations before you request and accept a permit.** These regulations can be found on our website at: <http://www.fws.gov/permits/ltr/ltr.html>.

1. Who is eligible for an Eagle Exhibition permit?

Only zoological parks, scientific societies and museums that are open to the general public and are either established, maintained, and operated as a governmental service or are privately endowed and organized but not operated for profit are eligible for an Eagle Exhibition permit (50 CFR 10.12 and 50 CFR 22.21). Therefore, you must complete Section B on page 1 of the application form. You will be required to submit documentation verifying that you meet the eligibility requirement.

2. What experience must I have to qualify for an Eagle Exhibition permit for eagles in a static display (birds remain on exhibit and are not glove-trained for handling purposes)?

Your caretaker must be at least 18 years of age. We recommend 300 hours of experience gained over the course of at least 2 years, in handling and caring for the eagle species you intend to acquire. This experience is to include: training the species or similar species you intend to use in educational programs, the care and feeding of eagles, managing their exhibits (captive husbandry including perching, jessing, etc.) and medical management. A portion of the experience may be fulfilled by participation in migratory bird/raptor handling seminars and courses.

You must also have a written recommendation from another Federal permittee with eagle handling experience.

3. What experience must I have to qualify for an Eagle Exhibition permit for using glove-trained eagles in a conservation education program?

Your caretaker and/or handler must be at least 18 years of age. We recommend 500 hours of experience with eagles, gained over the course of at least 2 years, in handling and caring for the eagle species you intend to acquire. This experience is to include: training the species or similar species you intend to use in educational programs, the care and feeding of eagles, captive husbandry (including perching, jessing, etc.) and medical management. In addition, your conservation education program experience listed in your application should include documentation of presenting programs using glove-trained eagles over the course of at least 2 years. A portion of the experience may be fulfilled by participation in migratory bird/raptor handling seminars and courses.

You must also have a written recommendation from another Federal permittee with eagle handling experience.

4. How can I qualify for an Eagle Exhibition - Dead Specimen permit to obtain mounted eagles for educational exhibit?

Currently, a Service directive issued in response to a 1994 Presidential Executive Order requires all eagle carcasses, (including those of live eagles that die while in captivity), molted eagle feathers and eagle parts to be shipped to the National Eagle and Wildlife Property Repository. The Repository distributes these eagle carcasses and other parts to federally permitted Native Americans for use in religious ceremonies. For more information about the Repository, visit <http://mountain-prairie.fws.gov/law/eagle/>.

5. What are the caging requirements for live eagles used in a static display and/or for glove-trained eagles?

All eagles authorized by a Federal Eagle Exhibition permit must be maintained under humane and healthful conditions as required in 50 CFR 13.41. Facilities must be adequate for each species you plan to possess. In evaluating whether caging dimensions are adequate, the Service will use as a guideline the standards established by The Raptor Center, University of Minnesota's 2007 publication "Raptors In Captivity: Guidelines for Care and Management". These guidelines recommend a minimum enclosure of 12' L x 10'W x 9'H for a non-flighted eagle and a minimum enclosure of 40'L x 10'W x 9'H for a flighted eagle.

Applicants should also contact their State wildlife agency for information about any additional caging requirements for eagles.

6. Is the Eagle Exhibition Permit to be used for a specific type of education?

Yes. The intent of this permit is wildlife conservation education. Conservation, biology, and/or ecology must be a primary component of all educational programs conducted using migratory birds, including eagles. Other topics (such as falconry or individual bird history) may also be included in the program.

7. How many programs must I present each year?

A minimum of 12 programs that are open to the public using each eagle should be presented each year. The authority to possess eagles will be subject to re-evaluation if this requirement is not met.

8. Is the public allowed to handle or touch live eagles?

No. All live eagles must be kept under control at all times and may not come in contact with audience members.

9. Can I use eagles for commercial purposes?

No. Eagles possessed or transported for educational purposes may not be displayed in any manner which implies personal use by anyone, or representation, promotion or endorsement of any products, merchandise, goods, services or any business, company, corporation or other organizations except your own educational activities.

10. How can I acquire eagles authorized by a Federal Eagle Exhibition permit?

Bald Eagles and Golden Eagles obtained under a Federal Eagle Exhibition permit must be non-releasable and may be lawfully acquired from Rehabilitation, Eagle Aviary, Eagle Falconry or other Federal Eagle Exhibition permittees. To acquire additional eagles after the Eagle Exhibition permit has been issued, you must submit a request form, Special Purpose Possession (Education) Permit Acquisition and Transfer Request/3-202-12, to your Regional Migratory Bird Permit Office for approval prior to acquiring any eagle. Permittees should also contact their State wildlife agency for information about obtaining additional permits if required.

Federal Eagle Exhibition permittees are financially responsible for any transportation and handling costs associated with acquiring eagles.

11. What procedures are required to transfer the eagle(s) authorized by a Federal Eagle Exhibition permit to a new location?

Any change in address or other circumstances that affect your permit (e.g., change in principal officer, caretaker or physical location as listed on the permit) must be reported to your Regional Migratory Bird Office in writing within 10 days so your permit can be amended. In addition, if your physical address will change, you must obtain prior approval for your facilities for housing eagles at the new location by providing pictures and diagrams, including the L x W x H dimensions and a description of materials used for construction. (50 CFR 13.23)

12. Do I need a State permit to possess eagles?

Your Federal permit is not valid unless you also are in compliance with State requirements. This means that if your State requires a permit to possess eagles for educational or exhibit purposes, you must hold a valid State permit in order for your Federal permit to be valid. You will be required to submit a copy of your State permit as part of your application package. It is your responsibility to make sure you comply with State permit requirements.

13. Will I be required to keep records of my activities with eagles authorized by this permit?

Yes. You must maintain accurate records of operations on a calendar-year basis. Your records should reflect the acquisition, veterinary care and disposition of each eagle that is held under a Federal Eagle Exhibition permit and the number of presentations given with each eagle.

14. Will anyone inspect my records or eagles held for educational purposes?

By accepting a Federal Eagle Exhibition permit, you authorize an agent of the Service to enter your premises at any reasonable hour to inspect the eagles in your care, your books or records. (50 CFR 13.47)

15. Will I be required to submit an annual report of activities?

Yes. You will receive an annual report form for your Federal Eagle Exhibition permit from your Regional Migratory Bird Permit Office. The report form can also be found on our website at: <http://www.fws.gov/forms/3-202-13.pdf>. This report must be completed and submitted to your issuing office by January 31 of each year.

16. How do I renew my permit?

A renewal letter or form and annual report form will be sent to you at least 60 days prior to the expiration of your permit. If you want to renew your permit, you must return the completed renewal to your Migratory Bird Permit Office at least 30 days prior to the expiration of your permit and include a copy of your current State permit, if one is required. If we receive your renewal request at least 30 days prior to the expiration of your permit, your permit will remain valid beyond the expiration date for the activity authorized on your expired permit until a decision on your renewal is made. If we receive your renewal request fewer than 30 days prior to expiration of your permit and we are unable to process your request before the expiration date, your permit will expire and you will no longer be covered for your activity. If you allow your permit to expire before requesting renewal, you may be required to submit a new application. (50 CFR 13.22 and 13.11(c))

SECTION E. EAGLE EXHIBITION
(Bald and Golden Eagle Protection Act, 50 CFR 22.21)

Note: A Federal Eagle Exhibition permit is required to possess and transport eagles for the sole purpose of educating the public about the biology, ecology, and conservation needs of eagles. Only zoological parks, scientific societies and museums that meet the definition of “public” under 50 CFR 10.12 are eligible for this permit (50 CFR 22.21) and must complete section B on page 1 of this application. A minimum of 12 public educational programs per year must be conducted under this permit. Please read “What You Should Know About a Federal Eagle Exhibition” and the pertinent regulations before you sign and submit your application.

Please provide the following information. You may use the space provided as well as a separate sheet of paper with your responses numbered according to the application questions below. You should be as thorough and specific as possible in your responses. Incomplete applications will be returned, delayed or abandoned. Processing time depends on the complexity of the request and completeness of the application.

1. Provide documentation verifying that you meet the definition of “public” in 50 CFR 10.12. “Public” as used in referring to museums, zoological parks, and scientific or educational institutions, refers to such as are open to the general public and are either established, maintained, and operated as a governmental service or are privately endowed and organized but not operated for profit.
2. Which species of eagle do you propose to exhibit? Bald Golden Both
3. Indicate what you are requesting and the quantity:

<input type="checkbox"/> live birds _____	<input type="checkbox"/> skins for mounting _____
<input type="checkbox"/> skeletons _____	<input type="checkbox"/> other parts (specify) _____
<input type="checkbox"/> study skins _____	
4. (a) Provide a description of the educational message you will deliver and to what type of audience.
(b) Provide an outline of your program, including as much detail as possible, and any brochures or other materials prepared for distribution.
(c) Explain why live birds are necessary for your program, including how they will be used and displayed during the presentation to meet this need.

If you are applying only for dead specimens, skip to question 10.

5. (a) Describe in detail your experience, including duration, in handling and caring for the species you plan to acquire.
(b) Provide the name, address, and telephone number of the facility or facilities where your experience was obtained.
(c) Attach a letter of reference from an experienced eagle exhibitor describing your qualifications for this permit
6. (a) Describe your permanent facilities for holding and displaying the birds.
(b) Attach photographs and diagrams of your enclosures. Diagrams must include dimensions (length, width, and height) and a description of interior and exterior construction materials, such as flooring and netting materials.
7. If live eagles will be displayed outside of aviaries, provide a detailed description of
 - (a) how the birds will be displayed, and
 - (b) how they will be transported to and from educational programs, including a description and dimensions (length, width, and height) of transport enclosures.

8. What diet will you administer and what is your food source?
9. You must locate a live eagle for your permit before a permit will be issued. Attach a completed Migratory Bird and Eagle Acquisition/Transfer Request Form 3-202-12 with the following information:
- (a) the name, address, and Federal permit number of the source of the bird(s), and
 - (b) a letter from a licensed veterinarian describing the injury, condition or illness that makes each bird nonreleasable.

You may not take possession of an eagle prior to issuance of your permit. The Form 3-202-12 can be found at <http://www.fws.gov/forms/3-202-12.pdf>.

10. You must locate a dead eagle or part for exhibit before a permit will be issued. If you have already located a dead eagle or part that you plan to acquire, provide the following information about the source and the eagle:

- (a) Name:
- (b) USFWS Permit number: MB
- (c) Address:
- (d) Telephone number, including area code:
- (e) E-mail:
- (f) Description of the eagle or part:

11. Anyone who will be assisting you with the permitted activities or acting as your agent must either have their own Federal migratory bird permit for the activity or be identified by you, in writing, as a subpermittee under your permit. They may also require a State permit. Subpermittees must be at least 18 years old. As the primary permittee, you will be responsible for ensuring that your subpermittees are properly trained and adhere to the terms of your permit. Provide the name of anyone besides yourself who will be conducting activities under your permit. For anyone handling or caring for live birds, briefly describe what they will be doing and their qualifications.

12. You must retain records relating to the activities conducted under your permit for at least 5 years after the date of expiration of your permit. Is the physical address you provided in Section C on page 1 of this application the address where your records will be kept?

Yes No If "no," provide the physical address.

13. Any Federal permit issued as a result of this application is not valid unless you also have any required State or tribal permits or approvals associated with the activity. Have you obtained all required State or tribal permits or approvals to conduct this activity?

Yes If “yes,” **attach a copy of the approval(s).** Have applied (**Send copy when issued**) None required

14. Disqualification factor. A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. (50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?

Yes No If you answered “Yes” provide: a) the individual’s name, b) date of charge, c) charge(s), d) location of incident, e) court, and f) action taken for each violation.

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

GENERAL INSTRUCTIONS:

- Complete all blocks/lines/questions in Sections A or B, and in C, D, and E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in [blue](#) ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the application or if applicable on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed. Some applications may take longer than 90 days to process. (50 CFR 13.11)**
- Applications are processed in the order they are received.
- Additional forms and instructions are available from <http://permits.fws.gov>.

COMPLETE EITHER SECTION A OR SECTION B:

Section A. Complete if applying as an individual:

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. ***Fax and e-mail are not required if not available.***
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing power of attorney must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, organizational, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) will **not** accept *doing business as* affiliations for individuals.

Section B. Complete if applying as a business, corporation, public agency, Tribe, or institution:

- Enter the complete name of the business, agency, Tribe, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, Tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, Tribe, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) a physical U.S. address is **required**. Province and Country blocks are provided for those USFWS programs which use foreign addresses and are not required by DMA.
- **Mailing address** is address where communications from USFWS should be mailed if different than applicant's physical address.

ALL APPLICANTS COMPLETE SECTION D:

Section D.1 Application processing fee:

- An application processing fee is required at the time of application; unless exempted under 50 CFR 13.11(d)(3). The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit. Fees will not be refunded for applications that are approved, abandoned, or denied.** We may return fees for withdrawn applications prior to any significant processing occurring.
- **Documentation of fee exempt status is not required for Federal, Tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Those applicants acting on behalf of such agencies must submit a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

Section D.2 Federal Fish and Wildlife permits:

- List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

Section D.3 CERTIFICATION:

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

APPLICATION FOR A FEDERAL FISH AND WILDLIFE PERMIT
Paperwork Reduction Act, Privacy Act, and Freedom of Information Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised:

1. The gathering of information on fish and wildlife is authorized by:
(Authorizing statutes can be found at: <http://www.gpoaccess.gov/cfr/index.html> and <http://www.fws.gov/permits/ltr/ltr.html>.)
 - a. Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22;
 - b. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), 50CFR 17;
 - c. Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21;
 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et. seq.*), 50 CFR 18;
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15;
 - f. Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16;
 - g. Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), <http://www.cites.org> , 50 CFR 23;
 - h. General Provisions, 50 CFR 10;
 - i. General Permit Procedures, 50 CFR 13; and
 - j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
 - a. Routine disclosure to subject matter experts, and Federal, Tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish an FWS function related to this system of records.
 - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. Routine disclosure to Federal, Tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. Routine disclosure to Federal, Tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
 - g. Routine disclosure to the appropriate Federal, Tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. Routine disclosure to the Government Accountability Office or Congress when the information is required for the evaluation of the permit programs.
 - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Eagle Exhibition permit application is 5 hours and 30 minutes for recordkeeping. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.26 – 2.33].
