1. Scholarships Overview, Jeff Wagner, FBP:

<p>Wagner: We had about 120 student applications for the scholarships. We did review all 120 at one time, but we have changed that and now break them up between 4 or 5 of us and it makes it much easier.</p>	
<p>Wagner: I also want to tell you about a \$10,000.00 scholarship that Fluor offers. We have to show how the funds can help the community, then people vote on which are the best. We decided to go for Christmas for Kids, you can go vote each day from several devices. The top five will get the awards. I will send the link to share with everyone.</p>
