1. Ohio University Grant Activities-Stephanie Howe, OU & Steve Shepherd, SODI:

<p>Kinnamon: What is green about this?</p>	<p>Howe: Not much waste, taking trash and using it.</p> <p>Shepherd: If you look at the Sierra club they are looking at Nuclear energy. We are behind everyone else in the world.</p>
<p>Simonton: How important is the 97 acres to that? Is it critical.</p>	<p>Shepherd: Yes, it is very critical. We have to look at the long term. Our site is one of the cleanest sites. If we get private industry interested, that will push DOE EM out.</p>
<p>Cave: My whole thing is jobs. We need jobs. We will get that marketing tool to you that Al Don wrote.</p>	<p>Shepherd: We are making a marketing video. We want to bring it to you. I have made more contacts in the last six months that I really think will help.</p>
