

Primary Activity: Transport Sort

Below are pictures of ways students travel to and from school. Cut out each picture and place it into the correct category under each sort. For the final sort, make up your own categories. Be sure to place the pictures into one stack before starting a new sort.

First Sort

- Group A: Things with wheels.
- Group B: Things without wheels.

Second Sort

- Group A: Ways I have traveled to or from school.
- Group B: Ways I have not traveled to or from school.

Third Sort

- Group A: Energy smart ways to travel.
- Group B: Energy wasteful ways to travel.

Fourth Sort

- Group A: Things that use human energy to move.
- Group B: Things that use fuel to move.

Fifth Sort

Group A: _____

Group B: _____
