

Appendix 2  
Chief Financial Officer Attestation

Avista Corporation  
Average System Cost Filing  
For the Period Beginning January 1, 2007  
And Ending September 30, 2011

I, Malyn Malquist, having reviewed the Average System Cost Filing (ASC Filing) attached with this attestation, hereby certify that:

1. The ASC Filing has been prepared in accordance with Bonneville Power Administration's current ASC Methodology.
2. The ASC Filing excludes the costs associated with: (a) the cost of additional resources in an amount sufficient to serve any New Large Single Load after September 1, 1979; (b) the cost of additional resources in an amount sufficient to meet any additional load outside the region occurring after December 5, 1980; and (c) any costs of any generating facility which is terminated prior to initial commercial operation.
3. Based on my knowledge as Avista Corporation's Chief Financial Officer, the ASC Filing is based on Avista Corporation's audited financial statements, FERC Form 1 filings and/or Cost of Service Analysis (COSA), and other financial and forecast information, and fairly presents in all material respects the operating costs of the utility.
4. Based on my knowledge as Avista Corporation's Chief Financial Officer, the ASC Filing omits no material facts and contains no false statement regarding any material facts.

Respectfully submitted,

Malyn Malquist  
Chief Financial Officer  
Avista Corporation
