

MARICOPA COUNTY DUST CONTROL FORECAST

ISSUED Friday, December 30, 2016

Five-day weather outlook:

The Southwest will have an active weather pattern this weekend. An enclosed upper-level low will move in from the south tomorrow, followed by another system on Sunday. Both of these systems are expected to be wet. Therefore, expect light rain showers tonight, tomorrow morning, and Sunday morning. So, a Low risk will be in place through the holidays. -P.Patel
