## **Residential heating oil price increases**

---

The average retail price for home heating oil rose 6-tenths of a cent from a week ago to \$2.10 per gallon. That's down \$1.11 from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$2.04 per gallon, up 5-tenths of a cent from last week, and down \$1.14 from a year ago.
