Residential heating oil price decreases

The average retail price for home heating oil fell 1.2 cents from a week ago to \$2.43 per gallon. That's down \$1.05 from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region fell to \$2.37 per gallon, down 6-tenths of a cent from last week, and down \$1.07 from a year ago.
