Residential heating oil prices increase

The average retail price for home heating oil rose 3.9 cents last week to \$3.96 per gallon. That's down 2.6 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. The price for heating oil in the New England region averaged 3.92 per gallon, up 5.2 cents from last week, and 1.7 cents from a year earlier.

This is Marlana Anderson, with EIA, in Washington.
