will you define the future of energy

The DOE Bonneville Power Administration offers unique opportunities for students to begin exploring careers in energy. Our Pathways Internship Program enables you to put your education and knowledge to the test in a real-world environment on live DOE Bonneville Power Administration projects. Please build a profile and set up an email alert at [www.usajobs.gov](http://www.usajobs.gov) to receive notification when positions are posted.

## PATHWAYS INTERNSHIP AND RECENT GRADUATE OPPORTUNITIES

An internship or recent graduate mentorship can put you on a path to permanent employment upon graduation/completion of mentorship. These paid positions (\$14-\$20 per hour) offer an introduction to the world of green energy and an opportunity to apply your previous education.
