

APPENDIX VI

NOTICE OF TERMINATION INSTRUCTIONS AND SUGGESTED FORMATS

I. Notice of Termination (NOT) Instructions

Operators of facilities and/or operations authorized under this permit shall notify US EPA-New England and the appropriate State of the termination of discharge(s) authorized under the Dewatering General Permit (DGP). The NOT must be either the suggested NOT format included in Part II of this Appendix or another format of official correspondence containing the information required in the instructions below. The NOT must be completed and submitted within 30 days of the permanent cessation of the discharge(s) authorized by the DGP.

A. Instructions for the NOT - The NOT requires the following information:

- 1) Name, mailing address, and discharge location of the facility or site for which the notification is submitted;
- 2) Name, address and telephone number of the operator addressed by the NOT;
- 3) The NPDES permit number assigned;
- 4) An indication that the discharge has been permanently terminated and the reason for the termination (i.e., completion of construction project, termination of temporary discharge);
- 5) Indicate the approximate volume and frequency of the discharge; attach any monitoring information; and
- 6) Signatory requirements according to 40 CFR 122.22 (see NOI instructions) in addition to the following certification:

I certify under penalty of law that all discharges from the identified facility that are authorized by the Dewatering General Permit (the DGP), have been terminated. I understand that by submitting this Notice of Termination (NOT), I am no longer authorized to discharge waters covered by the DGP and that discharging pollutants from the activity covered by the DGP is unlawful under the Clean Water Act where the discharge is not authorized by a permit. I also understand that the submission of this NOT does not release an owner/operator from liability for any violation of the DGP or the Clean Water Act.

B. Submission of NOT Formats –

The completed, signed NOT formats and attachments must be submitted to EPA-NE electronically at:

GeneralPermit.Dewatering@epa.gov, or mailed to

US Environmental Protection Agency

Dewatering GP Processing
Industrial Permit Unit (OEP 06- 4)
5 Post Office Square – Suite 100
Boston, MA 02109-3912

A copy of the NOT must also be filed with state agencies. The state agency may elect to develop a state specific form or other additional information requirements.

1. Discharges in Massachusetts

All applicants must provide a completed copy of the Notice of Termination to:
Massachusetts Department of Environmental Protection
Division of Watershed Management
8 New Bond Street
Worcester, MA 01606
