| 2,5-Dimethylbenzaldehyde | ND       |

u - Concentration is below the detection limit.

\* - Sample was diluted 10X due to high moisture content in cartridge.

\*\* - Sample values low due to moisture in cartridge.

u - Concentration is below detection limit.

\* - Indicates a compound which was field blank subtracted.

\*\* - Indicates sample 3/20/01 Duplicate 2 appears to have a sampling error.

u - Concentration below detection limit

\* - Sample diluted 10X due to high moisture content

# - Sample run in right flow channel due to blockage in left channel.

## - Sample had high level of contamination, reruns the same.
