

**USDA Natural Resources Conservation Service  
Delaware State Office**

**AUDIO VISUAL RESOURCE LIBRARY**

A collection of video tapes are maintained in the State Office for use by Delaware USDA, NRCS employees, conservation partners, and others, upon request. This library is maintained by the State Public Affairs Specialist (PAS) and updated periodically.

Library material is listed under the following topics:

<b>EEO</b>	<b>Equal Employment Opportunity/Civil Rights/Cultural Diversity</b>
<b>ESP</b>	<b>Ecological Sciences</b>
<b>FWP</b>	<b>Federal Women's Program</b>
<b>INF</b>	<b>Information</b>
<b>WQ</b>	<b>Water Quality</b>

To borrow audio visual programs, contact the Public Affairs Specialist at 678-4179. It is suggested that requests be made as early as possible before the date needed. If there is a problem with a resource item, please attach a note about the problem on the outside of the container when it is returned to the NRCS State Office.

**AUDIO VISUAL RESOURCE LIBRARY**  
**VHS Video Tapes**

**EEO: EQUAL EMPLOYMENT OPPORTUNITY/CIVIL RIGHTS/CULTURAL  
DIVERSITY**

- EEO-35a**     ***BUYOUT AND RETIREMENT CONFERENCE (PART 1)***  
Time: 2 hours  
Produced by: USDA Office of Personnel, November 10, 1993
- EEO-35b**     ***BUYOUT AND RETIREMENT CONFERENCE (PART 2)***  
Time: 2 hours  
Produced by: USDA Office of Personnel, November 10, 1993
- EEO-39**     ***TIPS ON PREPARING RESPONSES TO KSA'S***  
Time: 1 hour, 29 minutes  
NRCS competency based approach
- EEO-42**     ***DIVERSITY VIDEO FOR STATE CONSERVATIONISTS***  
Time: 6 minutes  
NRCS employees and customers that illustrate wide diversity  
Produced by: USDA, NRCS, March 1998
- EEO-43**     ***THE BIGGEST BARRIER: CHANGING ATTITUDES ABOUT DISABILITY***  
Time: 25 minutes  
Produced by: USDA Secretary's Advisory Committee for Employees with  
disabilities
- EEO-45**     ***THROUGH THE GENERATIONS: IDENTIFYING AND PROTECTING  
TRADITIONAL CULTURAL PLACES***  
Video and discussion guide  
Produced by: USDI, USDA, Advisory Council on Historic Preservation
- EEO-46**     ***HUMAL BURIAL SITES – IDENTIFYING AND PROTECTING***  
Time: 20 minutes  
Produced by: USDA, NRCS
- EEO-47**     ***“NRCS – A GREAT PLACE TO WORK”***  
Time: 2:55  
Video intended to assist in recruiting efforts  
Produced by: USDA, NRCS
- EEO-48**     ***CONSERVATION THROUGH INCLUSION – THE NRCS CIVIL RIGHTS  
CHARGE (Closed Captioned)***  
Time: 26 minutes  
The story of how the NRCS assists landowners and producers who may have been  
underserved in the past to solve natural resources conservation challenges on their  
land.

**EEO-51**      ***INTRODUCTION TO CIVIL RIGHTS***  
Time: 2 hours, 48 minutes  
Produced by: USDA, November 21, 1997

**ESP: ECOLOGICAL SCIENCES PROGRAM**

**ESP-27**      ***THE WEALTH IN WETLAND***  
Time: 23 minutes  
A video featuring five farmers who tell why they will keep their wetlands nationwide  
Produced by: NACD, 1991

**ESP-31**      ***THE WETLANDS – CONSERVING AMERICA***  
Time: 1 hour  
Explains the various types of wetlands across the nation and how people depend on them and conservation efforts  
Produced by: WQED-TV, Pittsburgh, PA

**ESP-33**      ***DELAWARE WILD WETLANDS***  
Time: 45 minutes  
Reviews the various plants and animal life existing in Delaware wetlands and the importance of saving the habitat

**ESP-37**      ***COMPOSTING POULTRY MORTALITY***  
Time: 17 minutes  
Demonstrations of the application of poultry composting as practical, economical, and environmentally safe  
Produced by: Maryland Cooperative Extension Service, 1992

**ESP-41**      ***NATURALLY FERTILE FIELDS...INCREASING DAIRY PRODUCTS***  
Time: 15 minutes  
Managing dairy manure to save money, protect water quality, and improve soil by finding out what nutrients you have, where you need them, and following a nutrient management plan. Based in Minnesota, Missouri, and Wisconsin.  
Produced by: USDA, SCS, June 1993

**ESP-42**      ***FOREST STEWARDSHIP AT THE URBAN/RURAL INTERFACE***  
Time: 27 minutes  
Interviews with forest landowners, rural homeowners, developers, and natural resource managers tell the story of the changes in Pike County, Pennsylvania.  
Produced by: Penn State University, 1992

**ESP-46a**      ***CROP RESIDUE MANAGEMENT***  
Time: 1 hour  
Two 27-minute segments on crop residue's impact on the environment and the benefits of no-till on wildlife  
Produced by: USDA, March 1994

- ESP-52**      ***EWP-HEALING THE LAND***  
Time: 13 minutes  
Four case studies throughout the nation where the Emergency Watershed Protection Program was able to assist local communities control soil erosion and improve water quality following a natural disaster  
Produced by: USDA, SCS, August 1994
- ESP-53a**      ***THE SCIENCE OF GRAZING LAND ECOLOGY***  
Time: 1 hour 31 minutes  
USDA, NRCS videoconference on ecological principles and grazing land management  
Produced by: USDA, NRCS, July 19, 1995
- ESP-54a**      ***INTRODUCTION TO ECOLOGICAL PRINCIPLES (PHASE I)***  
Time: 1 hour 15 minutes  
Training video to accompany workbook for basic introduction to ecological principles and terms for those who have not had a formal course in ecology  
Produced by: USDA, NRCS, June 1995
- ESP-56a**      ***BIODIVERSITY FOR FARMS AND FORESTS (PART 1)***  
Time: 33 minutes, December 1994
- ESP-56b**      ***BIODIVERSITY FOR FARMS AND FORESTS (PART 2)***  
Time: 33 minutes, December 1994
- ESP-59**      ***ADVANCED PLGR+96 APPLICATION FOR NATURAL RESOURCES***  
Time: 33 minutes 22 seconds  
Training video designed to introduce federal natural resource professionals who are experienced users of the PLGR+96  
Produced by: U.S. Fish & Wildlife Service
- ESP-60**      ***AGROFORESTRY***  
Produced by: USDA, March 20, 1997
- ESP-64**      ***DRAFT UNIFIED NATIONAL STRATEGY FOR ANIMAL FEEDING OPERATIONS***  
Time: 57 minutes  
Overview and details of the draft  
Produced by: USDA/EPA, September 18, 1998
- ESP-66**      ***THE SCIENCE OF WETLANDS***  
Produced by: USDA, SCS, March 22, 1995
- ESP-71**      ***NO-TILL VEGETABLES – NEW GENERATION CROPPING SYSTEMS***  
A sustainable way to increase profits, save soil, and reduce pesticides  
Produced by: Highland Productions, 1997

- ESP-72**      ***AGROFORESTRY: AGRICULTURE AND FORESTRY WORKING TOGETHER***  
A condensed version of the national satellite broadcast held in March 1997. Presentations include alley cropping, riparian buffer strips, windbreaks, silvopasture, and forest farming.  
Produced by: FS/NRCS
- ESP-73**      ***SUSTAINABLE AGRICULTURE PERSPECTIVES FROM ACROSS AMERICA: GUIDES TO CONCEPTS AND PRINCIPLES***  
Time: 25 minutes
- ESP-75**      ***WIND EROSION EQUATION (WEQ)***  
Time: 2 hours, 3 minutes  
Training video (facilitator assisted)  
Produced by: USDA, NRCS
- ESP-77**      ***EASTERN GAMAGRASS – FROM THE PAST TO THE FUTURE (Closed Captioned)***  
Time: 18 minutes  
An introduction to this native perennial species that is quickly gaining attention  
Produced by: USDA, NRCS
- ESP-80**      ***FARMERS AND THEIR ECOLOGICAL SWEET CORN PRODUCTION PRACTICES***  
Time: 37 minutes  
An educational video on innovative production practices for sweet corn.  
Produced by: Vern Grubinger, University of Vermont Extension and Ruth Hazzard, University of Massachusetts Extension, 2001
- ESP-82**      ***INFO ON THE NEW NATIONAL CONSERVATION BUFFER INITIATIVE***  
Partnership update with Chief Paul Johnson  
Produced by: USDA, NRCS, February 13, 1997
- ESP-83**      ***UNDERSTANDING THE LANDSCAPE***  
Produced by: Colorado State University
- ESP-84**      ***CONSIDERATIONS FOR MIGRATORY BIRDS IN FORESTED WETLANDS***  
Time: 28 minutes  
WRP Compatible Use Video Series, Volume 1  
Produced by: USDA, NRCS
- ESP-86**      ***WILDLIFE IN AGRICULTURAL ECOSYSTEMS***  
Videotape series (14 videotapes including 27 lectures)  
Produced by: Oregon State University, Department of Fisheries & Wildlife, 1999

## **FWP: FEDERAL WOMEN'S PROGRAM**

- FWP-6**      ***A CENTURY OF WOMEN: WORK AND FAMILY***  
Time: 95 minutes  
A documentary of women in the 20<sup>th</sup> Century  
Produced by: Turner Broadcasting System, 1994
- FWP-7**      ***A CENTURY OF WOMEN: SEXUALITY AND SOCIAL JUSTICE***  
Time: 95 minutes  
A documentary of women in the 20<sup>th</sup> Century  
Produced by: Turner Broadcasting System, 1994
- FWP-8**      ***A CENTURY OF WOMEN: IMAGE AND POPULAR CULTURE***  
Time: 95 minutes  
A documentary of women in the 20<sup>th</sup> Century  
Produced by: Turner Broadcasting System, 1994
- FWP-10**     ***VOTES FOR WOMEN***  
Time: 20 minutes  
Celebrates the magnificent campaign, ultimate victory of the Suffrage Movement, and the paths that contemporary women are taking in politics  
Produced by: Kay Weaver and Martha Wheelock, 1996

## **INF: INFORMATION**

- INF-102**     ***PRESS CONFERENCE ON CRP***  
Time: 31 minutes, May 22, 1997
- INF-122a**    ***EARTH DAY – AGRICULTURE AND THE ENVIRONMENT***  
Time: 2 hours  
Footage of the mall event and prerecorded segment for youth featuring S.K. Worm  
Produced by: NRCS, April 22, 1999
- INF-122b**    ***EARTH DAY – AGRICULTURE AND THE ENVIRONMENT (Open Captioned)***  
Time: 93 minutes  
Earth Day on the mall. Edited Version  
Produced by: NRCS, May 1999
- INF-130**     ***BACKYARD CONSERVATION – ONE YARD AT A TIME***  
Time: 9 minutes  
Easy and fun ways to enjoy your yard more and do your part to improve the environment  
Produced by: USDA, NRCS, NACD, Wildlife Habitat Council, 1998

- INF-134**     ***PRIVATE LANDS, PUBLIC BENEFITS: A POLICY SUMMIT ON WORKING LANDS CONSERVATION***  
Time: 19 minutes  
Videotape containing the USDA video news release about the summit, remarks by Chief Pearlie S. Reed; and the 7-minute video shown at the session  
Produced by: USDA, NRCS, March 16, 2001
- INF-141**     ***THE LEADER IN YOU SERIES – “SHALL WE DANCE”***, October 5, 2000
- INF-142**     ***THE LEADER IN YOU SERIES – “THE ROOKIE MANAGER”***, November 2, 2000
- INF-143**     ***THE LEADER IN YOU SERIES – “BEYOND MANAGEMENT TO DYNAMIC LEADERSHIP”***, April 12, 2001
- INF-144**     ***THE LEADER IN YOU SERIES – “SUPERCHARGER 2001 – MOTIVATING THE MOTIVATORS”***, May 3, 2001
- INF-145**     ***THE LEADER IN YOU SERIES – “ON LEADERSHIP”***, May 16, 2001
- INF-146**     ***THE LEADER IN YOU SERIES – “STRESS MASTERY”***, June 14, 2001
- INF-152**     ***THE POWER OF VISION – DISCOVERING THE FUTURE SERIES***  
Time: 30 minutes  
Joel Arthur Barker shows how a positive vision of the future is essential for providing meaning and direction to the present. He demonstrates how a meaningful vision empowers us to solve problems and accomplish goals.  
Produced by: Charthouse Learning Corporation
- INF-153**     ***THE BUSINESS OF PARADIGMS – DISCOVERING THE FUTURE SERIES***  
Time: 38 minutes  
Joel Barker shows what paradigms are and explains their effects. Mr. Barker’s paradigm concepts empower people to better anticipate and deal with revolutionary change.  
Produced by: Charthouse Learning Corporation

#### **WQ: WATER QUALITY**

- WQ-10**     ***CHOOSE CLEAN WATER***  
Time: 30 seconds, 15 seconds for TV PSA’s  
Highlights how farmers and ranchers are taking better care of their land to guarantee clean water for our use today and for our children’s use tomorrow  
Produced by: USDA, SCS, April 14, 1993
- WQ-12**     ***WATERSHEDS: WHERE WATER QUALITY BEGINS***  
Time: 2 hours  
An overview of how SCS assistance is matched with local resources for management systems for watersheds  
Produced by: USDA, SCS, March 1993

- WQ-13**      ***PARTNERSHIPS FOR WATERSHEDS***  
Time: 13 minutes  
For use by groups and individuals interested in addressing watershed concerns using a voluntary approach  
Produced by: CTIC, November 1994
- WQ-14**      ***THE NUTRIENT AND SEDIMENT CONTROL SYSTEM***  
Time: 20 minutes  
Aroostook County, Maine – A view of SCS assistance to agriculture in the area displaying a nutrient and sediment control system – a multiple agency approach  
Produced by: USDA, SCS, 1993
- WQ-15**      ***CONSTRUCTED WETLANDS FOR WATER QUALITY IMPROVEMENT***  
Time: 1 hour  
Review of various nutrient & sediment control systems in agricultural communities. Video conference  
Produced by: USDA, SCS, May 21, 1991
- WQ-17**      ***AMERICAN FORESTS PRESENTS GREENING OUR CITIES – BRINGING NATURE INTO THE PLACES WE LIVE***  
Time: 14 minutes
- WQ-19**      ***REINVESTING IN AMERICA’S WATERSHEDS (Closed Captioned)***  
Time: 16 minutes  
Focuses on PL-566 and PL-534 watersheds  
Produced by: National Watershed Coalition
- WQ-21**      ***EMERGENCY WATERSHED PROTECTION (EWP) PROGRAM***  
Time: 11 minutes  
A segment for the Channel Earth TV show called “From the Grassroots”  
Produced by: USDA, NRCS, July 21, 1997
- WQ-23**      ***SERGEANT MAJOR CREEK WATERSHED NATIONAL REHABILITATION PILOT PROJECT***  
Time: 9 minutes  
Video produced for the Sergeant Major Creek Rehabilitation celebration that was held in Cheyenne, Oklahoma. It provides a background of the PL-534 Washita Watershed Project and its impact on local communities in Oklahoma.  
Produced by: USDA, NRCS, April 14, 2000
- WQ-24**      ***PROTECTING AND IMPROVING THE QUALITY OF LIFE: THE SMALL WATERSHED PROGRAM IN ACTION***  
Time: 10 minutes  
Provides an example and basic information on the Small Watershed and Emergency Watershed Protection Programs and the need to rehabilitate aging watershed dams  
Produced by: Oklahoma Conservation Commission in cooperation with USDA, NRCS

- WQ-25**      ***TECHNIQUES FOR RESTORING WETLAND TOPOGRAPHY***  
Time: 56 minutes  
Reviews various techniques being used by NRCS to restore wetland topography  
Produced by: USDA, NRCS
- WQ-26**      ***HOW TO BUILD A WETLAND***  
Time: 17 minutes  
Produced by: USDA, NRCS
- WQ-27**      ***THE WILD WETLANDS***  
Time: 30 minutes  
Produced by: Delaware Development Office
- WQ-28**      ***AGRICULTURE RUNOFF***  
A video on Delaware nutrient management  
Produced by: Delaware Department of Agriculture, October 2002
- WQ-29**      ***MAINTAINING FLOOD CONTROL DAMS WITH THE HEPL OF RESEARCH***  
Time: 10 minutes  
This video highlights ARS research to illustrate the effects of common problems with dams that may not initially seem threatening but could cause serious problems during floods.  
Produced by: Oklahoma Conservation Commission in cooperation with ARS Hydraulic Engineering Laboratory, Stillwater, Oklahoma
- WQ-30**      ***THE TISKILWA STORY***  
Time: 13 minutes  
This video highlights the locally-led, watershed approach to solving flooding and soil erosion in Tiskilwa, Illinois  
Produced by: Caterpillar
- WQ-31**      ***NUTRIENT AND PEST MANAGEMENT ON THE FORT HALL INDIAN RESERVATION (Closed Captioned)***  
Time: 27 minutes  
Nutrient and pest management problems experienced by the Shoshone Bannock Tribes on the Ft. Hall Indian Reservation in Idaho  
Produced by: USDA, NRCS
- WQ-32**      ***AGRICULTURE RUN-OFF***  
Explains how Delaware is dealing with nutrient management, how and when people are affected by the Nutrient Management Program, and how the public can better manage nutrients and conserve the environment.  
Produced by: Delaware Department of Agriculture, October 2002
