

# Lee County SWCS/NRCS Celebrates Earth Day

## Louise Krecher Forestry & Ecology Preserve

April 10 & 11, 2013

The students began the day by a visit from local wildlife in this amphitheater at the preserve.

Local art teachers show the students how to identify various plants through creating their own.

Students learned about water filtration from the Auburn Water Department.

Jennifer Lolly talks to students about doing their part for conservation.

Jennifer Lolly with Dana Dabria explain good water quality practices while using the Enviroscape.
