

**Madison County Soil and Water Conservation District's  
2013 Environmental Education Teacher Workshop  
June 10-14, 2013**

Teachers attending the June 10-14, 2013 Environmental Education Teacher Workshop prepare to leave for a day of tours. The teachers toured Bunge Corporation, the Tennessee Riverbanks in Decatur and the WaterWorks Education Center in Hartselle. Twenty Eight teachers participated in this workshop.

**FARMERS FEED FAMILIES!**

Teacher's also enjoyed farmer roundtable talks, seeing wildlife up close, water treatment plant and a NOAA Weather Service tour.
