MAPSS is a non-profit organization dedicated to the advancement of the profession of soil science and the protection of the public interest in matters related to soil science. MAPSS was organized in 1987 and serves professionals primarily in the Maryland, Delaware and District of Columbia area.

MAPSS conducts trainings and field tours around the region, and sponsors scholarships for soil science students each spring.

For more information, visit the MAPSS website at <http://www.sawgal.umd.edu/mapss>.
