

Appendix A

Upper Arkansas River Dissolved Metals Concentrations and Chronic and Acute TVS Thresholds for Period 2 (1981-1992)

Figure A-1. Upper Arkansas River Dissolved Cadmium Concentrations in Period 2 (1981-1992), as reported in SCR 2002

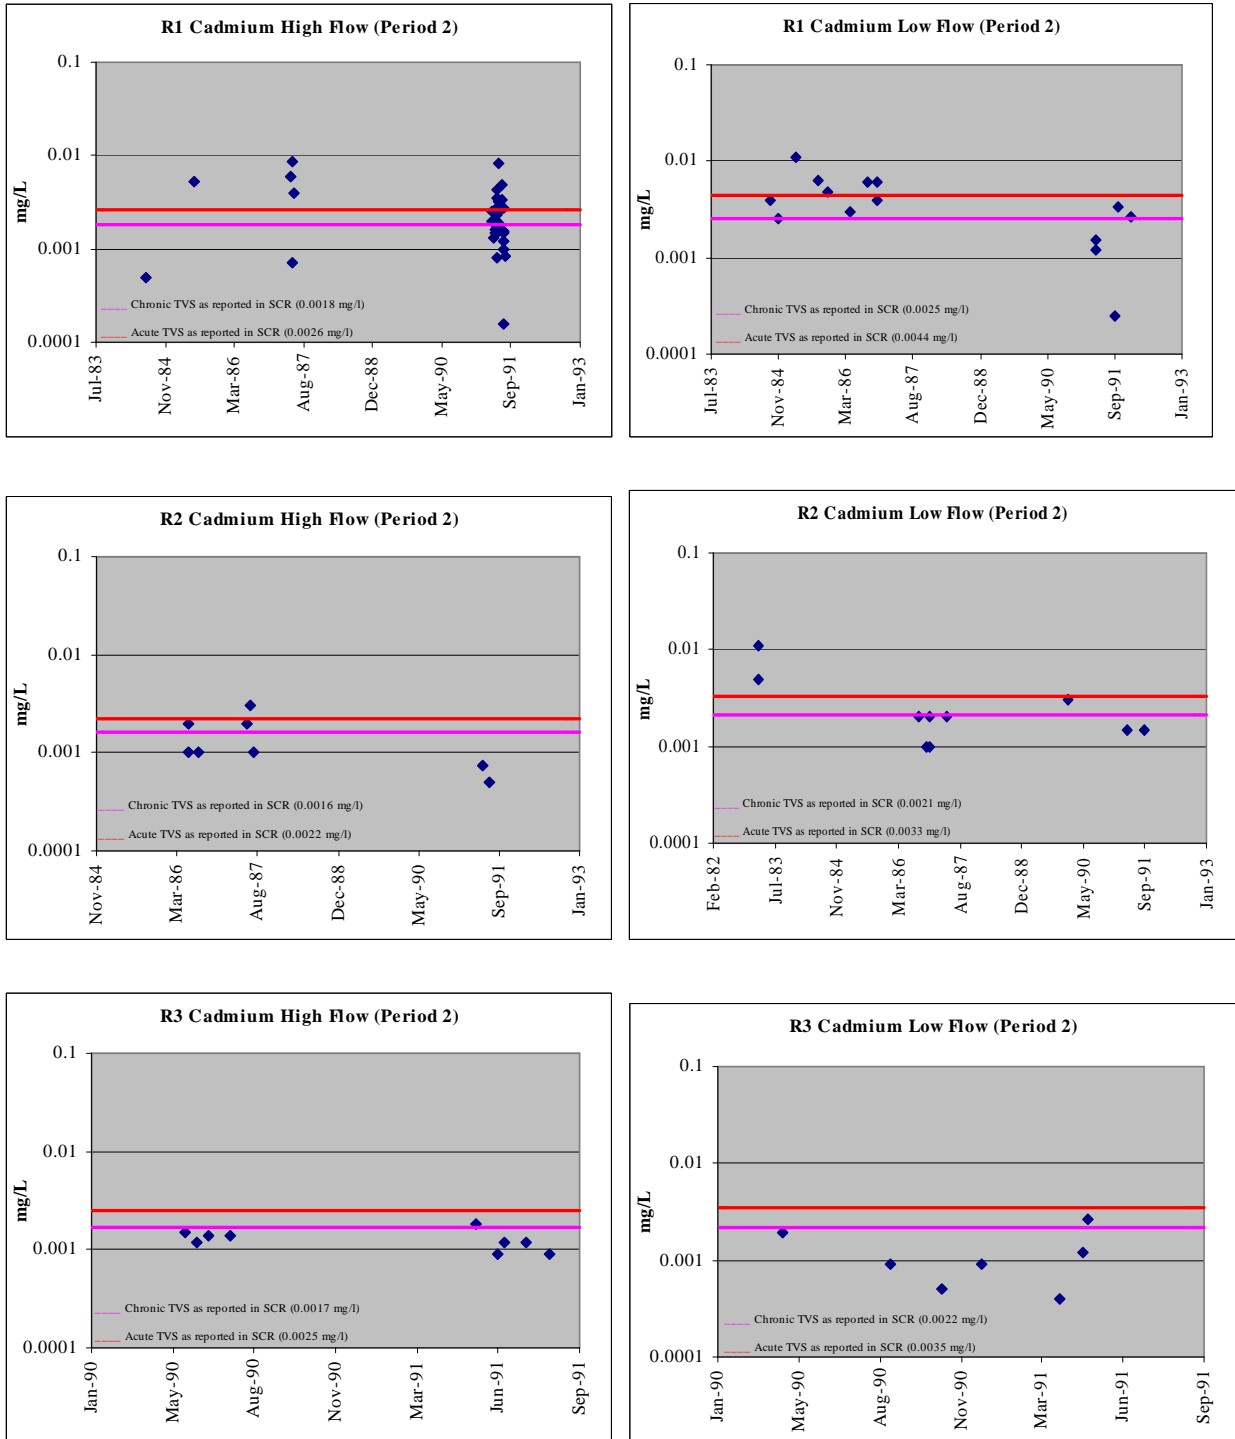

Figure A-1 (cont'd). Upper Arkansas River Dissolved Cadmium Concentrations in Period 2 (1981-1992), as reported in SCR 2002

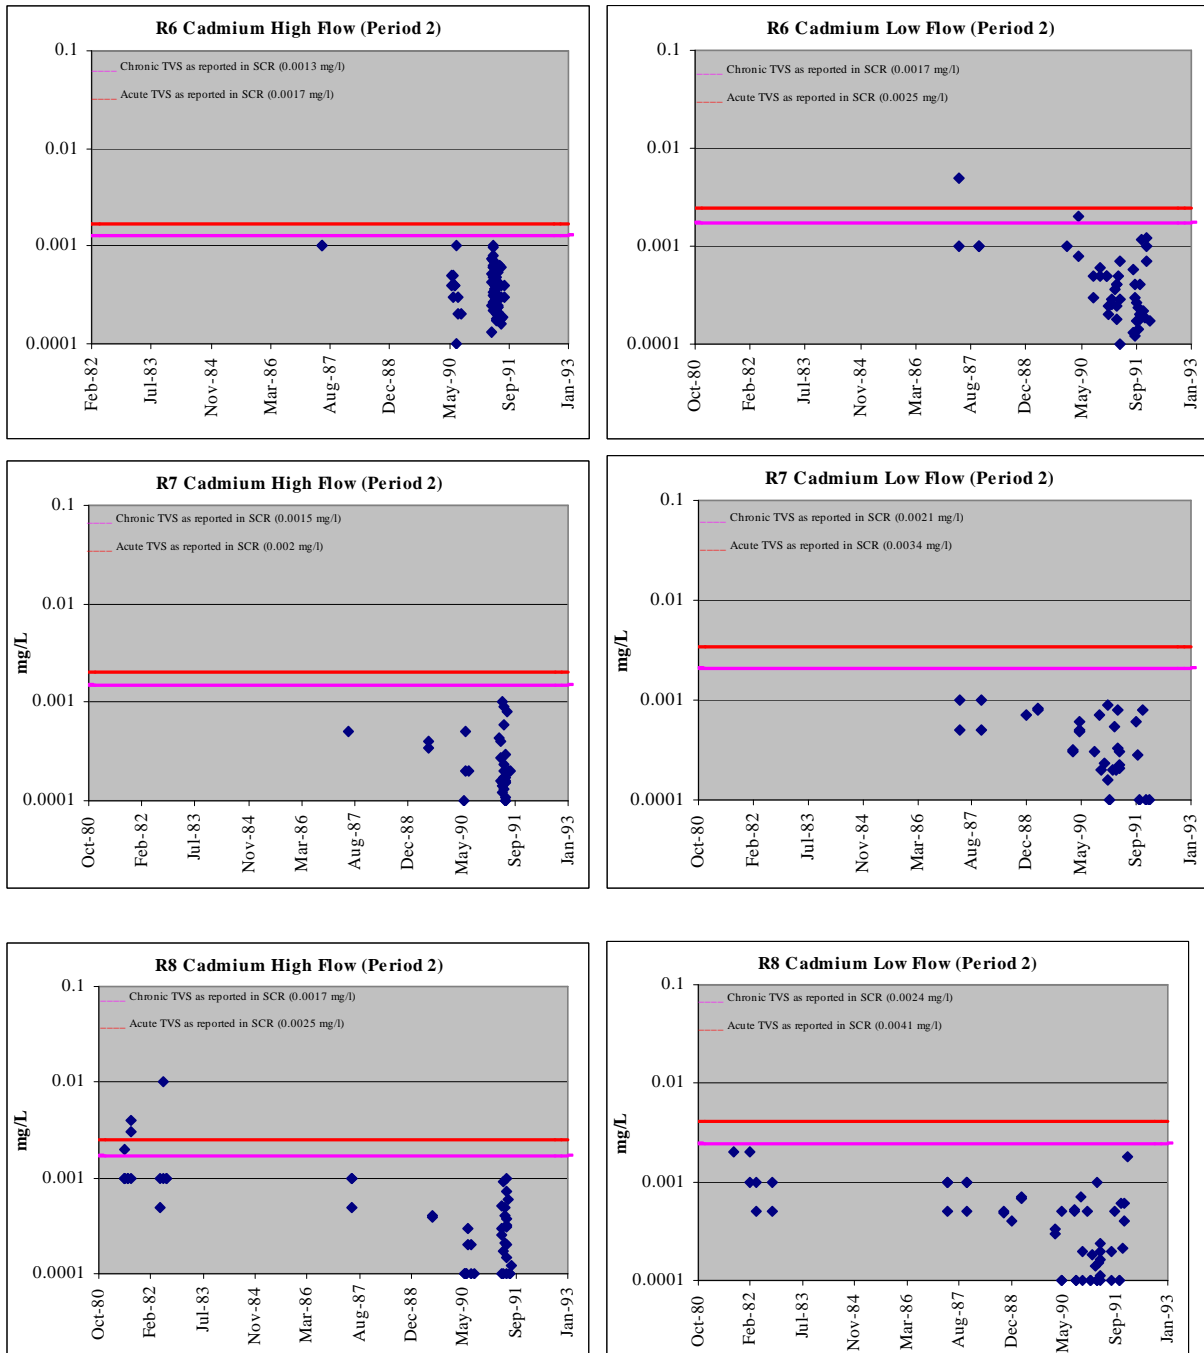

Figure A-1 (cont'd). Upper Arkansas River Dissolved Cadmium Concentrations in Period 2 (1981-1992), as reported in SCR 2002

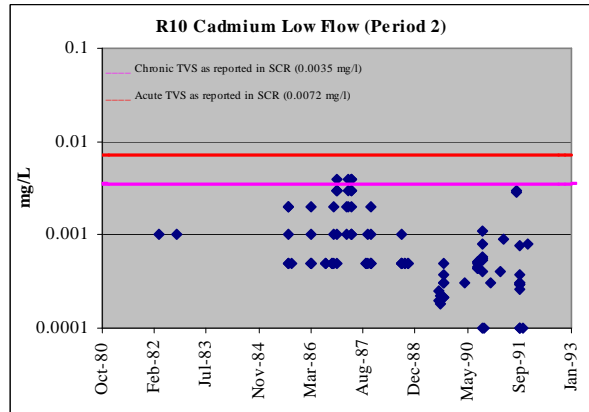

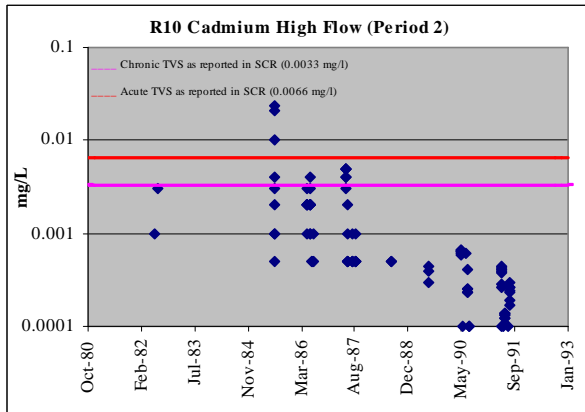

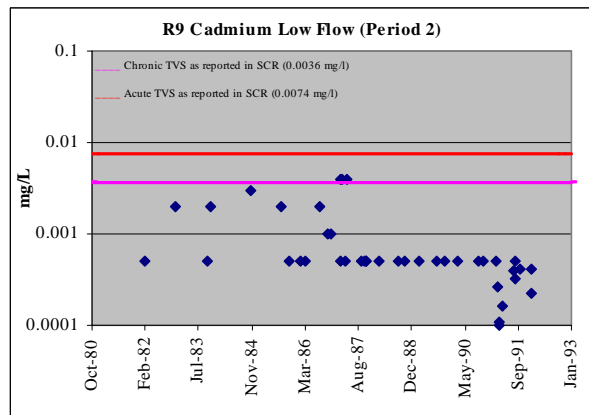

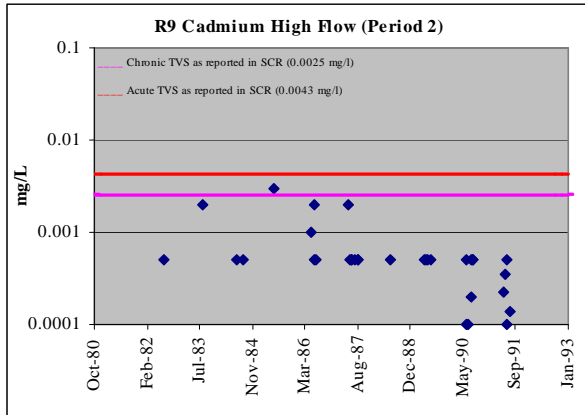

Figure A-2 (cont'd). Upper Arkansas River Dissolved Copper Concentrations in Period 2 (1981-1992), as reported in SCR 2002

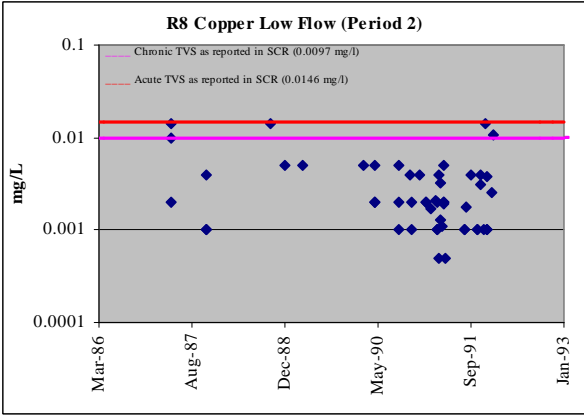

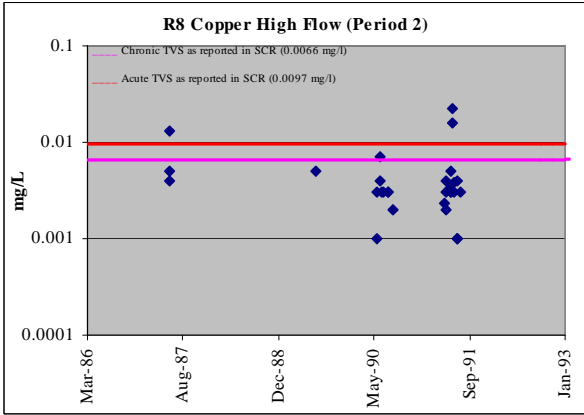

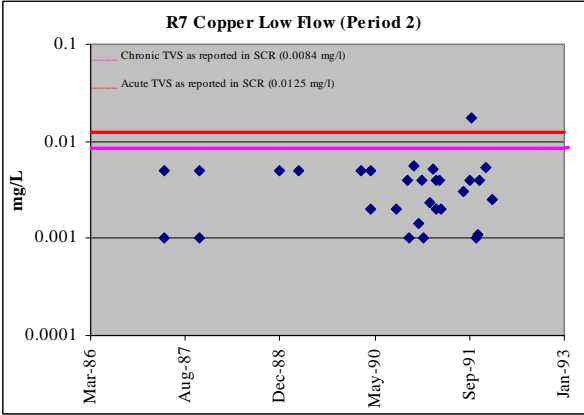

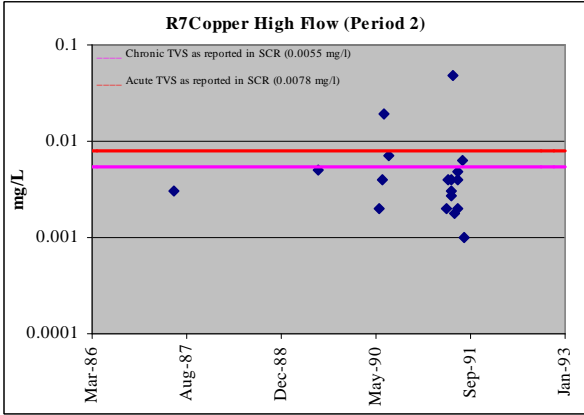

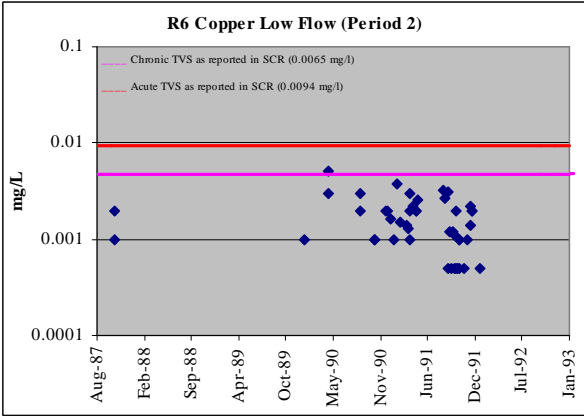

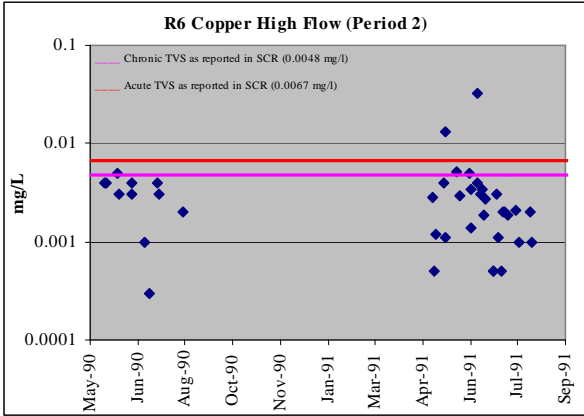

Figure A-2 (cont'd). Upper Arkansas River Dissolved Copper Concentrations in Period 2 (1981-1992), as reported in SCR 2002

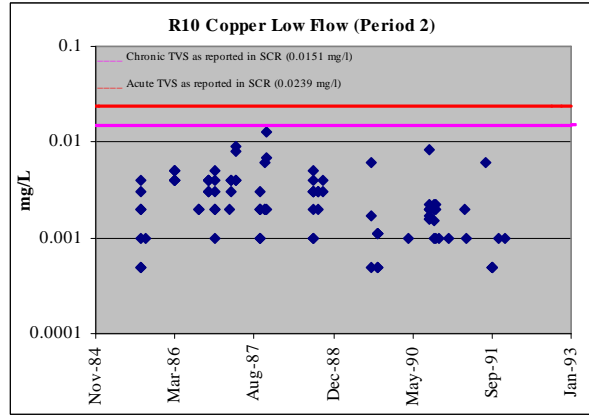

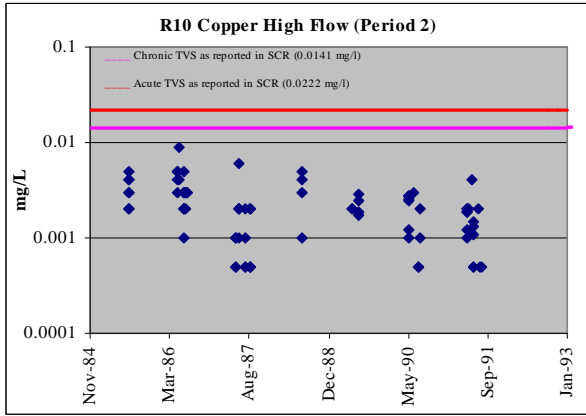

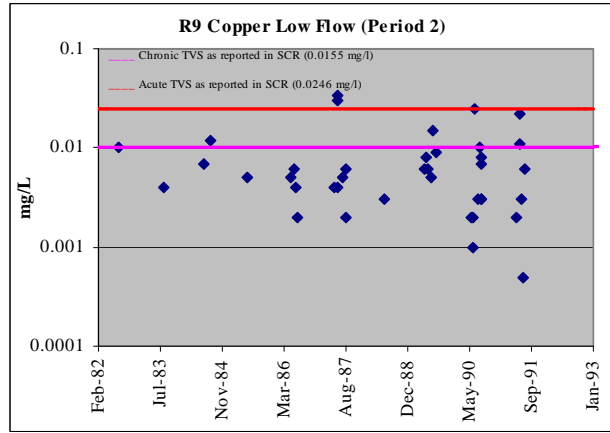

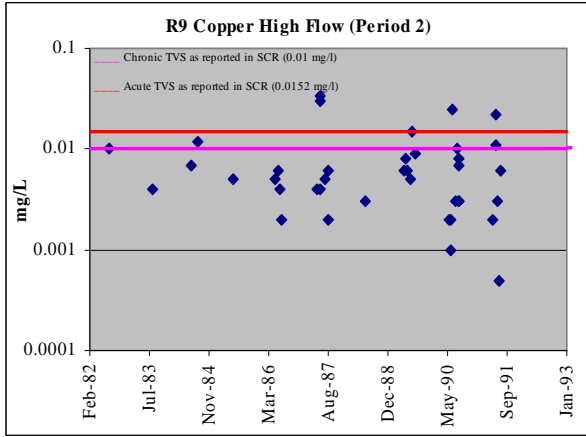

Figure A-3. Upper Arkansas River Dissolved Lead Concentrations in Period 2 (1981-1992), as reported in SCR 2002

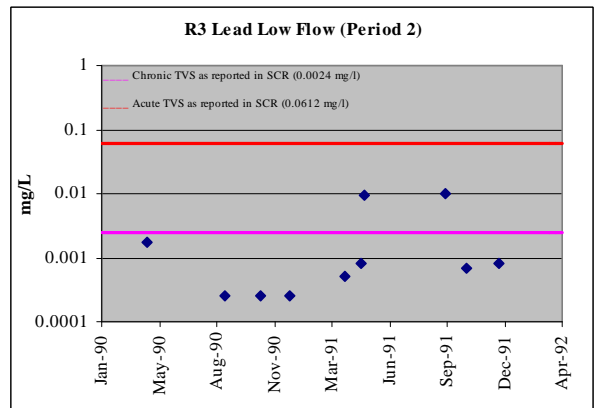

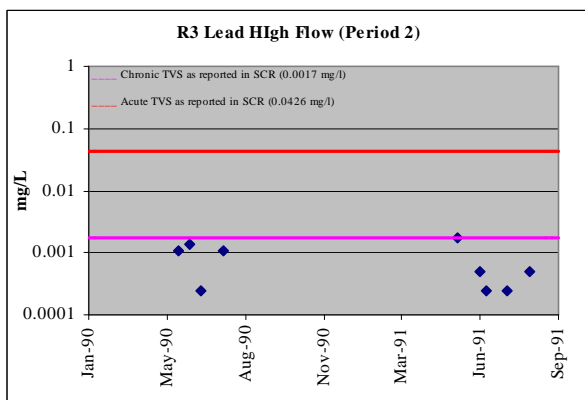

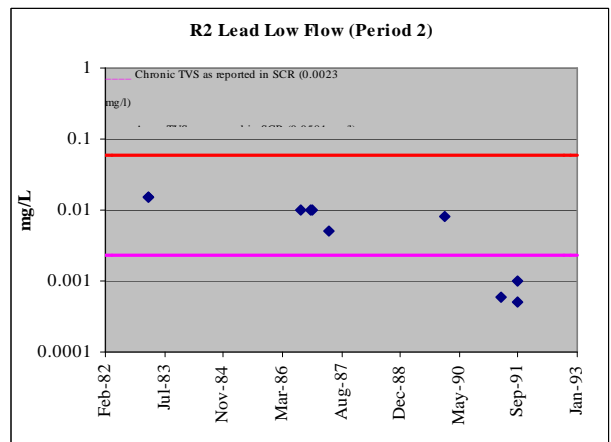

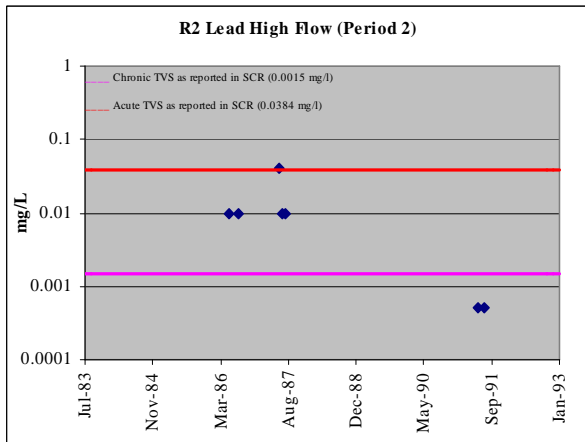

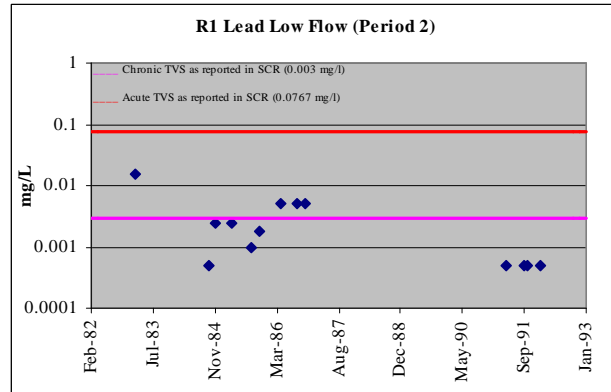

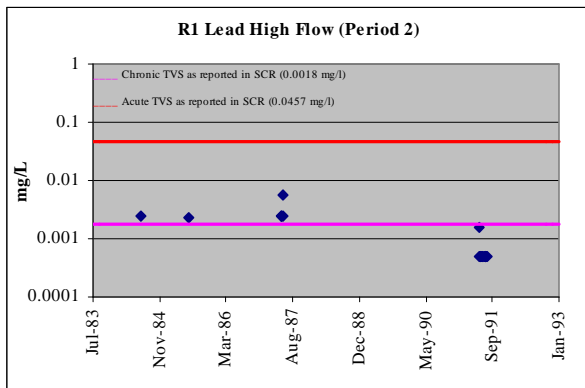

Figure A-3 (cont'd). Upper Arkansas River Dissolved Lead Concentrations in Period 2 (1981-1992), as reported in SCR 2002

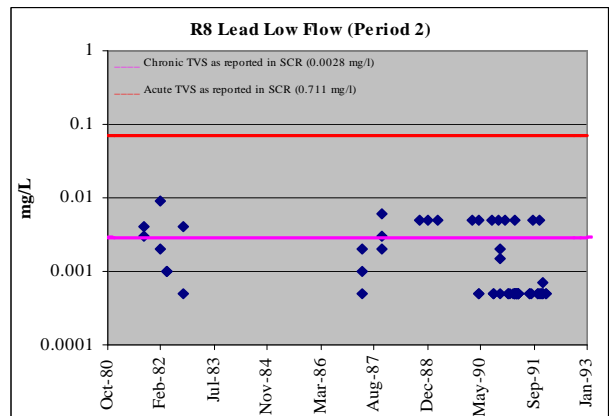

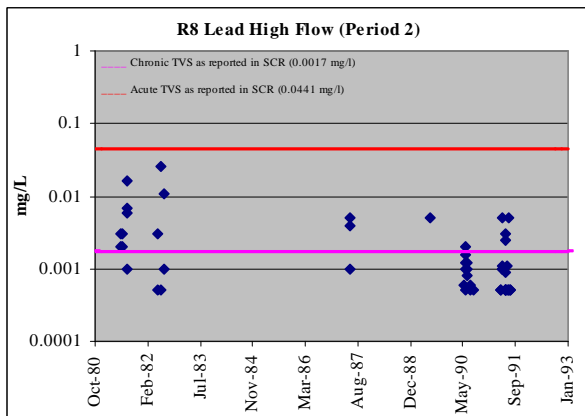

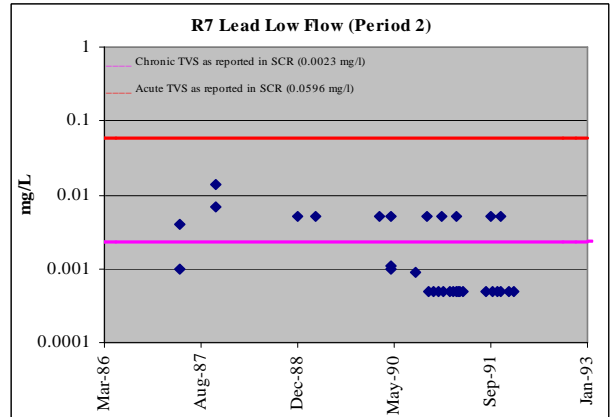

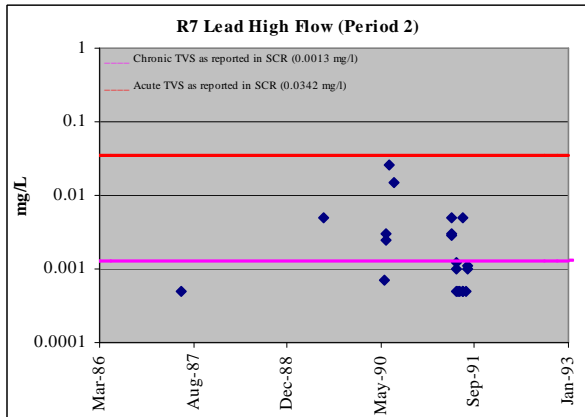

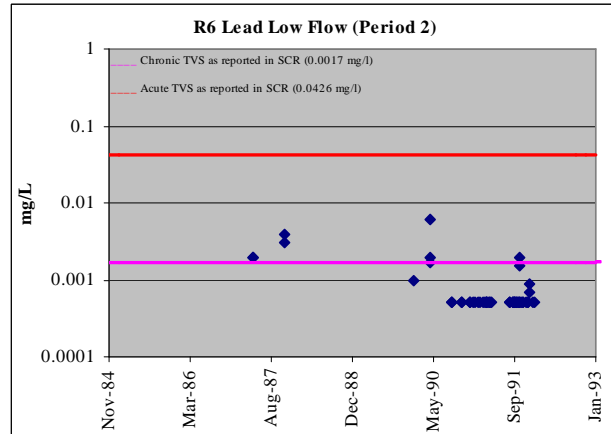

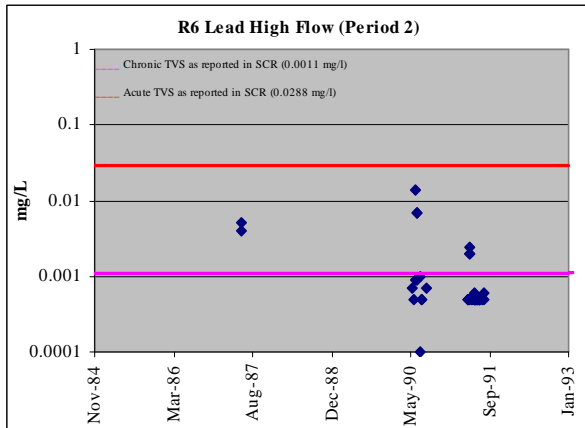

Figure A-3 (cont'd). Upper Arkansas River Dissolved Lead Concentrations in Period 2 (1981-1992), as reported in SCR 2002

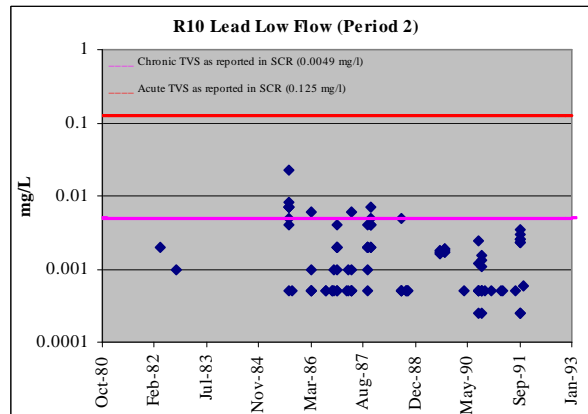

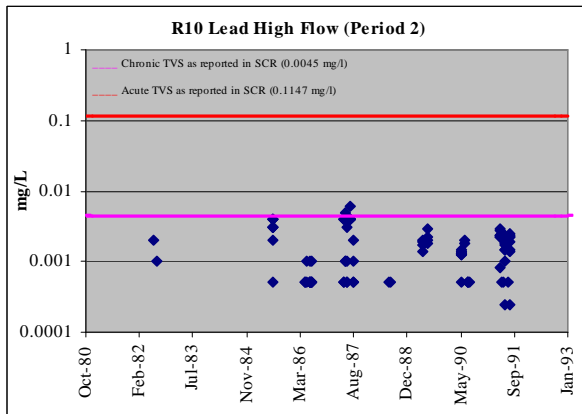

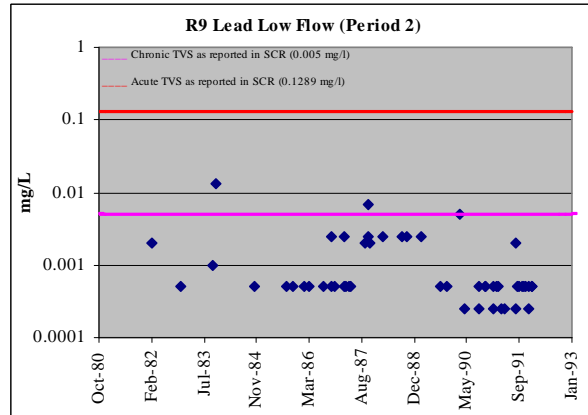

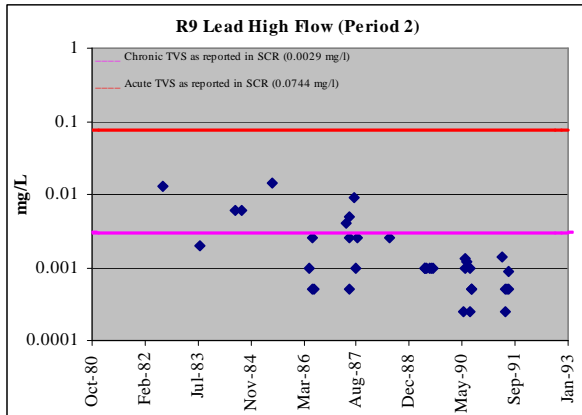

Figure A-4. Upper Arkansas River Dissolved Zinc Concentrations in Period 2 (1981-1992), as reported in SCR 2002

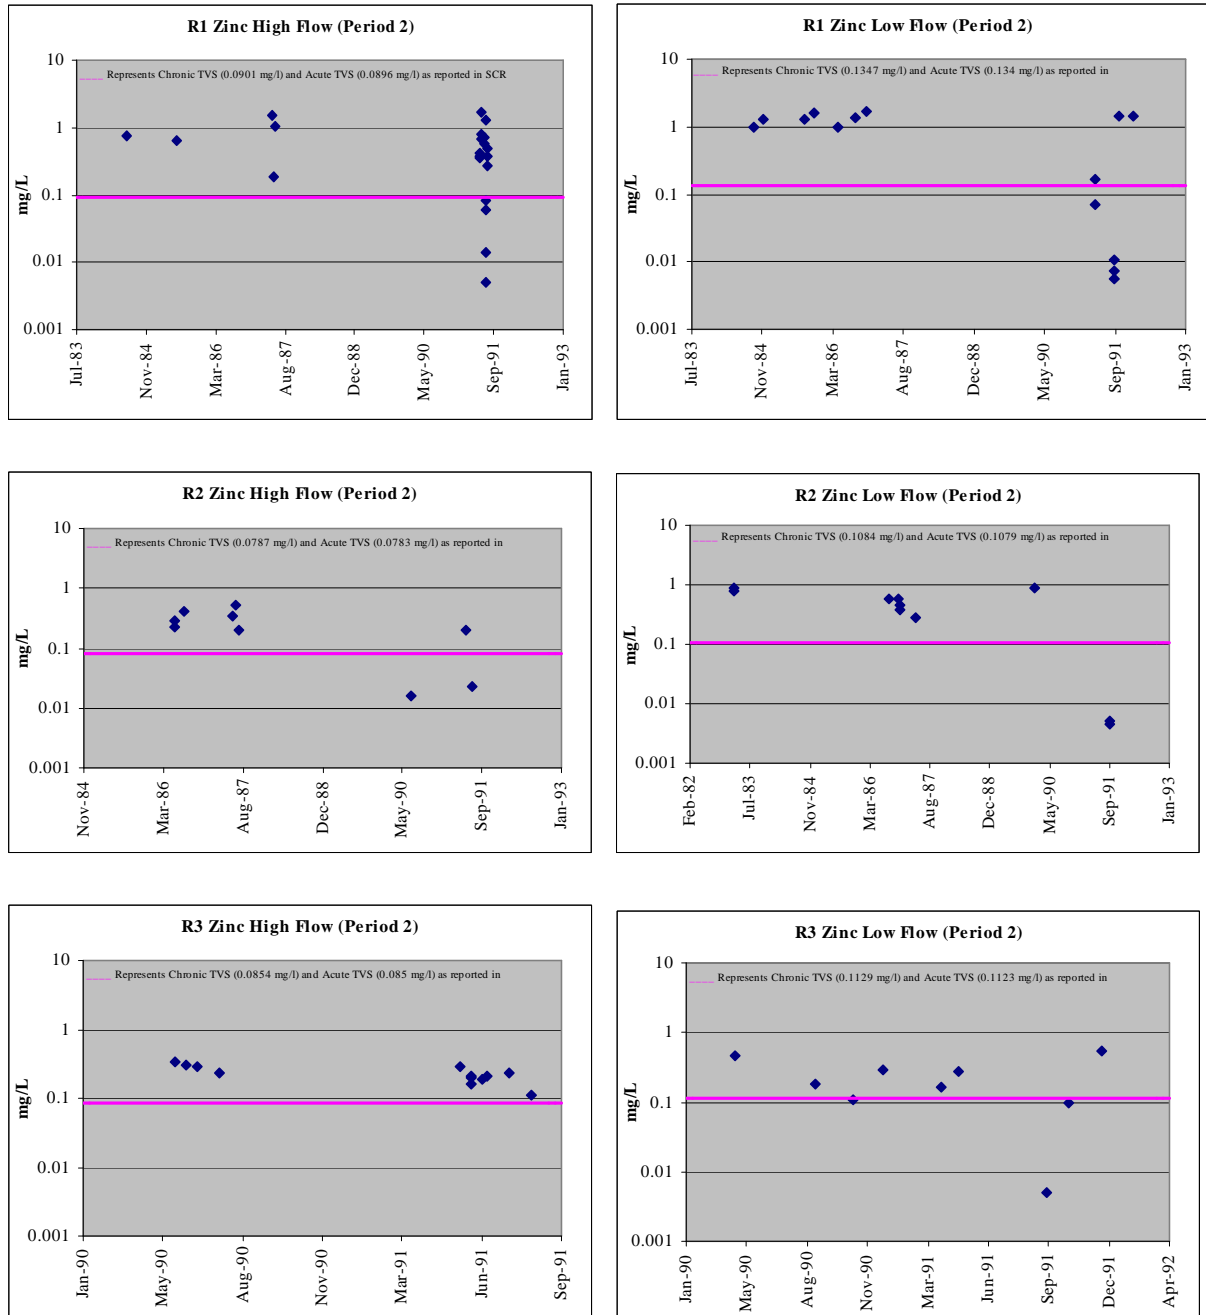

Figure A-4 (cont'd). Upper Arkansas River Dissolved Zinc Concentrations in Period 2 (1981-1992), as reported in SCR 2002

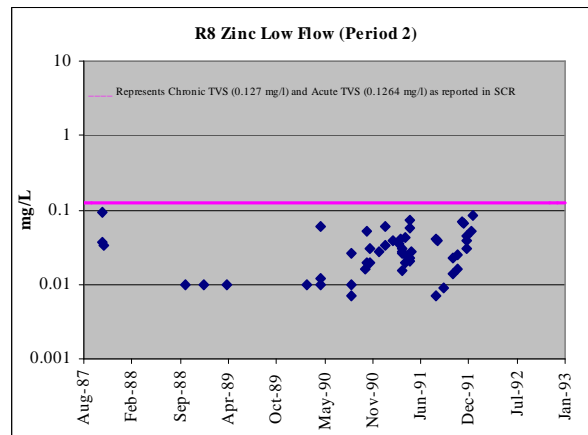

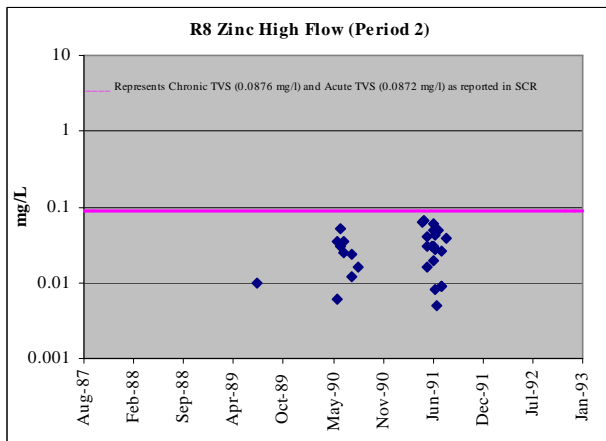

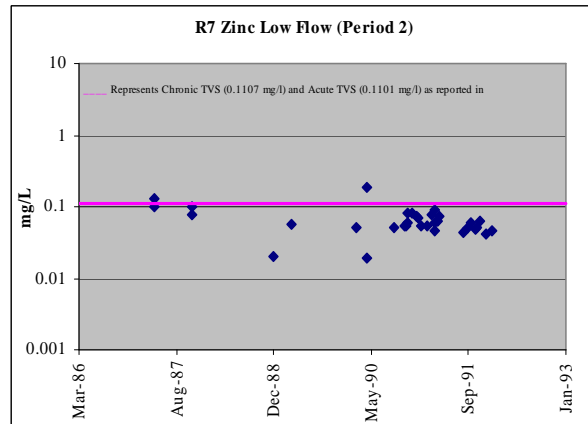

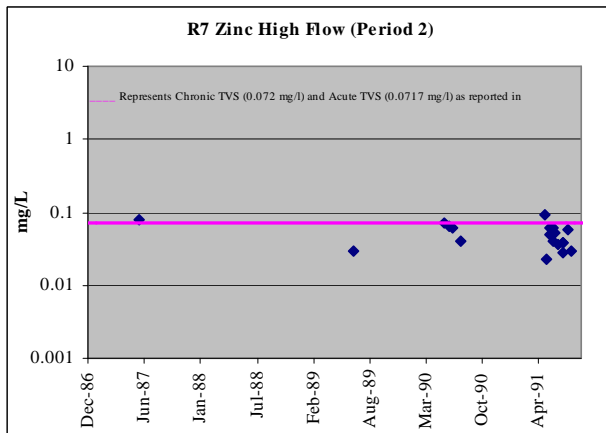

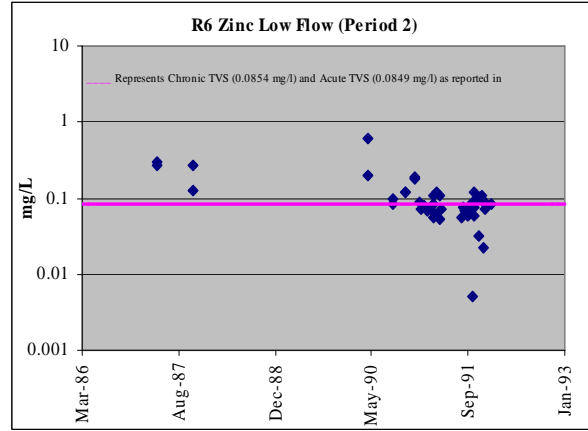

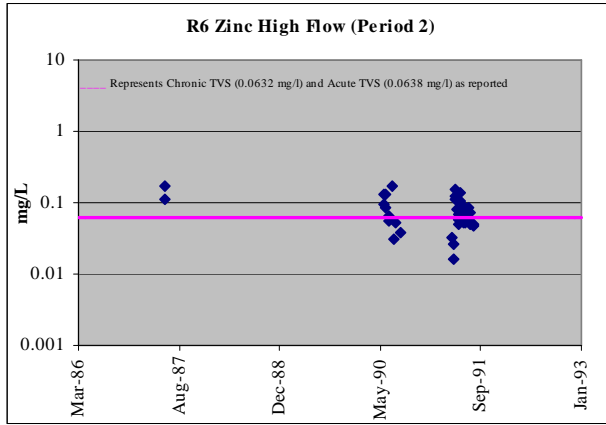

Figure A-4 (cont'd). Upper Arkansas River Dissolved Zinc Concentrations in Period 2 (1981-1992), as reported in SCR 2002
