documents relating to the conditions faced by individuals under Orders of Supervision (OSUP), the Intensive Supervision Appearance Program (ISAP and ISAP II), Electronic Monitoring Device (EMD), Enhanced Supervision/Reporting (ESR), and Electronic Monitoring Program (EMP). In particular, we are requesting documents relating to the Newark Field Office, located at 614 Frelinghuysen Ave; the Marlton, NJ Field Office, located at 5002 Lincoln Drive West, Suite B; as well as the New York Field Office, located at 26 Federal Plaza. Essex County recently signed a new contract with ICE to increase the number of immigrants detained in the county from 500 to 1250. As the number of detainees grows, the number of individuals released on Alternative to Detention programs (AID) grows as well. Because of this growth, it is particularly important in order to increase transparency of the process among those placed under ATD programs
