

**UNITED STATES DEPARTMENT OF AGRICULTURE  
FEDERAL CROP INSURANCE CORPORATION  
ENTERPRISE UNIT AMENDMENT**

(This is a Continuous Amendment)

This amendment modifies the provisions of the Common Crop Insurance Policy Basic Provisions (CCIP), Crop Revenue Coverage Insurance Policy Basic Provisions (CRC), and Revenue Assurance Insurance Policy Basic Provisions (RA) for the 2010 and succeeding crop years for all crops with a 2010 contract change date on or after June 30, 2009, and for the 2011 and succeeding crop years for all crops with a 2010 contract change date prior to June 30, 2009, as follows:

<b>In lieu of section:</b>	<b>The following provisions will apply:</b>
1 – CCIP definition of “enterprise unit”	<p><b>Enterprise unit</b> - All insurable acreage of the insured crop in the county in which you have a share on the date coverage begins for the crop year.</p> <p>(1) To qualify, an enterprise unit must contain all of the insurable acreage of the same insured crop in:</p> <ul style="list-style-type: none"> <li>(i) One or more basic units that are located in two or more separate sections, section equivalents, FSA farm serial numbers, or units established by written agreement; or</li> <li>(ii) Two or more optional units established by separate sections, section equivalents, FSA farm serial numbers, or as established by written agreement; and</li> </ul> <p>(2) At least two of the sections, section equivalents, FSA farm serial numbers, or units established by written agreement making up the basic or optional units in paragraph (1) of this definition must each have planted acreage that constitutes at least the lesser of 20 acres or 20 percent of the insured crop acreage in the enterprise unit.</p>
2(c) - RA	<p>Enterprise unit - All insurable acreage of the insured crop in the county in which you have a share on the date coverage begins for the crop year.</p> <p>(1) To qualify, an enterprise unit must contain all of the insurable planted acreage of the same insured crop in:</p> <ul style="list-style-type: none"> <li>(i) One or more basic units that are located in two or more separate sections, section equivalents, or FSA farm serial numbers; or</li> <li>(ii) Two or more optional units established by separate sections, section equivalents, or FSA farm serial numbers; and</li> </ul> <p>(2) At least two of the sections, section equivalents, or FSA farm serial numbers making up the basic or optional units in section 2(c)(1) must each have planted acreage that constitutes at least the lesser of 20 acres or 20 percent of the insured crop acreage in the enterprise unit.</p>
2(c)(1) - CRC	<p>The enterprise unit must contain 50 or more acres and at least two of the sections, section equivalents, FSA farm serial numbers, or units established by written agreement making up the basic or optional units in section 2(c)(2) must each have planted acreage that constitutes at least the lesser of 20 acres or 20 percent of the insured crop acreage in the enterprise unit.</p>
2(c)(2) - CRC	<p>The acreage that comprises the enterprise unit must also qualify:</p> <ul style="list-style-type: none"> <li>(i) For two or more basic units of the same insured crop as defined in section 2(a) that are located in two or more separate sections, section equivalents, FSA farm serial numbers, or units established by written agreement; or</li> <li>(ii) For two or more optional units of the same insured crop established by separate sections, section equivalents, FSA farm serial numbers, or as established by written agreement.</li> </ul>
