## **BLM moves May oil and gas lease sale location**

(BILLINGS, Mont.) – An oil and gas lease sale set for early May is being moved to a different location in Billings than originally scheduled.

The Bureau of Land Management (BLM) will hold the sale at the Northern Hotel in downtown Billings, instead of at the Montana/Dakotas State Office on Southgate Drive as previously announced.

The location has been changed in order to better accommodate industry participants and members of the public interested in observing the proceedings.

The Competitive Oil and Gas Lease Sale will begin at 9 a.m. on May 4, 2016. Street parking is limited, so participants are encouraged to utilize the hotel's parking garage.

Information on the parcels being offered for sale in Garfield, Richland, Roosevelt and Sheridan Counties in Montana and Williams County, North Dakota, can be found at <http://on.doi.gov/1LQChXI>.

For more information, please contact Kimberly Werven, Chief, Fluids Adjudication Section, at 406-896-5091.

*The BLM manages more than 245 million acres of public land for the American people, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield. In Fiscal Year 2014, the BLM generated \$5.2 billion in receipts from public lands.*
