

Military Funeral Honors

"Honoring Those Who Served"

The Department of Defense (DOD) is responsible for providing military funeral honors. "Honoring Those Who Served" is the title of the DOD program for providing dignified military funeral honors to Veterans who have defended our nation.

Upon the family's request, Public Law 106-65 requires that every eligible Veteran receive a military funeral honors ceremony, to include folding and presenting the United States burial flag and the playing of "Taps." The law defines a military funeral honors detail as consisting of two or more uniformed military persons, with at least one being a member of the Veteran's parent service of the armed forces.

The DOD program calls for funeral home directors to request military funeral honors on behalf of the Veteran's family. However, the Department of Veterans Affairs National Cemetery Administration cemetery staff can also assist with arranging military funeral honors at VA national cemeteries. Veterans organizations may also assist in providing military funeral honors.

The Department of Defense began the implementation plan for providing military funeral honors for eligible Veterans on Jan. 1, 2000.
