Questions? Call: (877) 800 - 5261

PART 3. NATURAL GAS SALES

Please provide the following information for your residential and commercial customers as defined in the instructions:

1. Report State (Enter one of the following States in the box): Georgia, New York, or Ohio. Submit a separate form for each State in which your company has sales residential and/or commercial end-use customers.
2. To how many end-use customers did you sell natural gas? Residential Commercial
3. How much natural gas did you sell to these customers? Do not report negative numbers or decimals. You may report in either Thousand cubic feet (Mcf) or in Therms. Indicate unit of measure by placing an "X" in the appropriate box. Residential Commercial
4. For companies reporting sales in all States except Georgia: What were the gross receipts for the natural gas commodity sold, plus customer service charges, taxes, and other charges excluding any amount owed to the local distribution company who transported gas to your customers? Residential Commercial
5. For companies reporting sales in Georgia: What were the gross receipts for the natural gas commodity sold, plus customer service charges, taxes and other charges, including any amount owed to the local distribution company who transported gas to your customers? Residential Commercial

Comments: Identify any unusual aspects of your reporting month's activity.
