SAILING INSTRUCTIONS

POOL 15: NM 347.5 - 348.5

McCLELLAN-KERR ARKANSAS RIVER NAVIGATION SYSTEM, OKLAHOMA

Due to shoaling, mariners are advised that until further notice, both upbound and downbound tows should run the red line between NM 348.5 and NM 347.5. Channel depth varies between 6FT and 7FT in this reach. Centerline to green line depths are reduced to less than 6FT in certain locations. No passing is advised while transiting through this area.

Waterway users are asked to check with Lock No. 15 for the latest information. Questions or request for additional information concerning this notice should be directed to Mr. Vic Heister; Navigation Field Engineer: 918-669-7244 or Mr. Rodney Beard; Navigation Project Manager: 918-775-4475 ext 5890.
