## REGIONAL CLIMATE CENTER

hprcc.unl.edu

Providing timely climate data and information to the public for cost effective decision-making

The High Plains Regional Climate Center (HPRCC) serves to increase the use and availability of climate data and information. We achieve this by providing climate services, developing climate data and information products, and engaging our stakeholders. Our six-state region covers Kansas, Colorado, Nebraska, Wyoming, South Dakota, and North Dakota. The Regional Climate Centers are supported by NOAA/NCEI as part of a three-tiered approach, emphasizing services that are local, regional, and national in scope.

# REGIONAL CLIMATE CENTER

Providing timely climate data and information to the public for cost effective decision-making

The HPRCC serves as a provider of weather and climate information that is critical to the region and nation.

hprcc.unl.edu

Our wide array of services include:

- Customized access to data from regional and national networks.
- Summary maps incorporating real-time data.
- Monthly and seasonal summaries of climate conditions.
- Impact information related to extreme events.

### Turning data into information

#### Frost/Freeze Summary for PIERRE RGNL AP, SD First Year Last Value Value Season Length 2015 05-19 (2015) 29 10-16 (2015) 28 149 2014 05-15 (2014) 25 10-03 (2014) 31 140 05-12 (2013) 2013 25 10-16 (2013) 30 156 2012 05-09 (2012) 09-22 (2012) 29 135 32 05-16 (2011) 09-15 (2011) 2011 32 121 32 05-08 (2010) 2010 27 10-18 (2010) 28 162 2009 05-16 (2009) 29 09-29 (2009) 29 135 05-14 (2008) 2008 31 10-16 (2008) 31 154 2007 04-20 (2007) 31 10-27 (2007) 27 189

Winter - Days with Wind Chill <= -20F

The customer base for the center is large and varied, including researchers, educators, NGOs, utilities, insurance, legal, media, engineering, and the private sector, in addition to state, federal and tribal government, among others.

Through direct interaction and engagement, the HPRCC works with stakeholders to determine and develop appropriate climate information products and tools.
