DEAR CHAIRMAN ROBINS AND COUNCIL MEMBERS,

I just visited the Wildlife Conservation Society's Queens Zoo and learned about your efforts to proactively protect forage species such as false albacore, sand lance, and krill. Thank you for your work on this conservation-oriented action. Please do everything you can to protect these forage species, which are important sources of food for all the ocean animals I care about.

HERE IS A HAIKU ABOUT WHY I CARE ABOUT PROTECTING FORAGE SPECIES:

Please help save the fish

Animals need them to live

Nature needs our help
