

National Marine Recreational Bait and Tackle Store 2013 Gulf of Mexico Economic Survey

All answers are strictly confidential. Please report data for calendar year 2013 if available.

Survey Objective: This survey by NOAA Fisheries collects data on bait and tackle stores that service marine recreational anglers in order to better understand the potential economic impacts of recreational fisheries management actions.

Please see the cover letter accompanying this survey for more details on its purpose, and how the data you provide will be used. Participation in this survey is completely voluntary.

OMB Control No. 0648-0695. Expiration Date: 05/31/2017.

Paperwork Reduction Act Statement: Public reporting burden for this collection of information is estimated to average 30 minutes pre response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the regarding this burden estimate or any other suggestions for reducing this burden to: Rita Curtis, NOAA Fisheries Service, F/ST5, 1315 East-West Hwy., Silver Spring, MD 20910. This is a voluntary survey and responses are kept confidential as required by section 402(b) of the Magnuson-Stevens Act and NOAA Administrative Order 216-100, Confidentiality of Fisheries Statistics, and will not be released for public use except in aggregate statistical form without identification as to its source. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

- 1. Please check the category that best describes your retail business. (Check only one)
 - Bait and tackle specialty store (carries fishing-related equipment only)

MM

DD

- Sporting goods store (carries fishing-related equipment plus goods for other sports)
- General goods retailer that carries bait and tackle
- Hardware store that carries bait and tackle
- Convenience store that carries bait and tackle
- O Marina that carries bait and tackle
- 2. How many bait and tackle stores did your business own/operate in 2013 including the store selected for reporting as indicated in the cover letter accompanying this survey?

Number of stores
