E. ESTABLISHMENT OF A MASTER FILE FOR THE EXPORT OF LIVE ANIMALS BRED IN CAPTIVITY IN THE UNITED STATES (CITES)

This application allows you set up a Master File for exports of live animals bred in captivity under CITES. The Master File is valid for three years and is renewable. Once the Master File is approved you must obtain single-use permits, valid for 6 months, for each export (50 CFR 13.11).

Note 1: Species that are listed on pages 5 and 6 of this application are currently eligible for inclusion in a master file. This list contains species where it has been determined that specimens were born or hatched from parents mated in captivity in the **United States** qualify as Bred-in-Captivity in accordance with CITES Resolution Conf. 10.16 (Rev.) and are therefore eligible for issuance of certificates under the provisions of CITES Article VII, paragraph 5. If a species you are interested in including on a master file is not listed, you may either submit application form 3-200-24 or complete questions 6 through 10 of this application to request that specimens produced at your facility be considered Bred-in-Captivity. If it is determined that your specimens do not meet the criteria under Resolution Conf. 10.16 (Rev.), you may still be eligible to obtain individual export permits for the specimens.

Note 2: We may not be able to issue CITES documents for the commercial export of Appendix-I specimens, unless the specimens were produced at a commercial breeding operation that is registered with CITES Secretariat. For more information on registering commercial breeding operation for Appendix-I wildlife, contact the Division of Management Authority at 800-358-2104 or managementauthority@fws.gov.

I would like to:

___ **ESTABLISH A NEW MASTER FILE (Processing Fee = \$200)**

___ **RENEW AND/OR AMEND AN EXISTING MASTER FILE, # _____ (Processing Fee = \$100)**

How many single-use permits do you anticipate using in the next 6 months? _____

Provide \$5 for each 6-month permit. Additional permits may be requested by submitting form 3-200-74 (<http://www.fws.gov/international/permits/by-form-number/index.html>).

Please respond to each of the following questions and provide all information requested. Mark items that are not applicable with "N/A". If needed, use separate sheets of paper. Please indicate the question/item number you are addressing on all attachments or separate sheets you submit. If you are applying for multiple species, be sure to indicate which species you are addressing in each response.

Electronic submission of inventories, photographs, and receipts: Some applications contain extensive inventories and/or a large number of photographs or receipts. Electronic submission of these documents may assist in expediting the processing of your application. You may provide a disk containing the relevant information, or check here ___ if you would like to be contact to provide it via email.

1. For EACH wildlife species to be shipped, provide the following information:
 - a. Scientific name (genus, species, and, if applicable, subspecies);
 - b. Common name;
 - c. Typical description of specimens to be exported (e.g., hatchlings, sub-adults; typical size);
 - e. Estimated annual production of specimens;
 - f. Estimated annual export of specimens; and
 - g. Normal mortality rates at your facility.

2. Where are the specimens currently located? (e.g., physical address of facility including county).

Name:
Business Name:
Address:
Address:
City:
State/Province:
Postal Code, Country:

3. As the **Breeder**, sign (in ink) the following statement:

I hereby certify that the species listed above to be exported were bred and born/hatched from parental stock at my facility listed below. (Additional information on the parental stock may be requested upon receipt of your application).

Name and address of your facility where the animals were bred and born/hatched:

Name of facility/operation:

Street Address:

City, State, Zip Code:

Current location of parental stock:

Street Address:

City, State, Zip Code:

Signature _____ Date _____

4. If you are **NOT the breeder** of the specimen(s), provide copies of documentation showing that you acquired the Animal(s) from the breeder or documentation demonstrating the history of transactions (chain of ownership of each animal) and a **signed statement** from the breeder or breeder's record that includes:

- a. that the animal was bred and born/hatched at his/her facility;
- b. birth/hatch date, and, if applicable, band/tag number, or other identifiers;
- c. sex of each specimen he/she bred;
- d. location (Name, Street address, City, State) of Parental Stock;
- e. complete name and address of the breeder's facility.

5. Provide labeled photographs depicting the facilities for the specimens described in your application.

If the species you intend to export appears on the attached list, skip questions 6 – 10.

For species that are NOT included on the attached list: As stated above, in order to establish a master file, the species being proposed for export must be on the attached list (page 5 and 6). For species that are NOT included on the attached list, you can request that the species be approved for your facility by completing the questions 6 - 10:

6. Provide information about the breeding facility, including:
 - a. Property size;
 - b. Size and type of facility buildings (such as, food prep room and incubation facilities);
 - c. Size and type of cage or enclosure used to house juveniles, adults, hatchlings, as appropriate;
 - d. Are the cages or enclosures indoors or outdoors?
 - e. How many cages and enclosures does the facility provide?;
 - f. How is the location secured (i.e., fence, guard dog, electric wire, etc.) from both theft and natural disaster?
 - g. How are animals uniquely identified (pit tags, leg bands, notching, photos)?
7. Provide documentation that demonstrates that the founder stock was legally obtained in accordance to CITES and with foreign, State and local laws (all original stock used to produce the offspring even if now dead or no longer able to breed). Examples of documentation include CITES Permits, State Collecting Permits, receipts, or letters of affidavit from original breeder on how they obtained these animal, and receipts showing the chain of custody.
8. Provide any available documentation that the breeding stock was acquired in a manner that was not detrimental to the species. Examples of documentation include information on status of the species in the wild; the availability of the species in the domestic and international trade; and the ease/difficulty of breeding the species in captivity.
9. Provide evidence that applicant is able to consistently produced offspring of second or subsequent generations (F2 or greater) in a controlled environment, or that you are managing in a way that has been demonstrated to be capable of reliably producing second generation offspring and has produced first-generation offspring, including:
 - a. List of breeding stock that includes identification (name or number)of specimens, born/hatched date, location born/hatched, and sex;
 - b. Pedigrees of the breeding stock;
 - c. How long have you bred the species?
 - d. How many generations has the applicant produced (F1, F2, F3 etc....)?
 - e. How many breeding females and breeding males?
 - f. Has the applicant held back offspring produced to be parental stock? If so how many male and females?
 - g. What is the estimated annual production?
 - h. Average mortality rate/yr (juveniles and adults)?
 - i. What is the anticipated annual export amount?
10. What are your future plans for supplementing their breeding stock especially as it pertains to introducing new wild stock?
 - a. Will specimens be added either to prevent or alleviate deleterious inbreeding?
 - b. Is there captive stock available in the United States or elsewhere such that supplementation from the wild is not necessary?

All applicants complete the following:

11. The transport conditions for live animals must comply with the CITES Guidelines for Transport of Live Animals or, in the case of air transport, with the International Air Transport Association (**IATA**) live animal regulations (contact airline for information). As such, describe:
 - a. The type, size, and construction of any shipping container; and
 - b. The arrangements for watering or otherwise caring for the wildlife during transport.

12. Attach copies of any applicable **State permits or licenses**, such as commercial breeding or sales licenses (contact your State for information).
13. If the species is part of an approved WBCA Cooperative Breeding Program, identify the breeding operation and provide an explanation of how the specimen is surplus to the operation.
14. All international shipment(s) must be through a designated port. A list of designated ports (where an inspector is posted) is available from <http://www.fws.gov/le/designated-ports.html>. If you wish to use a port not listed, please contact the Office of Law Enforcement for a Designated Port Exemption Permit (form 3-200-2).
15. Name and address where you wish permit mailed, **if** different from page 1 (All permits will be mailed via the U.S. Postal Service, unless you identify an alternative means below):
16. If you wish the permit to be delivered by means other than USPS regular mail, provide an air bill, pre-paid envelope, or billing information. If you do not have a pre-paid envelope or air bill and wish to pay for a courier service with your credit card, please check the box below. Please **DO NOT** include credit card number or other information; you will be contacted for this information.
- If a permit is issued, please send it via a courier service to the address on page 1 or question 15. I understand that you will contact me for my credit card information once the application has been processed.
17. Who should we contact if we have questions about the application? (Include name, phone number, and email):
- 18. Disqualification Factor.** A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. [50 CFR 13.21(c)]. Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?
- ___ Yes ___ No If you answered “Yes” provide: a) the individual’s name, b) date of charge, c) charge(s), d) location of incident, e) court, and f) action taken for each violation.

APPLICATION FORM INSTRUCTIONS

The following instructions pertain to an U.S. Fish and Wildlife Service (FWS) permit applications. The General Permit Procedures in [50 CFR 13](#) address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

GENERAL INSTRUCTIONS:

- Complete all relevant questions in Sections A or B, C, D, and E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in **blue** ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the application or, if applicable, on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed, however, some applications may take longer than 90 days to process (50 CFR 13.11).**
- Applications are processed in the order they are received.

SECTION A OR SECTION B:

Section A. **Complete if applying as an individual [do not complete this section if applying for Import/Export License (3-200-3)]:**

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. **Fax and e-mail, while helpful in processing, are not required.**
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing **power of attorney** must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, organizational, Tribe, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) and the Office of Law Enforcement (OLE) do **not** accept *doing business as* affiliations for individuals (complete Section B).

Section B. **Complete if applying as a business, corporation, public agency, Tribe, or institution:**

- Enter the complete name of the business, agency, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business. If you are applying on behalf of a client, a document evidencing power of attorney must be included with the application.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, Tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) and Office of Law Enforcement (OLE), a physical U.S. address is **required**. Province and Country blocks are provided for those USFWS programs that use foreign addresses and are not required by DMA.
- **Mailing address** is the address to which communications from USFWS should be mailed if different from applicant's physical address.

ALL APPLICANTS COMPLETE SECTION D:

Section D.1 **Application processing fee:**

- An application processing fee is required at the time of application, unless exempted under 50 CFR 13. The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit, nor will fees be refunded for applications for which processing has begun.**
- **Documentation of fee exempt status is not required for applications submitted by Federal, Tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Such applications must include a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

Section D.2 **Federal Fish and Wildlife permits:**

- List the number(s) of your most recent issued USFWS permit. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

Section D.3 **CERTIFICATION:**

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature legally binds the applicant to the statement of certification. You are certifying that you have read and understand the regulations that apply to the permit. You are also certifying that all information included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

APPLICATION FOR A FEDERAL FISH AND WILDLIFE PERMIT
Paperwork Reduction Act, Privacy Act, and Freedom of Information Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised:

1. The gathering of information on fish and wildlife is authorized by:
(Authorizing statutes can be found at: <http://www.gpoaccess.gov/cfr/index.html> and <http://www.fws.gov/permits/ltr/ltr.html> .)
 - a. Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22;
 - b. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), 50CFR 17;
 - c. Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21;
 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et. seq.*), 50 CFR 18;
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15;
 - f. Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16;
 - g. Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), <http://www.cites.org/> , 50 CFR 23;
 - h. General Provisions, 50 CFR 10;
 - i. General Permit Procedures, 50 CFR 13; and
 - j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.
 3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
 4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
 - a. Routine disclosure to subject matter experts, and Federal, Tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. Routine disclosure to Federal, Tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. Routine disclosure to Federal, Tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
 - g. Routine disclosure to the appropriate Federal, Tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. Routine disclosure to the Government Accountability Office or Congress when the information is required for the evaluation of the permit programs.
 - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
 5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
 6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Application to Establish a Master File for the Export of Live Captive-bred Animals application is 1 hour. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 2042-PDM, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].
