CITATION:

GENERAL INSTRUCTIONS:

- Innovation Award nominations may be submitted via this form or directly inputted into the Innovation Awards portal at:
 - <https://portal.secnav.navy.mil/cop/nin/2015Awards/>
- If the Submitter uses this nomination form, they should ensure that each answer is completed.

NOTES:

- All entries should be written in sentence case (DO NOT USE UPPERCASE)
 - Submissions that exceed the word limit in Part II will not be accepted.
 - Supplementary material may be submitted with the nomination form, but is not required.
- The Submitter may forward the form to an Endorser, but it is not required.
 - The Submitter/Endorser then emails the completed form and any applicable supplementary material to DON_Innovation@navy.mil with “Innovation Awards Submission – Robotics/Autonomous Systems” as the subject. A Quick Link is provided below:
 - [Robotics/Autonomous Systems](#)
 - Questions may be submitted to DON_Innovation@navy.mil.
 - FAQs will be posted on the Innovation Awards portal and the DON Innovation website:
 - <http://www.secnav.navy.mil/innovation/pages/awards.aspx>
 - The Verifier may be contacted to provide additional information, to include (but not limited to) the Innovation Merit and Operational Impact.
