Appendix - Outreach Training Program Report – Maritime Industry

[THIS PAGE INTENTIONALLY LEFT BLANK]

- **I. Trainer Requirements.** Requirements for Maritime Industry trainers authorized through the Occupational Safety and Health Administration (OSHA) Outreach Training Program are contained in the following two documents:
 - **A. Outreach Training Program Requirements.** This covers the requirements for OSHA authorized trainers in all Outreach Training Programs.
 - **B.** Outreach Training Program Maritime Industry Procedures.

II. Maritime Industry Summary

- **A. Program Purpose.** The Occupational Safety and Health Administration (OSHA) Outreach Training Program for Maritime Industry teaches maritime industry workers about their rights, employer responsibilities, and how to file a complaint as well as how to identify, abate, avoid and prevent job related hazards.
- **B. Voluntary Program**. This training program is voluntary. It does not meet training requirements in any OSHA standard. Even though some jurisdictions, employers, and unions require Maritime Industry outreach training to work on maritime sites and to fulfill their safety training goals, OSHA still considers the program voluntary. Workers must receive additional training on hazards specific to their job. To review OSHA's training requirements, see OSHA Publication #2254, *Training Requirements in OSHA Standards and Training Guidelines* (www.osha.gov/Publications/osha2254.pdf).
- C. Maritime Industry Procedures. These procedures provide instructions for authorized maritime industry outreach trainers. The procedures are designed to ensure consistency of classes and that students receive the best possible training. The Outreach Training Program Requirements cover the requirements for all OSHA authorized trainers in every Outreach Training Program.

III. Trainer Status

- **A. Becoming an Authorized Maritime Industry Trainer.** To become an authorized trainer, a person must meet the following two prerequisites:
 - **1.** Two years maritime industry experience.
 - **2.** At least one of the following:
 - a) two years of occupational safety and health experience (with a broad focus) in any industry;
 - **b**) a degree in occupational safety and health from an accredited college or university; or
 - c) certification as an Associate Safety Professional (ASP), Certified Safety Professional (CSP), or Certified Industrial Hygienist (CIH), Certified Marine Chemist (CMC), or Certified Safety Health Manager (CSHM).

OSHA does not issue waivers for these prerequisites. After satisfying the prerequisites, a person must complete course #5400 *Trainer Course in Occupational Safety and Health Standards for the Maritime Industry*. This course includes knowledge and performance-based tests. Trainers must pass both of these tests to become an authorized trainer.

- B. Update Requirement. To stay current on relevant OSHA matters, authorized Maritime Industry outreach trainers are required to attend OSHA course #5402 *Update for Maritime Industry Outreach Trainers* every four years. The OSHA #5400 course may also be used to maintain a trainer's authorized status. If a trainer's authorization has expired, the trainer has a 90-day grace period after their expiration date to take OSHA #5402. The 90-day grace period is designed to allow for unexpected circumstances like course cancellations, illness, and other unavoidable obligations such as jury duty. After the grace period, a trainer's authorization may only be reinstated by retaking OSHA #5400. If a trainer's authorization has expired, they will be unable to conduct outreach training and receive student completion cards.
- C. Course Offerings. The trainer courses are offered exclusively at the OTI Education Centers. Each OTI Education Center posts its course offerings, schedule, and locations on their individual website. For a complete list of all OTI Education Centers, see www.osha.gov/dte/edcenters/current_list.html.
- **IV. Student Courses.** Student course completion cards expire in five years. To retain a valid 10- or 30-hour card, students are required to take a student update course within the five year period.

A. 10-Hour

- 1) Course #7615, Shipyard Employment, including ship repairing, shipbuilding, shipbreaking
- 2) Course #7617, Marine Terminals
- 3) Course #7618, Longshoring

B. 30-Hour

- 1) Course #7635, Shipyard Employment, including ship repairing, shipbuilding, shipbreaking
- 2) Course #7637, Marine Terminals
- 3) Course #7638, Longshoring

V. Maritime Industry Procedures.

This section contains information on the procedures for conducting maritime industry outreach training classes. Trainers are responsible for understanding these procedures when planning and conducting their maritime industry outreach classes.

A. 10-Hour Maritime Industry – Designated Training Topics.

1. This training program is intended to provide entry level maritime industry workers information about their rights, employer responsibilities, and how to file a complaint as well as how to identify, abate, avoid and prevent job related hazards on a job site. The training is to be tailored to the type of work involved shipyard, marine terminals or longshoring. Training should emphasize hazard identification, avoidance, control and prevention, not OSHA standards.

Instructional time must be a minimum of 10 hours. The minimum topic requirements are as follows:

- 2. Mandatory 4 hours (**Applies to all c**ourses #7615, #7617, and #7618)
 - a) Introduction to OSHA 2 hours.
 - (1) OSHA has required training content for this module see www.osha.gov/dte/outreach/construction_generalindustry/teaching aids.html.
 - (2) Covers workers' rights, employer responsibilities and how to file a complaint. It includes helpful worker safety and health resources. It also provides samples of a weekly fatality and catastrophe report, material data safety sheet and the OSHA Log of Work-Related Injuries and Illnesses.
 - (3) Materials include an Instructor Guide, PowerPoint slides, student handouts, and participatory activities.
 - b) Walking and Working Surfaces 1 hour.
 - c) Personal Protective Equipment 1 hour.
- 3. Mandatory 4 hours (**Applies only to c**ourse #7615)
 - a) Fall Protection / Scaffolding 1 hour.
 - b) Electrical 1 hour.
 - c) Confined and Enclosed Spaces 1 hour.
 - d) Fire Protection 1 hour.
- 4. Elective (#7615 1 hour, #7617 and #7618 4 hours). For courses #7617 and #7618, choose at least two of these topics. The minimum length of any topic is one-half hour.
 - a) Hazard Communications / Hazardous Materials
 - **b)** Lockout / Tagout
 - c) Respiratory Protection
 - **d)** Elective **only for** #7617 and #7618
 - (1) Fall Protection
 - (2) Electrical
 - (3) Confined and Enclosed Spaces
 - (4) Fire Protection
- 5. Optional (#7615 1 hour, #7617 and #7618 2 hours). The minimum length of any topic is one-half hour.
 - a) Hot Work Welding, Burning & Cutting
 - b) Material Handling

- c) Bloodborne Pathogens (Exposure Plan, Universal Precautions, Spills and Decontamination)
- d) Machine Guarding
- **e) Ergonomics and Proper Lifting Techniques** (repetitive motion and muscle strains)
- **f)** Additional Coverage on mandatory or elective topics or on any other Maritime industry standards or policies
- B. 30-Hour Maritime Industry Outreach Training Program Designated Training Topics. The 30-hour Maritime Industry Outreach Training Program is intended to provide a variety of training to workers with some safety responsibility. Training should emphasize hazard identification, avoidance, control and prevention, not OSHA standards. Instructional time must be a minimum of 30 hours. The topic requirements are as follows:
 - 1. Mandatory 8 hours
 - a) Introduction to OSHA 2 Hours. See above 10-hour section for additional information.
 - **Managing Safety and Health 2 hours.** May include Injury and Illness Prevention Programs, job site inspections, accident prevention programs, management commitment and employee involvement, worksite analysis, hazard prevention and control, accident investigations, how to conduct safety meetings, and supervisory communication.
 - c) Walking and Working Surfaces, including fall protection 2 hours.
 - d) Personal Protective Equipment (PPE) 2 hours.
 - 2. Mandatory 8 hours (Applies only to course #7615)
 - a) Fall Protection / Scaffolding 2 hours
 - b) Electrical 2 hours
 - c) Confined and Enclosed Spaces 2 hours
 - d) Fire Protection 2 hours
 - 3. Elective (#7615 2 hours, #7617 and #7618 8 hours). For courses #7617 and #7618, choose at least two of these topics. The minimum length of any topic is one-half hour.
 - a) Hazard Communications / Hazardous Materials
 - b) Lockout / Tagout
 - c) Respiratory Protection
 - d) Elective only for #7617 and #7618
 - (1) Fall Protection
 - (2) Electrical
 - (3) Confined and Enclosed Spaces

(4) Fire Protection

- 4. Optional (#7615 12 hours, #7617 and #7618 14 hours). The minimum length of any topic is one-half hour.
 - a) Hot Work Welding, Burning & Cutting
 - b) Material Handling
 - **c) Bloodborne Pathogens** (Exposure Plan, Universal Precautions, Spills and Decontamination)
 - d) Machine Guarding
 - e) Ergonomics and Proper Lifting Techniques (repetitive motion and muscle strains)
 - **f)** Additional Coverage on mandatory or elective topics or on any other Maritime industry standards or policies
- **C.** Reporting Training Classes.
 - 1. Outreach Training Program Report Maritime Industry (*See* Appendix)
 - a) Instructions for completing the Outreach Training Program Report Maritime Industry are included on the form.
 - **b)** When planning and reporting the class, ensure coverage of the required topics.
 - 2. Outreach Training Program Requirements. See the Outreach Training Program Requirements, section VII, How to Obtain Student Completion Cards, for information on documenting training to receive student completion cards.
- VI. Maritime Industry and Training Websites. The following sites are referenced to help trainers prepare and conduct outreach training classes
 - A. OSHA Assistance for the Maritime Industry www.osha.gov/dts/maritime/index.html
 - **B.** Maritime Guidance Documents www.osha.gov/dts/maritime/standards/guidance_documents.html
 - C. Shipyard Employment eTool www.osha.gov/SLTC/etools/shipyard/index.html
 - **D.** Examining Fatal Shipyard Accidents video www.osha.gov/dts/maritime/video/shipyard_accidents.html
 - E. OSHA eTools electronic products for compliance assistance www.osha.gov/dts/osta/oshasoft/index.html#eTools
 - F. Industry-Specific Resources www.osha.gov/dcsp/compliance_assistance/industry.html
 - G. OSHA eTools electronic products for compliance assistance www.osha.gov/dts/osta/oshasoft/index.html#eTools
 - **H. OSHA Publications.** OSHA has many helpful publications, forms, posters, and fact sheets. See www.osha.gov/pls/publications/pubindex.list. Publications may also be available from the nearest OSHA Area or Regional Office. A few key examples:

- 1. Maritime Shipbreaking Fact Sheet
- 2. Marine Terminal Fall Protection for Personnel Platforms Fact Sheet
- 3. Shipyard Industry Standards, OSHA 2268.
- 4. Longshoring Industry, OSHA 2232.
- 5. Safe Work Practices for Shipbreaking, OSHA 3375.
- 6. Traffic Safety In Marine Terminals, OSHA 3337.

Privacy Act Statement and Paperwork Reduction Act Statement

The Privacy Act of 1974 as amended (5 U.S.C. 552a), section 901 of Title 30 to the US Code and 20 CFR 725.504 - 513 authorize collection of this information. The purpose of this information is to determine whether the trainer is authorized and whether the training was properly completed. Completion of this form is not mandatory, however, this information is required to obtain OSHA student course completion cards. Additional disclosures of this information are not required.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain OSHA student course completion cards as stated in OSHA's Outreach Training Program guidelines. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Occupational Safety and Health Administration, Directorate of Standards and Guidance, 200 Constitution Avenue, NW, Room N3718, Washington, DC 20210 and reference the OMB Control Number. Note: Please do not return the completed OSHA Form 4-50.3 to this address.

OUTREACH TRAINING PROGRAM REPORT

FORM APPROVED OMB NO. 1218-0262 Expiration: 10/31/2013

Instructions for Outreach Trainer

The Outreach Training Program is the Occupational Safety and Health Administration's (OSHA) voluntary orientation training program aimed at workers. It provides workers with information about OSHA and provides an overview of job hazards. Trainers authorized through the OSHA Outreach Training Program must conduct outreach training classes in accordance with the current Outreach Training Program Guidelines issued by the Directorate of Training and Education (DTE). The Outreach Training Program Guidelines can be found online at the OSHA.gov website under Training, OSHA Outreach Training Program.

Item 1 Trainer Name

List your full name. When completing student course completion cards, print or type your name on each card to ensure it is legible.

Item 2 ID No.

This applies only to trainers who have already received student cards. New trainers do not have an ID number. ID numbers are issued to trainers after their initial course is documented. If this is your first class, or if you have updated your trainer status, include a copy of your trainer card.

Item 3 Recent Trainer Course

Indicate the most recent applicable course number you have completed.

Item 4 Expiration Date

Enter your trainer expiration date as listed on the bottom right of your Authorized Outreach Trainer card.

Item 5 <u>Authorizing Training Organization</u>

List the name of the OSHA Training Institute (OTI) Education Center responsible for your last trainer or update course, or indicate if your training was completed at the OSHA Training Institute.

Item 6 Trainer Address

Provide an address where to send the cards. The address you provide should ensure that the cards are sent directly to you. If you have an ID number and there are no address changes, you are not required to fill in this section.

Item 7 <u>Course Conducted</u>

Place an "x" in the appropriate box. A separate report must be completed for each course completed.

Item 8 Course Information (check all that apply)

Place an "x" next to all the information that applies to the majority of this course.

Item 9 No. of Students

Indicate the number of students who completed the course. Note: If you held a class that contained more or less students than allowed by OSHA policy, include a copy of the prior approval received from your authorizing training organization.

Item 10 Training Site Address

Provide the address, city, state, and country where the course was conducted.

Item 11 Type of Training Site

Place an "x" next to the type of site where the training was held. If none of the choices apply, specify the type of training site.

Item 12 <u>Course Duration</u>

Enter the start date, end date, start time, and end time of the course.

Item 13 Sponsoring Organization

Place an "x" in the box to indicate the sponsor of the training, if applicable. If you had a sponsor, but that type of organization is not a choice, check "Other" and specify the type of sponsoring group or organization.

Item 14 Statement of Certification

The authorized trainer must sign the statement of certification to verify that the class was conducted in accordance with OSHA's guidelines and attest to the accuracy of the documentation submitted. If requesting cards electronically, the trainer must place an "x" in the box or affix a signature.

Item 15 Topic Outline

Complete the applicable 10- or 30-hour topic outline. You must complete this part of the form.

Item 16 Student Names

List the first and last name of each student who completed the entire course. Ensure the names are legible. Your course records must include sign-in sheets for each day and a copy of each completed card.
