GENERAL INSTRUCTIONS

I. General Eligibility Requirements for Use of Form F-80

- A. Form F-80 may be used for registration under the Securities Act of 1933 (“Securities Act”) of securities to be issued in an exchange offer or in connection with a statutory amalgamation, merger, arrangement or other reorganization requiring the vote of shareholders of the participating companies (a “business combination”). Securities may be registered on this Form whether they constitute the sole consideration for such exchange offer or business combination, or are offered in conjunction with cash.
- B. This Form shall not be used for registration of securities if no takeover bid circular or issuer bid circular (in the case of an exchange offer) or information circular (in the case of a business combination) is prepared pursuant to the requirements of any Canadian jurisdiction due to the availability of an exemption from such requirements.
- C. This Form may not be used for registration of derivative securities except:
- (1) warrants, options and rights, provided that such securities and the underlying securities to which they relate are issued by the Registrant, its parent or an affiliate of either; and
 - (2) convertible securities, provided that such securities are convertible only into securities of the Registrant, its parent or an affiliate of either.
- Instruction:* For purposes of this Form, an “affiliate” of a person is anyone who beneficially owns, directly or indirectly, or exercises control or direction over, more than 10 percent of the outstanding equity shares of such person. The determination of a person’s affiliates shall be made as of the end of such person’s most recently completed fiscal year.
- D. This Form shall not be used if the Registrant or, in the case of an exchange offer, the issuer of the securities to be exchanged (the “subject securities”) for securities of the Registrant is an investment company registered or required to be registered under the Investment Company Act of 1940.

II. Eligibility Requirements for Exchange Offers

- B. In the case of an exchange offer, the securities to be registered on this Form shall be offered to U.S. holders upon terms and conditions not less favorable than those offered to any other holder of the same class of subject securities.

IV. Application of General Rules and Regulations

- A. The rules comprising Regulation C under the Securities Act shall not apply to filings on this Form unless specifically referred to in the Form. Instead, the rules and regulations applicable in the home jurisdiction regarding the form and method of preparation of disclosure documents shall apply to filings on this Form. Securities Act rules and regulations other than Regulation C shall apply to filings on this Form unless specifically excluded in this Form.
- B. Rule 408 under the Securities Act, which provides that in addition to the information expressly required to be included in the registration statement, there shall be added such further material information, if any, as may be necessary to make the required statements, in light of the circumstances under which they are made, not misleading, shall apply to filings on this Form.
- C. A registrant must file the registration statement in electronic format via the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232). For assistance with technical questions about EDGAR or to request an access code, call the EDGAR Filer Support Office at (202) 942-8900. For assistance with the EDGAR rules, call the Office of EDGAR and Information Analysis at (202) 942-2940.

If filing the registration statement in paper under a hardship exemption in Rule 201 or 202 of Regulation S-T (17 CFR 232.201 or 232.202), or as otherwise permitted, a registrant must file with the Commission at its principal office five copies of the complete registration statement and any amendments, including exhibits and all other documents filed as a part of the registration statement or amendment. The registrant must bind, staple or otherwise compile each copy in one or more parts without stiff covers. The registrant must further bind the registration statement or amendment on the side or stitching margin in a manner that leaves the reading matter legible. The registrant must provide three additional copies of the registration statement or amendment without exhibits to the Commission.

- D. Any amendment to a registration statement on this Form shall be filed under cover of an appropriate facing sheet, shall be numbered consecutively in the order in which filed, and shall indicate on the facing sheet the applicable registration form on which the amendment is prepared and the file number of the registration statement.

If, however, an amendment to the home jurisdiction document(s) is filed after effectiveness of this registration statement that increases the number of securities that may be sold, in lieu of filing a post-effective amendment hereto, a new registration statement shall be filed on this Form. As provided in Rule 429, the prospectus included in the new registration statement shall be deemed to include a prospectus covering unsold securities registered previously. If this is the case, the following legend shall appear at the bottom of the facing page of the registration statement: "Pursuant to Rule 429 under the Securities Act, the prospectus contained in this registration statement relates to registration statement[s] 33-[insert file numbers of previous registration statements]."

A registrant filing in paper must have at least one copy of the registration statement or amendment signed in accordance with Securities Act Rule 402(e) (17 CFR 230.402(e)) by the persons whose signatures are required for this registration statement. A registrant must also conform the unsigned copies.
- F. At the time of filing this registration statement, the Registrant shall pay to the Commission in accordance with Rule 111 under the Securities Act, a fee in U.S. dollars in the amount prescribed by Section 6 of the Securities Act. The amount of securities to be registered on this Form need not exceed the amount to be offered in the United States as part of the offering.

- G. In the case of an exchange offer, the registration fee is to be calculated as follows:
- (1) Upon the basis of the market value of the securities that may be received by the Registrant or cancelled in the exchange offer from United States residents as established by the price of securities of the same class, as determined in accordance with paragraph (4) of this section.
 - (2) If there is no market for the securities that may be received by the Registrant or cancelled in the exchange offer, the book value of such securities computed as of the latest practicable date prior to the date of filing the registration statement shall be used, unless the issuer of such securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.
 - (3) If any cash may be received by the Registrant from United States residents in connection with the exchange offer, the amount thereof shall be added to the value of the securities to be received by the Registrant or cancelled as computed in accordance with paragraph (1) or (2) of this section. If any cash is to be paid by the Registrant in connection with the exchange offer, the amount thereof shall be deducted from the value of the securities to be received by the Registrant in exchange as computed in accordance with paragraph (1) or (2) of this section.
 - (4) For purposes of the registration fee, the market value of the securities received or cancelled shall be the average of the high and low prices reported or the average of the bid and asked prices of such stock, in the principal market for such stock as of a date within 30 days prior to the date of filing.
- H. In the case of a business combination, the registration fee is to be calculated as follows:
- (1) Upon the basis of the market value of the equity securities of the predecessor companies held by United States residents being offered the Registrant's securities, as established by the price of the predecessors' securities of the same class determined in accordance with paragraph (4) of this section.
 - (2) If there is no market for the securities of the predecessor companies, the book value of such securities computed as of the latest practicable date prior to the date of filing the registration statement shall be used, unless the issuer of such securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.
 - (3) If any cash may be received by the Registrant from United States residents in connection with the business combination, the amount thereof shall be added to the value of the securities as computed in accordance with paragraph (1) or (2) of this section. If any cash is to be paid by the Registrant in connection with the business combination, the amount thereof shall be deducted from the value of the securities as computed in accordance with paragraph (1) or (2) of this section.
 - (4) For purposes of the registration fee, the market value of a predecessor's equity securities shall be the average of the high and low prices reported or the average of the bid and asked prices of such securities, in the principal market for such securities as of a date within 30 days prior to the date of filing.
- I. A registrant must file the registration statement or amendment in electronic format in the English language in accordance with Regulation S-T Rule 306 (17 CFR 232.306). A registrant may file part of the prospectus or exhibit or other attachment to the registration statement or amendment in both French and English if it included the French text to comply with the requirements of the Canadian securities administrator or other Canadian authority and, for an electronic filing, if the filing is an HTML document, as defined in Regulation S-T Rule 11 (17 CFR 232.11). For both an electronic filing and a paper filing, a registrant may provide an English translation or English summary of a foreign language document as an exhibit or other attachment to the registration statement or amendment as permitted by the rules of the applicable Canadian securities administrator.
- J. A paper filer must number sequentially one signed original of the registration statement or amendment (in addition to any internal numbering that otherwise may be present) by handwritten, typed, printed or other legible form of notation from the first page through the last page of the registration statement or amendment, including any exhibits or attachments. A paper filer must disclose the total number of pages on the first page of the sequentially numbered registration statement or amendment.

- K. Where the offering registered on this Form is being made pursuant to the home jurisdiction's shelf procedures or procedures for pricing offerings after the final receipt has been issued, three copies of each supplement to, or supplemented version of, the home jurisdiction disclosure document(s) prepared under such procedures shall be filed with the Commission within one business day after such supplement or supplemented version is filed with any Canadian jurisdiction. Such filings shall be deemed not to constitute amendments to this registration statement. Each such filing shall contain in the upper right corner of the cover page the following legend, which may be set forth in longhand if legible: "Filed pursuant to General Instruction IV.K. of Form F-80; File No. 33-[insert number of the registration statement]."

Note: Offerings registered on this Form, whether or not made contemporaneously in Canada, may be made pursuant to National Policy Statement No. 44 shelf procedures and procedures for pricing offerings after the final receipt has been issued. Rules 415 and 430A under the Securities Act are not available for offerings registered on this Form.

V. Compliance with Exchange Act and Auditor Independence and Reporting Requirements

- A. Pursuant to Rule 12h-4 under the Exchange Act, a Registrant shall be exempt from reporting obligations under Section 15(d) of the Exchange Act if such reporting obligation would have arisen solely from registration of securities on this Form. Registrants' attention is directed, however, towards other provisions of the Exchange Act that may be applicable, and specifically to the provisions of Sections 12(b) and 12(g) of the Exchange Act and Rules 10b-6, 10b-7 and 10b-13 under the Exchange Act. [See Exchange Act Release No. 29355 (June 21, 1991) containing exemptions from Rules 10b-6 and 10b-13.]
- B. The Commission's rules on auditor independence, as codified in Section 600 of the Codification of Financial Reporting Policies, apply to auditor reports on all financial statements that are included in this registration statement, except that such rules do not apply with respect to periods prior to the most recent fiscal year for which financial statements are included in the registration statement under the Securities Act filed by the issuer on Form F-8, Form F-10, or Form F-80 or under the Exchange Act filed by the issuer on Form 40-F. Notwithstanding the exception in the previous sentence, such rules do apply with respect to any periods prior to the most recent fiscal year if the issuer previously was required to file with the Commission a report or registration statement containing an audit report on financial statements for such prior periods as to which the Commission's rules on auditor independence applied.
- C. Independent accountants reporting on financial statements included in the registration statement should consider Canadian auditing guidelines pertaining to the Canada-U.S. reporting conflict with respect to contingencies and going concern considerations. If additional comments for U.S. readers are appropriate under those guidelines but are not included in the prospectus itself, those comments should be included with the legends required by Item 2 of Part I hereof. In addition, the accountant's consent specifically should refer to any additional comments provided for U.S. readers.
- D. Pursuant to Rule 13e-4(g) under the Exchange Act, the provisions of Rule 13e-4 are not applicable, and pursuant to Rule 14d-1(b) under the Exchange Act, the provisions of Sections 14(d)(1) through 14(d)(7) of the Exchange Act, Regulation 14D under the Exchange Act and Schedule 14D-1 thereunder, and Rule 14e-1 under Regulation 14E, are not applicable to a transaction involving offerings of securities that may be registered on this Form in connection with exchange offers, *provided that*, if an exemption has been granted from the requirements of Canadian federal, provincial and/or territorial laws, regulations or policies, and the tender offer does not comply with requirements that otherwise would be required by Commission tender offer rules, the Registrant shall comply with such provisions of the Exchange Act. Such transaction is not exempt from the antifraud provisions of Section 10(b), 13(e) or 14(e) of the Exchange Act or Rule 10b-5, 13e-4(b)(1) or 14e-3 thereunder, if the transaction otherwise is subject to those sections.

The prospectus used in the United States shall contain additional information and legends required by this Form. Notwithstanding the foregoing, such prospectus used in the United States need not contain any disclosure applicable solely to Canadian offerees or purchasers that would not be material to offerees or purchasers in the United States, including, without limitation, (i) any Canadian “red herring” legend; (ii) any discussion of Canadian tax considerations other than those material to U.S. offerees or purchasers; (iii) the names of any Canadian underwriters not acting as underwriters in the United States or a description of the Canadian plan of distribution (except to the extent necessary to describe the material facts of the U.S. plan of distribution); (iv) any description of offerees’ or purchasers’ statutory rights under applicable Canadian, provincial or territorial securities legislation (except to the extent such rights are available to U.S. offerees or purchasers); or (v) certificates of the issuer or any underwriter.

Item 2 Informational Legends

The following legends, to the extent applicable, shall appear on the outside front cover page of the prospectus (or on a sticker thereto) in bold-face roman type at least as high as ten-point modern type and at least two points leaded:

“This offering is made by a foreign issuer that is permitted, under a multijurisdictional disclosure system adopted by the United States, to prepare this prospectus in accordance with the disclosure requirements of its home country. Prospective investors should be aware that such requirements are different from those of the United States. The financial statements included or incorporated herein, if any, have been prepared in accordance with foreign generally accepted accounting principles, and may be subject to foreign auditing and auditor independence standards, and, thus, may not be comparable to financial statements of United States companies.”

“Prospective investors should be aware that acquisition of the securities described herein may have tax consequences both in the United States and in the home country of the Registrant. Such consequences for investors who are resident in, or citizens of, the United States may not be described fully herein.”

“The enforcement by investors of civil liabilities under the federal securities laws may be affected adversely by the fact that the Registrant is incorporated or organized under the laws of a foreign country, that some or all of its officers and directors may be residents of a foreign country, that some or all of the underwriters or experts named in the registration statement may be residents of a foreign country, and that all or a substantial portion of the assets of the Registrant and said persons may be located outside the United States.”

“THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION NOR HAS THE COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.”

The following legend shall appear in the manner noted above in any prospectus relating to an exchange offer:

“Prospective investors should be aware that, during the period of the exchange offer, the Registrant or its affiliates, directly or indirectly, may bid for or make purchases of the securities to be distributed or to be exchanged, or certain related securities, as permitted by applicable laws or regulations of Canada or its provinces or territories.”

The Registrant should also include in the prospectus any legend or information required by the laws of any jurisdiction in which the securities are to be offered.

Note to Item 2. If the home-jurisdiction document(s) are delivered through an electronic medium, the issuer may satisfy the legibility requirements for the required legends relating to type size and font by presenting the legends in any manner reasonably calculated to draw investor attention to it.

Item 3 Incorporation of Certain Information by Reference

Any such incorporation by reference shall be done in accordance with Rule 24 of the Commission’s Rules of Practice. If any information is incorporated by reference into the prospectus, the prospectus shall provide the name, address and telephone number of an officer of the Registrant from whom copies of such information may be obtained upon request without charge.
