

1 “Board”). Any person wishing to become a Sector member must submit an application no later  
2 than sixty (60) days prior to the annual deadline by which Sector applications must be  
3 submitted to NMFS. Sector membership shall be effective upon admission of a member by the  
4 Board and acceptance by execution by such member of the Sector’s Membership Agreement.  
5 Subject to the automatic renewal provisions of Section 12 below, and the disciplinary expulsion  
6 provisions of Section 13 below, Sector membership shall expire at the conclusion of each fishing  
7 year, unless renewed by the Board in accordance with the Sector’s Bylaws and this Agreement.  
8 The Sector’s members (the “Members”), such Members’ “Limited Access Multispecies Permit”  
9 (LA MS) as identified by its “Moratorium Rights Identifier” (MRI), and the vessels that will  
10 harvest the Sector’s Amendment 16 allocations are identified on the attached **Exhibit A**, which  
11 may be amended from time to time in accordance with this Agreement and the Sector’s Bylaws.

12           2.1 Rule of Three Requirement: : Amendment 16 to the NE multispecies FMP  
13 defines a sector as a group of three or more persons, none of whom have an ownership interest  
14 in the other two persons in the sector. This criterion has been fulfilled with permit # 150583  
15 under the distinct ownership of Thomas Lyons, permit # 146669 under the distinct ownership of  
16 Richard Anderson, and permit # 144049 under the distinct ownership of Jayson Driscoll.

17           3. Member and Vessel Permits. The attached **Exhibit B** is provided in accordance with  
18 the requirements of Amendment 16 that all state and federal permits held by Members or  
19 assigned to Members’ vessels be disclosed in each sector’s annual operations plan.

20           4. Sector Allocation and Exemptions. Each Member shall take all actions and execute all  
21 documents necessary to obtain the Sector’s Amendment 16 annual catch entitlement (“ACE”).  
22 The Sector shall request all universal exemptions granted to sectors under Amendment 16 and  
23 relating multispecies implementing regulations; and any special exemptions the Board deems  
24 appropriate. The special exemptions initially requested by the Sector are identified on the  
25 “Harvesting Rules” attached hereto as **Exhibit C**.

26           5. Distribution of Sector ACE. Each Member acknowledges that the Sector’s ACE is  
27 composed of allocations for each species of Northeast multispecies groundfish allocated by  
28 Amendment 16 (each such species being an “Allocated Species”). Subject to the terms and

1 conditions of this Agreement, each Member shall be entitled to harvest or transfer an amount  
2 of the Sector's ACE for each Allocated Species proportionate to the amount of ACE for such  
3 species that the Sector receives as a result of such Member's membership in the Sector. The  
4 amount of Sector ACE a Member may harvest or transfer, as adjusted by transfers and Sector  
5 retainages including but not limited to the Reserve, made in accordance with this Agreement,  
6 is referred to hereafter as a Member's "Harvest Share". Each Member may harvest or transfer  
7 its Harvest Share only under the terms and conditions of this Agreement and in compliance  
8 with the restrictions imposed by the Manager (as defined below), the Enforcement Committee  
9 (as defined below) and the Board in accordance with this Agreement. Any other attempted  
10 harvest or transfer of a Member's Harvest Share shall be a breach of this Agreement.

11       6. Sector Manager and Registered Agent. The Board shall from time to time appoint a  
12 person to act as the Sector's authorized agent in all NMFS and New England Fishery  
13 Management Council matters (the "Manager"), and a person to serve as the registered agent  
14 for receiving service of process on behalf of the Sector (the "Registered Agent"). The  
15 procedures for appointing the Manager and the Registered Agent shall be as provided in the  
16 Sector's Bylaws, as the same may be amended from time to time. The Manager and the  
17 Registered Agent may be the same person. The Manager shall be responsible for preparing and  
18 filing all reports required of the Sector under Amendment 16 and the related implementing  
19 regulations. Joshua Wiersma will serve as the registered agent for receiving service of process  
20 on behalf of the Sector and as the NEFS XI Sector Manager.

21       6.1 Communication with Sector. The Manager is the primary point of contact  
22 for all communications on behalf of the Sector and all communications regarding NEFS XI  
23 should be directed accordingly. However, in limited situations, where NMFS has reason to  
24 communicate with the Board of Directors of NEFS XI, rather than its Manager, or in addition to  
25 the Manager, the communication should be in writing and sent in hard copy to all Board  
26 members. After the Board has had an opportunity to discuss the issue as needed, a written  
27 reply, electronic or by post, will be provided from the President, of NEFS XI; with the entire  
28 Board being carbon copied on such communication. In the event communication with the

1 Board of NEFS XI is necessary, the following link should be utilized to ensure that the  
2 communication is directed to the current Board.

4 7. Consolidation Plan. The Sector's ACE shall be harvested in accordance with the terms  
5 and conditions of this Section 7.

6 7.1 Harvest Share Reserve. Each Member acknowledges that under NMFS  
7 regulations, the Members' aggregate harvest of the Sector's ACE may not exceed the Sector's  
8 ACE allocation, as adjusted by transfers of ACE between the Sector and other sectors. Each  
9 Member further acknowledges that under NMFS regulations, each Member may be held jointly  
10 liable for fines, penalties and forfeitures related to the Sector's ACE being overharvested. Each  
11 Member therefore authorizes the Manager to annually establish a reserve of each Allocated  
12 Species in the amount the Manager deems necessary to insure the Sector's ACE is not over-  
13 harvested (the "Reserve"). The Reserve for each Allocated Species shall be established by  
14 assessing the Members' Harvest Shares for such Allocated Species on a pro rata basis, according  
15 to their Harvest Share percentages for each such species. The amount of each Member's  
16 Harvest Share available for harvest or transfer shall be net of the amount assessed for the  
17 Reserve. The Reserve shall be managed under a "Deemed Value System" ("DVS") by the  
18 Manager in accordance with the terms and conditions adopted by the Board from time to time.  
19 If the Board requires that Members pay for distributions from the Reserve, the DVS payments  
20 received by the Sector shall be distributed to the Members after the close of fishing for the year  
21 on a pro rata basis, such that each Member receives a share of the total amount paid for  
22 distributions of each Allocated Species from the Reserve proportionate to the amount of such  
23 Allocated Species each Member contributed to the Reserve.

24 7.2 Harvest Share Use. Only Members that notify the Manager in writing on or  
25 before March 15, 2011 (the "Notification Date"), and on or before succeeding Notification  
26 Dates established by the Board for FY 2011 and thereafter of their intention to harvest Sector  
27 ACE ("Active Members") may harvest Sector ACE. Each Member's notice that such Member  
28 intends to harvest Sector ACE shall identify the vessels which will be used for such harvest.

1 Non-active Members shall not harvest Sector ACE, including without limitation, their own  
2 Harvest Share. No Active Member shall harvest an amount of Sector ACE in excess of their  
3 Harvest Share. Harvest of each Member's Harvest Share shall be subject to all NMFS and other  
4 management regulations generally applicable to the Sector's ACE (including but not limited to  
5 seasonal apportionments and area harvest restrictions) on a discreet, individual basis; i.e., no  
6 greater percentage of each Member's Harvest Share may be harvested in any season or area  
7 than the percentage of the related Sector ACE allocation permitted to be harvested in such  
8 season or area. The Manager may impose and enforce additional restrictions on each Active  
9 Member's harvest of Sector ACE authorized by this Agreement or adopted by the Board.

10                               7.2.1 Non-Active Members. The Members acknowledge that Active  
11 Members are assuming certain costs and risks associated with harvesting the Sector's ACE on  
12 behalf of the non-Active Members, and that the Active Members are making certain financial  
13 contributions to the Sector that are not made by non-Active Members. Obligations assumed by  
14 Active Members that are not imposed on non-Active Members include, but are not limited to  
15 payments of the initial Membership Fee, and paying Network and Sector fees in connection  
16 with landings of catch harvested under the Sector's ACE. In consideration for the Active  
17 Members assuming these costs, risks and fee obligations, each non-Active Member shall:

18                               (a) Not fishing in ACE-accountable fisheries;

19                               (b) Participate only as a transferor with regards to transfer of such member's  
20 Harvest Share within the sector. However, a Non-Active member may act as a transferee  
21 through an Inter-Sector transfer of ACE provided the transaction results in a net increase of this  
22 Sector's ACE.

23                               (c) Not have access to information on Fishtrax, or other Sector specific tools,  
24 other than the information necessary to track the balance of such Member's Harvest Share, and  
25 specifically, shall not have access to Harvest Share Offers or Permit Offers posted on behalf of  
26 Members;

1 (d) Not have the rights of first offer on Sector Harvest Share and the related  
2 Sector ACE extended to Active Members, which may be adopted or amended from time to time  
3 by the Board under Section 7.3, and shall not have a right of first refusal on Permits extended to  
4 Active Members, which may be adopted or amended from time to time by the Board under  
5 Section 15;

6 (e) Pay Sector Operating Fees on the net amount of Sector ACE transferred out  
7 of the Sector by such Member, and pay the Network Fee on the net amount of Sector ACE  
8 transferred out of the NEFS Sectors by such Member.

9

10 7.3 Harvest Share Transfer. Subject to the terms and conditions of this  
11 Agreement, each Member may transfer some or all of such Member's Harvest Share to one or  
12 more other Members on such terms and conditions as the transferor Member and the  
13 transferee Member(s) may agree. No transfer of a Member's Harvest Share shall become  
14 effective until the Manager has received actual notice of such transfer. No Member may  
15 transfer any portion of such Member's Harvest Share to any person other than another Sector  
16 Member unless the Board first authorizes such transfer in writing. Any such transfer shall be  
17 subject to such terms and conditions as the Board may adopt from time to time, including by  
18 not limited to establishment of procedures to implement Right of First Offer (the "ROFO").  
19 Right of First Offer, that is extended in accordance with the terms and conditions established  
20 by the Board shall be in favor of first, the Active Members of NEFS XI, second, the Active  
21 Members of the other Northeast Fishery Sectors, and third other interested parties. Without  
22 limiting the foregoing, the Sector Board of Directors may condition, review, approve and  
23 restrict transfers of Harvest Shares to non-Members as it deems necessary to promote the  
24 harvest of the Sector's entire ACE allocation and ensure that the Sector's management and  
25 administrative costs can be recouped through reasonable Sector membership fees established  
26 by the Board.

27 7.4 Harvesting Rules and Fishing Plan. The Board may from time to time adopt  
28 such restrictions on harvest of the Sector's ACE as the Board deems necessary to ensure the

1 Sector’s compliance with Amendment 16 and related implementing regulations (such  
2 restrictions referred to hereafter as “Harvesting Rules”). The Harvesting Rules are set forth on  
3 **Exhibit C**. . Each Active Member shall conduct their harvest of the Sector’s ACE in strict  
4 compliance with the Harvesting Rules. Each Member shall exercise their best efforts to ensure  
5 such Member’s Harvest Share is harvested in accordance with the Harvesting Rules. The  
6 Manager shall annually develop a Sector fishing plan (the “Fishing Plan”), that promotes harvest  
7 of the Sector’s ACE **in accordance with the Harvesting Rules** and shall make the Fishing Plan  
8 available to Active Members prior to the commencement of the fishing season.

9

10           7.5 Re-direction Of Effort. The Members anticipate their level of participation in  
11 other state and federal fisheries for which they are licensed shall remain consistent with previous levels  
12 of participation, though preliminary communication with current Sector Members indicates a possibility  
13 exists that a limited number of vessels may switch fishing effort into the fisheries listed below.  
14 Pursuant to the requirements of Amendment 16, the Sector shall report all Members fishing activity  
15 known to it as part of the annual report.

- 16           • Fishery: Monkfish Gear: Gillnet
- 17           • Fishery: Dogfish Gear: Gillnet
- 18           • Fishery: Skates Gear: Gillnet
- 19           • Fishery: Herring Gear: Gillnet, otter trawl
- 20           • Fishery: Whiting Gear: Gillnet, otter trawl
- 21           • Fishery Squid Gear: otter trawl
- 22           • Fishery: Lobster Gear: trap

23

24           7.6 Sector Vessel Interactions with Allocated Species in Non-Amendment 16  
25 Fisheries. NMFS will account for Member harvests of Allocated Species as harvests of the  
26 Sector’s ACE, regardless of whether such harvests are made during directed groundfish fishing  
27 trips or during other fishing trips, unless the Allocated Species harvest is managed under  
28 another management plan or as a sub-component annual catch limit (“ACL”) of Amendment 16  
29 Allocated Species. Each Active Member shall report every fishing trip by such Member to the

1 Manager prior to sailing, for determination whether the related Allocated Species harvest must  
2 be accounted for to NMFS as harvest of the Sector's ACE.

3           7.7 Consolidation and Redistribution of ACE: Scientific recommendations and  
4 new Magnuson requirements will influence the level of consolidation that will take place in the  
5 groundfish fishery. The Sector members intend to utilize sector management to mitigate  
6 excessive consolidation that may occur in the effort controlled system where overall  
7 management measures are based upon the weakest stocks.

8           In FY 2010, 45 % of the permits enrolled in the NEFS XI for FY 2011 are attached to  
9 vessels actively fishing for NE multispecies. For FY 2011, the NEFS XI sector has 46 permits  
10 currently enrolled. Of those 46 permits, 45% are anticipated to actively fish for NE multispecies  
11 in FY 2011. While these numbers may change, the NEFS XI sector expects that, compared to FY  
12 2010, there would be no change from the consolidation that previously occurred within the  
13 sector during FY 2010. The member permits that are not attached to active NE multispecies  
14 vessels in FY 2011 are the same permits that leased out their PSC in FY 2010. In most cases, a  
15 member who owns multiple permits fished the ACE of all those permits on a single hull and will  
16 now continue to fish the ACE contributed by all those permits on the same single hull, resulting  
17 in no additional consolidation.

18           8. Release of Catch Data. Pursuant to section 402(b)(1)(F) of the Magnuson-Stevens  
19 Fishery Conservation and Management Act, 16 U.S.C §1881a(b)(1)(F), the undersigned hereby  
20 authorizes the release to the XI, Northeast Fishery Sector Inc., of information that is considered  
21 to be confidential or privileged by the Magnuson-Stevens Act or other federal law regarding the  
22 catch of various species of fish associated with the limited access Northeast multispecies permit  
23 with the Moratorium Right Identifiers (MRIs) listed above submitted to the National Marine  
24 Fisheries Service in compliance with 50 CFR 648.7 and §648.87 that the undersigned has  
25 authority to access. This information includes data required to be submitted or collected by  
26 NMFS, including but not limited to days-at-sea allocation and usage, vessel trip reports, dealer  
27 reports, Northeast Fishery Observer Program data, catch and landings history data, Sector

1 dockside and at-sea monitoring data, enforcement data, and all other information associated  
2 with the vessel, MRI #, and/or permit records.

3 9. Catch Monitoring and Reporting. Each Active Member shall comply with all catch  
4 monitoring and reporting requirements established by the Manager, which may include but are  
5 not limited to maintaining and filing copies of accurate catch logs, carrying fishery observers,  
6 installing and operating electronic vessel and catch monitoring equipment, delivering fish only  
7 at pre-approved dockside landing stations at pre-approved times, and completing and filing  
8 accurate delivery reports on a timely basis. Without limiting the foregoing, each Active  
9 Member shall submit on a timely basis all catch information as required by and necessary for  
10 the Manager to complete and file the Sector's weekly reports. Each Active Member's harvest  
11 of Sector ACE shall be calculated and tabulated in accordance with the catch accounting  
12 measures established by NMFS with respect to the Sector's ACE. Absent manifest error, the  
13 catch and delivery information produced by the Manager shall be presumed accurate, and  
14 absent manifest error, each Member's obligations under this Agreement and all related  
15 documents may be enforced to their fullest extent on the basis of such information.

16 10. Breach and Remedies for Breach. The benefits associated with Sector membership  
17 will only accrue to the Members if each of them strictly complies with this Agreement. Each  
18 Member will make significant operational and financial commitments based on this Agreement,  
19 and any Member's failure to fulfill any of its obligations under this Agreement could have  
20 significant adverse consequences for some or all other Members. Any failure by a Member to  
21 fulfill any of its obligations under this Agreement shall constitute a breach of this Agreement.  
22 Each Member shall be bound by the procedures set forth in this Section for determining  
23 whether a Member has breached this Agreement. The Sector shall be entitled to the remedies  
24 set forth in this Section if a Member is determined by the Sector to have breached this  
25 Agreement. Each Member shall take all actions and execute all documents the Manager deems  
26 necessary or convenient to give effect to the provisions of this Section.

27 10.1 Liquidated Damages Schedule and Schedule Amendments. The loss, costs  
28 and damages which may be suffered or incurred by Members as the result of any Member

1 harvesting Sector ACE in excess of the amount such Member is authorized to harvest under this  
2 Agreement, or otherwise breaching this Agreement, will be difficult to calculate. The loss, costs  
3 and damages the Members and the Sector could suffer as the result of a Member harvesting  
4 more Sector ACE than its Harvest Share, or otherwise breaching this Agreement, are likely to  
5 substantially exceed the market value of the excess harvest. Consequently, the Sector may  
6 impose and assess upon any breaching Member the liquidated damages amounts as  
7 established under Section 10.3, below.

8           10.2 Enforcement Committee. Not less than one hundred twenty (120) days  
9 prior to each annual Northeast multispecies groundfish season opening date (the “Season  
10 Opening Date”), the Manager shall call a meeting of the Board to appoint the Enforcement  
11 Committee for the upcoming year, and to address any other matters of Sector business  
12 properly before the Board. The Board shall meet for those purposes not less than ninety (90)  
13 days prior to the Season Opening Date, and at such meeting shall appoint an Enforcement  
14 Committee composed of five (5) persons. If the Board fails to do so, the Manager shall appoint  
15 the Enforcement Committee. The Enforcement Committee shall assist the Manager in setting  
16 and updating the liquidated damages amounts for breaches of this Agreement and shall hear  
17 and decide Members’ appeals of the Manager’s contract breach determinations and liquidated  
18 damages assessments.

19           10.3 Liquidated Damages Base Value and Multiplier Adoption. Not less than  
20 sixty (60) days prior to each annual Season Opening Date, the Manager shall establish the  
21 market value of an unprocessed pound of each Allocated Species (each such value being a  
22 “Base Value”), and transmit such Base Values to the Enforcement Committee. In establishing  
23 such Base Values, the Manager may take into account both the direct costs and the opportunity  
24 costs associated with an over-harvest of the relevant species. Not less than thirty (30) days  
25 prior to each annual Season Opening Date, the Enforcement Committee, in consultation with  
26 the Manager, shall adopt Base Values and Base Value multipliers, and the liquidated damages  
27 amounts for breaches of this Agreement other than over-harvest of a Member’s Harvest Share,  
28 which shall be based on the Enforcement Committee’s estimate of the losses that the Sector

1 and its Members could be expected to suffer as a result of such breaches. Because the  
2 damages suffered by one or more other Sector Members as the result of a Member harvesting  
3 an amount of Sector ACE in excess of its Harvest Share are likely to substantially exceed the  
4 market value of the excess harvest, the Base Value multipliers shall not be less than three (3).  
5 Upon the Enforcement Committee's adoption of Base Values and Base Value multipliers, such  
6 Base Values and Base Value multipliers will be the basis for calculation of damages for  
7 unreconciled Harvest Share overages.

8           10.4 Liquidated Damages Calculation. The liquidated damages amount for each  
9 pound by which a Member's harvest of an Allocated Species exceeds such Member's Harvest  
10 Share for such species shall be the relevant Base Value, multiplied by the relevant liquidated  
11 damages multiplier. The liquidated damages amounts for breaches of this Agreement, other  
12 than over-harvest of a Member's Harvest Share shall be as provided on **Exhibit D.**

13           10.5 Notice to Vessel Masters; Assumption of Liability. Each vessel harvesting a  
14 Member's Harvest Share, or participating in a fishery that may require utilization of a Member's  
15 Harvest Share (i.e., non-exempt monkfish), will be under the day-to-day command of the  
16 vessel's master who will to a significant degree have control over whether the vessel is  
17 operated in compliance with this Agreement. Each Member shall ensure that the master(s) of  
18 the vessel(s) harvesting such Member's Harvest Share are aware of the terms and conditions of  
19 this Agreement governing the harvest of such Member's Harvest Share, including without  
20 limitation the Harvesting Rules, and shall have confirmed their agreement to abide by such  
21 terms in writing. Each Member assumes all liability under this Agreement arising out of or  
22 related to the actions of the master(s) operating such Member's vessel(s).

23           10.6 Liquidated Damages Security. The Board may require that a Member that  
24 has two (2) or more NMFS fishing regulation violations, or which has breached this Agreement  
25 or another sector's operations plan on two (2) or more occasions, post a bond or obtain a letter  
26 of credit securing such Member's payment and performance obligations under this Agreement  
27 in such amounts as the Board deems appropriate, or may require such Member to personally

1 guaranty, and/or have other Members or third parties personally guaranty, such Member's  
2 payment and performance obligations under this Agreement.

3           10.7 Manager Action in Response to Apparent Breach. The Manager shall  
4 monitor the Members' compliance with the terms and conditions of this Agreement. If the  
5 Manager becomes aware of an apparent breach of this Agreement by a Member, the Manager  
6 shall investigate the matter, and if the Manager concludes that a Member has breached this  
7 Agreement, the Manager shall notify such Member of the apparent breach and (if such breach  
8 is reasonably susceptible of cure) provide such Member with an opportunity to cure the breach.  
9 If such Member fails to demonstrate to the Manager, in the Manager's sole and absolute  
10 discretion, that no breach occurred, or to cure the breach within the time period directed by  
11 the Manager, taking into account the magnitude of the breach and the potential consequences  
12 of the breach for the Sector and the other Members, the Manager shall notify the Member in  
13 writing that the Manager is referring the alleged breach to the Enforcement Committee, and  
14 shall notify the Enforcement Committee in writing of the alleged breach and the proposed  
15 liquidated damages. Pursuant to Section 14, below, if during the investigation, notice and cure  
16 period described above, the Manager concludes it is necessary for the protection of the  
17 interests of the Sector and its Members, the Manager may issue a "Stop Fishing Order" to the  
18 Member in apparent breach, and if such Member fails to cause the vessels harvesting its  
19 Harvest Share to immediately stop fishing, the sector manager may take any action he/she  
20 deems necessary including without limitation, self help or court action which may include the  
21 seeking of injunctive relief.

22           10.8 Member Appeals. A Member receiving notice of an alleged breach and  
23 proposed liquidated damages shall have five (5) days from the date that the Member receives  
24 the notice to request an appeal hearing before the Enforcement Committee. If a Member fails  
25 to request a hearing within such 5-day appeal period, the Member's right of appeal shall expire,  
26 the Member shall be deemed to have breached this Agreement in accordance with the  
27 Manager's determination, and the Member shall be obligated to pay the related liquidated  
28 damages. If a Member timely requests an appeal hearing, the Manager shall consult with the

1 Enforcement Committee and schedule an Enforcement Committee meeting for that purpose.  
2 The Enforcement Committee shall make reasonable efforts to schedule the meeting at a time  
3 and place such that the Member requesting the appeal is able to attend, and shall provide the  
4 Member with at least thirty (30) days advance written notice of the time and place of the  
5 meeting. At such meeting, the Enforcement Committee shall provide the Manager with an  
6 opportunity to present evidence of the apparent breach, and shall provide the Member in  
7 apparent breach with a reasonable opportunity to rebut such evidence. Per Section 9, above,  
8 the catch and delivery data produced by the Manager shall be presumed accurate, and, absent  
9 manifest error, each Member's obligations under this Agreement and all related documents  
10 may be enforced to their fullest extent on the basis of such data. If the Enforcement  
11 Committee determines that a Member breached this Agreement, the Sector shall have the right  
12 to collect from such Member the liquidated damages amount provided for such breach under  
13 this Agreement.

14           10.9 Voluntary Compliance. In connection with breaches of this Agreement for  
15 which a Member is liable to the Sector or other Sector Members for liquidated damages, the  
16 Sector shall provide the breaching Member fifteen (15) days prior notice of its intent to exercise  
17 its rights of collection, during which period the Member may propose an alternative method of  
18 compensating the Sector and other Sector Members for the damages suffered as the result of  
19 such Member's breach. The Enforcement Committee may approve or disapprove any  
20 alternative form of compensation in its sole discretion, provided that if the breach at issue is an  
21 overharvest of a Member's Harvest Share, there shall be no liquidated damages imposed if the  
22 Member in breach obtains sufficient Harvest Share from other Members to offset the  
23 overharvest, and tenders conclusive evidence to that effect to the Enforcement Committee.  
24 Such Member shall nevertheless remain liable for the costs and fees incurred by the Sector in  
25 connection with the alleged breach, and the Sector shall be entitled to collect such costs and  
26 fees if such Member fails to pay the same within ten (10) days of receiving the Sector's demand  
27 for payment.

1                   10.10 Liquidated Damages Collection and Related Expenses. If a Member fails to  
2 resolve a breach of this Agreement through voluntary compliance measures approved by the  
3 Enforcement Committee and performed by such Member on a timely basis, the Member in  
4 breach shall pay the liquidated damages amount assessed by the Sector within ten (10) days of  
5 the end of the voluntary compliance period described in Section 10.9, above. Liquidated  
6 damages amounts not paid when due shall accrue interest at a rate of interest equal to the  
7 prime rate of interest announced by Bank of America, or such other bank as the Board may  
8 select from time to time, as of the last day of the voluntary compliance period plus twelve  
9 percent (12%). If a Member fails to pay the liquidated damages amount assessed by the  
10 Enforcement Committee with interest within thirty (30) days of the end of the voluntary  
11 compliance period described in Section 10.9, above, the Sector may pursue legal action to  
12 collect the liquidated damages. In addition, in connection with Member breaches resulting  
13 from an over-harvest of a Member's Harvest Share, the Sector (acting through the Enforcement  
14 Committee) may take possession of an amount of the Member in breach's Harvest Share for  
15 the overharvested species for the year in which the contract breach occurred and, if necessary,  
16 in subsequent years, in a total amount equal to three (3) times the amount of such over-  
17 harvest, provided that the amount of a Member's liability to the Sector for over-harvest shall be  
18 reduced proportionately to the extent that the Sector does so. In addition to liquidated  
19 damages, the Sector shall be entitled to all fees, costs and expenses, including attorney's fees,  
20 actually incurred by the Sector in connection with any action to collect liquidated damages from  
21 a Member in breach of this Agreement, whether or not the Sector prevails in such action.

22                   10.11 Consequential Damages for Gross Negligence or Willful Misconduct. In  
23 addition to the liquidated damages imposed under this Section 10, each Member shall be liable  
24 for consequential damages in connection with a breach of this Agreement resulting from the  
25 Member's gross negligence or willful misconduct. Each Active Member shall be liable for the  
26 consequential damages arising out of or related to the gross negligence or willful misconduct of  
27 the captain operating such Active Member's vessel(s).

1                   10.12 Distribution of Damages. Where a Member’s breach causes one or more  
2 other Members to harvest less than their Harvest Share, damages awarded to the Sector under  
3 this provision shall first be distributed *pro rata* among the Members whose harvest was  
4 reduced, with each Member receiving a fraction of such funds, the numerator of which is the  
5 amount by which such Member’s catch was less than such Member’s allocation or  
6 apportionment, and the denominator of which is the sum of the aggregate amount of by which  
7 all Members’ allocations or apportionments were reduced as a result of the breach, up to the  
8 amount of loss suffered by each such Member as the result of the breach. Any damages  
9 awarded to the Sector in excess of those distributed to other Members under this Section, and  
10 any damages awarded in connection with a breach which does not cause any other Member’s  
11 allocation or apportionment to be reduced, shall be retained by the Sector and applied to the  
12 costs of Sector operations.

13                   11. Joint Liability and Indemnification. Each Member acknowledges that the Sector’s  
14 Members may be held jointly liable for ACE overages, discarding of legal-sized fish and  
15 misreporting of catch landings or discards. Further, each Member acknowledges that should a  
16 hard total allowable catch (“TAC”) allocated to the Sector be exceeded in a given fishing year,  
17 the Sector’s allocation will be reduced by the overage in the following fishing year, and the  
18 Sector, each vessel participating in the Sector and each vessel operator and/or vessel owner  
19 participating in the Sector may be charged, as a result of said overages, jointly and severally for  
20 civil penalties and permit sanctions pursuant to 15 C.F.R. Part 904, and that if the Sector  
21 exceeds its TAC in more than one (1) fishing year, the Sector’s ACE may be permanently  
22 reduced or the Sector’s authorization to operate may be withdrawn.

23 In consideration of the foregoing, each Active Member agrees to indemnify, defend and hold  
24 the Sector and all other Members harmless from and against all liabilities, claims, fines,  
25 penalties and forfeitures of any nature whatsoever arising out of or related to any breach of  
26 this Agreement related to such Active Member’s harvest of Sector ACE, and each Member  
27 agrees to indemnify, defend and hold the Sector and the other Members harmless from and  
28 against all liabilities, claims, fines, penalties and forfeitures of any nature whatsoever arising

1 out of or related to such Member's breach of this Agreement. Each Member's indemnification  
2 obligation under this Section 11 is separate from and in addition to each Member's liquidated  
3 damages and consequential damages obligations under Section 10, above. Each Member  
4 authorizes the Board to require that a Member's obligations under this Section 11 be secured  
5 by a surety.

6       12. Membership Termination. No Member may terminate its membership in the Sector  
7 other than in accordance with this Section 12. A Member that has agreed to join the Sector  
8 prior to the Effective Date may withdraw from Sector membership prior to the Effective Date  
9 without penalty or prejudice. Thereafter, only a Member that is not in breach of this  
10 Agreement and that has no outstanding Sector performance or payment obligations may  
11 terminate its membership in the Sector, and may do so only in compliance with the terms and  
12 conditions of this Section 12. Notwithstanding the foregoing, the Board may terminate the  
13 membership of a Member in breach of its payment or performance obligations under this  
14 Agreement, as the Board deems appropriate in its sole discretion.

15 Subject to the provisions of this Section 12 regarding withdrawal prior to the Effective Date,  
16 above, a Member that is eligible to terminate such Member's Sector membership may do so  
17 only by providing written notice to that effect to all other Members on or before July 1, or such  
18 date as the Board may from time to time establish for that purpose (the "Termination Date")  
19 each year. A Member that fails to provide such notice by the Termination Date shall be  
20 deemed to have automatically renewed its Sector membership for the following year, and all  
21 other Members shall be entitled to act in reliance on such renewal accordingly. If any Member  
22 provides a membership termination notice by the Termination Date, each of the other  
23 Members shall have ten (10) days from the date they receive such notice to terminate their  
24 membership as well, notwithstanding the Termination Date notice deadline. Termination of  
25 membership in the Sector shall be effective as of the final day of the current fishing year.

26 If a Member is in breach of this Agreement or has outstanding Sector payment or performance  
27 obligations as of the Termination Date, unless the Board takes action to terminate such  
28 Member's membership, such Member's membership shall be deemed renewed for the

1 following year, notwithstanding any notice of withdrawal such Member may give, and the  
2 Sector shall have the authority to file an application for a Sector allocation including such  
3 Member as a Member of the Sector. Each Member hereby grants the Sector a power-of-  
4 attorney, coupled with an interest, for such purposes, and authorizes each of the Sector's  
5 officers to take any and all actions and execute any and all documents necessary or convenient  
6 to give effect to this provision.

7 Termination of membership shall not relieve a person or entity of any obligations under this  
8 Agreement related to the period during which such person or entity was a Member, including  
9 but not limited to liquidated damages obligations for breach of this Agreement, consequential  
10 damages obligations for breaches resulting from acts of gross negligence or willful misconduct,  
11 or indemnification obligations related to such person or entity's actions as a Member.

12 13. Expulsion. A Member may be expelled from the Sector at any time for: (i) a  
13 knowing, willful breach of this Agreement; (ii) any alleged breach of this Agreement that is  
14 either not appealed pursuant to Section 10.8, or is upheld by the Enforcement Committee after  
15 being appealed, and which such Member fails to cure through voluntary compliance approved  
16 by the Enforcement Committee pursuant to Section 10.9, or by paying liquidated damages in  
17 accordance with Section 10.10; (iii) perpetrating a fishery regulation violation that exposes  
18 Sector Members to joint liability for such violation. A Member shall be immediately and  
19 automatically expelled from the Sector if such Member ceases to be eligible to participate in  
20 the Sector or if such Member engages in conduct that exposes the Sector or other Sector  
21 Members to antitrust or unfair trade practice liability. As of the date of expulsion, the expelled  
22 Member shall lose all rights to harvest any portion of the Sector's ACE unless the expelled  
23 Member is re-admitted. Expulsion shall not relieve a Member of the obligation to pay fees that  
24 were levied prior to the date of expulsion, or to pay liquidated damages and costs and fees  
25 related to an action or omission by the expelled Member that preceded the date of expulsion.  
26 The Sector shall notify NMFS immediately upon a Sector Member's expulsion; by electronic  
27 email, followed by posted mail.

1           14. Stop Fishing Order; Injunctive Relief. Sector members may be held jointly and  
2 severally liable if (a) a Sector exceeds its ACE, (b) a Sector member discards legal-sized fish, or  
3 (c) a Sector member misreports landings or discards. If a Sector exceeds its ACE in a given  
4 fishing year, the Sector's allocation may be reduced by the overage in the following fishing year,  
5 and the Sector, each vessel, and vessel operator and/or vessel owner participating in the Sector  
6 may be jointly and severally liable for civil penalties and permit sanctions pursuant to 15 C.F.R.  
7 Part 904 in connection with such overage. In addition, if a Sector exceeds its ACE in more than  
8 one (1) fishing year, NMFS may permanently reduce the Sector's ACE or withdraw the Sector's  
9 authorization to operate.

10 The Sector will exceed its ACE only if one or more members overharvest their Harvest Share, as  
11 (subject to the provisions of Section 7.1, above) the Sector's ACE, less the Reserve, is fully  
12 distributed to the Members as their Harvest Shares. A Member's overharvest of its Harvest  
13 Share would be a breach of this Agreement for which a Member would be liable for damages.  
14 Because each incident of ACE overharvest would constitute a separate violation of the  
15 Amendment 16 regulations, and because each such incident would be treated as a prior  
16 violation by NMFS for purposes of determining appropriate fines, penalties and forfeitures in  
17 connection with a subsequent violation, the damages suffered by the Sector as a result of an  
18 overharvest by one or more Members that resulted in the Sector overharvesting its ACE would  
19 be consequential and irreparable.

20 In consideration of these circumstances, and in consideration for the Sector waiving its right to  
21 require each Member to obtain a security bond or pledge collateral to secure its obligation to  
22 the Sector to limit its harvest of Sector ACE to such Member's Harvest Share, which  
23 consideration each Member agrees it has received and is sufficient, the Members hereby agree  
24 as follows.

25           14.1 The Sector, acting through the Manager, has the authority to issue to any  
26 Member that the Manager determines is in breach a Stop Fishing Order, and upon such  
27 issuance, such Member shall immediately cause all vessels harvesting its Harvest Share to cease  
28 doing so, and such Member shall not permit the vessels harvesting its Harvest Share to resume

1 doing so unless and until the Manager rescinds the Stop Fishing Order. Each Member hereby  
2 releases the Sector, all other Members and the Manager from any and all liability of any nature  
3 whatsoever, including but not limited to both contractual and tort liability, for any direct or  
4 indirect, incidental or consequential losses or damages that a Member may suffer as a result of  
5 complying with a Stop Fishing Order.

6 14.2 If any vessel(s) harvesting a Members' Harvest Share does not immediately  
7 comply with a Stop Fishing Order in accordance with its terms, the Sector may exercise  
8 remedies of self help and take any and all other action as the Sector determines necessary to  
9 enforce the Stop Fishing Order and this Agreement, including injunctive relief. In seeking  
10 injunctive relief, the Sector Manager's burden of proof (if any) shall be satisfied by A.)  
11 production of a copy of the Stop Fishing Order and B.) evidence that the vessel continued to  
12 fish thereafter.

13 The Member shall be liable to the Sector for all losses, costs, damages, fees and expenses  
14 incurred by the Sector in connection with enforcement, including but not limited to, the costs  
15 of obtaining any bond the Sector may be required to post, whether or not the Sector prevails.

16

17 15. Permit Transfer/Sale. A Member may transfer a Permit to a party other than a  
18 Member, subject to a Right of First Refusal (the "ROFR"), which may be adopted or amended  
19 from time to time by the Board. Right of First Refusal, that is extended in accordance with the  
20 terms and conditions established by the Board shall be in favor of first, the Active Members,  
21 second, the Active Members of the other Northeast Fishery Sectors, and third other interested  
22 parties. No Member may transfer such Member's "LA MS" permit or "MRI" permit to a person  
23 who is not an Member unless such person assumes all of the transferring Member's obligations  
24 under this Agreement as of the effective date of such transfer. A person other than a Member  
25 who receives a Member's "LA MS" permit or "MRI" permit from a Member in accordance with  
26 this Section 15 (a "Transferee") shall only be eligible to participate in the Sector for the balance  
27 of the fishing year during which the transfer occurs, and thereafter may only remain a Sector

1 Member if such Transferee applies for and is admitted to Sector membership in accordance  
2 with Section 2, above.

3 15.1 The Transferee shall be deemed a Non-Active Member of the Sector,  
4 with no rights to harvest any Sector ACE, including but not limited to the ACE allocated to the  
5 Sector in connection with the assets acquired under the Permit Offer. A Transferee wishing to  
6 acquire Active Member status during the fishing year in which the permit transfer occurred,  
7 must submit a written request to the Board for consideration. The Board will have the  
8 authority to approve, conditionally approve or deny such request.

9 16. Release and Waiver of All Claims Against Sector Manager; Indemnification and Hold  
10 Harmless. Each Member acknowledges that the effectiveness of this Agreement depends on  
11 the Manager exercising reasonable independent business judgment in good faith in reviewing  
12 and approving or disapproving Members' fishing plans, monitoring harvest of the Sector's ACE,  
13 and enforcing the terms and conditions of this Agreement. Each Member hereby waives and  
14 releases any and all claims against the Manager arising out of or relating to Manager's  
15 performance under this Agreement, other than those arising solely from the gross negligence  
16 or willful misconduct by the Manager, as conclusively determined by a court of final and  
17 competent jurisdiction. The Sector and the Members agree to jointly and severally indemnify,  
18 defend and hold the Manager harmless from and against any third party claims, damages, fines,  
19 penalties and liabilities of any kind whatsoever asserted against the Manager in connection  
20 with the Manager's performance under this Agreement, other than those arising out of gross  
21 negligence or willful misconduct by the Manager.

22 17. Sector Membership Fees. At least thirty (30) days prior to the Effective Date, and at  
23 least thirty (30) days prior to each annual Termination Date thereafter, the Board shall notify  
24 the Members in writing of the amount of Sector membership fees that the Board has adopted  
25 for the upcoming year of Sector operations.

26 18. Binding Arbitration. Each Member and the Sector agree to exercise their best good  
27 faith commercially reasonable efforts to resolve any disputes arising under this Agreement

1 through direct negotiations. Breaches of this Agreement which are not resolved through direct  
2 negotiation shall be submitted to binding arbitration upon the request of any party at interest.  
3 Any person nominated as an arbitrator hereunder by any person shall be a person of mature,  
4 sound and reasonable business judgment and experience and either have (a) held a federal  
5 fishing master license for at least ten (10) years, or (b) been an attorney at law practicing in the  
6 area of fisheries for at least ten (10) years.

7 The party's written request for arbitration shall include the name of the arbitrator selected by  
8 the party requesting arbitration. The respondent party shall have ten (10) days to provide  
9 written notice of the name of the arbitrator it has selected, if any. If the other party timely  
10 selects a second arbitrator, the two arbitrators will jointly select a third arbitrator within ten  
11 (10) days. If the other party does not timely select the second arbitrator, there shall be only the  
12 one arbitrator. The single arbitrator or the three (3) arbitrators so selected will schedule the  
13 arbitration hearing as soon as possible thereafter. Any arbitrator must have no material ties to  
14 the Sector or any Member. The decision of the arbitrator (or in the case of a three (3)  
15 arbitrator panel, the decision of the majority) will be final and binding. The arbitration will be  
16 conducted under the rules of (but not by) the American Arbitration Association. The parties will  
17 be entitled to limited discovery as determined by the arbitrator(s) in his, her or their sole  
18 discretion. All costs of arbitration shall be borne by the party requesting the same. Each party  
19 shall bear its own costs of preparation and presentation, unless, in the case of the Sector, the  
20 Board determines to assess such costs to the applicable Member, which costs shall be  
21 immediately due and payable. In no event will arbitration be available pursuant to this  
22 paragraph after the date when commencement of such legal or equitable proceedings based on  
23 such claim, dispute, or other matter in question would be barred by an applicable statute of  
24 limitations.

25 The final decision of the Arbitrators shall not be subject to review or appeal by any other  
26 person, including any court, with the exception of NMFS in its oversight role for the purposes of  
27 statutory and regulatory compliance and consistency. Any right to any such appeal is hereby  
28 irrevocably waived and relinquished. Such final decision shall bind the parties and shall not

1 require any further action of enforcement or collection once docketed with the records of the  
2 Sector. In breach by any Member of performance thereof, the Manager may *sua* sponte and  
3 without any notice or hearing issue a Stop Fishing Order or an Order of Expulsion respecting  
4 such Member in breach.

5 The Sector shall, without limiting the foregoing rights and procedure, also have the right to  
6 enforce any decision against any Member in breach by an action for specific performance,  
7 declaratory relief, *lis pendens* or any other action in a court of law having jurisdiction of the  
8 parties, it being understood and agreed that the Federal court for the District of Massachusetts  
9 and the Massachusetts Superior Court for the County where the registered office of the Sector  
10 is located shall be deemed to have such jurisdiction

11 19. No Collective Marketing. The Members acknowledge that the Sector has not been  
12 formed or qualified as a collective marketing association. The Members therefore agree that  
13 nothing in this Agreement shall be construed as permitting or obligating Members to  
14 collaborate regarding the processing, marketing or sales of the product produced from catch  
15 harvested under their Harvest Shares. Each Member shall conduct all sales of such catch in  
16 competition with the other Members, and shall hold ex-vessel price information as confidential  
17 from other Members until such information becomes public or until such price information is  
18 six months old, unless and until the Sector is properly qualified under State and Federal law as a  
19 collective marketing association

20 20. Amendment and Incorporation by Reference. The Exhibits hereto and the collateral  
21 documents referred to herein are and shall all be as the same may be amended from time to  
22 time. Any amendments thereto or hereto which are approved by the Board shall, as a  
23 condition of further membership of any Member in the Sector be deemed without any  
24 requirement of acceptance, consent or execution by any such Member to have been adopted,  
25 ratified and confirmed by such Member.

2 **HARVESTING RULES**

3 **Fishing Year 2011 (May 1, 2011 to April 30, 2012)**

4 *The Members and the Participating Vessels of XI, **Northeast Fishery Sector Inc.**, agree to be*  
5 *legally bound to follow the Harvesting Rules for the Fishing Year 2011 as described herein, in*  
6 *accordance with all provisions of the Sectors Operations Plans and Agreement (herein*  
7 *“Agreement”), notwithstanding those rules and regulations applicable to the common pool*  
8 *Multispecies vessels. Members and the Participating Vessels of NEFS XI will fish in Gulf of*  
9 *Maine, Georges Bank, and Southern New England.*

	Eastern:		Eastern:

11

12 **1. ANNUAL CATCH ENTITLEMENT:** The members agree that they will not collectively harvest  
13 more than the Sector ACE, as adjusted by transfers, for any allocated groundfish stocks.  
14 Furthermore, the members agree that once an annual ACE is reached no member will fish  
15 commercially with any fishing gear capable of catching any of the allocated groundfish stocks or  
16 other species managed under plan within the applicable area(s); except in those situations  
17 where a member is participating in an exempted fishery The Sector members may resume  
18 fishing activities if additional ACE is secured through inter-sector ACE transfer.

19 **2. QUOTA MANAGEMENT:** Sector vessels, the dealers to which they are delivering fish and  
20 dockside monitors will use a PC based software for collecting data, reporting catch, landings  
21 and discards, and reporting catch area information for logbook and stock attribution purposes.  
22 The Sector will utilize a quota release program that sets forth overall sector quota (ACE) release  
23 targets by species and individual member Harvest Share targets as they relate to the Sector

1 targets. Interim and annual targets will be considered in the development of the Sector's  
2 Fishing Plan. The Sector Manager will monitor the trajectories to interim and annual targets for  
3 the Sectors ACE's as well as for the individual members Harvest Shares. The Sector expects to  
4 utilize ACE Transfers to balance the Sector's ACE during the fishing year to prevent exceeding  
5 Sector ACE and to assist Members Harvest Share management.

6 **3. RESERVE:** For each stock held by the Sector, the quota release program will utilize an initial  
7 target trajectory that is not to exceed 90% of the current quota held by the Sector as adjusted  
8 by ACE transfers. The remaining 10% is the minimum aggregate total of the RESERVE buffer  
9 system. The Sector, through their Board, may alter the RESERVE holdback percentages for any  
10 or all stocks held by the Sector to prevent under harvest of the Sector's ACE.

11 **4. SLOWING CATCH:** The quota release program will incorporate a list of thresholds for both  
12 Sector ACE and member Harvest Shares, for the purposes of alerting the Sector Manager and  
13 members. Thresholds to "Slow Catch", "Initiate Trading" and "Cease Fishing" will be  
14 incorporated into the Sector quota monitoring system. Members Harvest Shares are net from  
15 the Reserve. Therefore, Harvest Shares trajectories will be set to the Harvest Share. Once  
16 90% of any Sector ACE is attained, slowing mechanisms such as tiered landing limits that apply  
17 differential counting of quota or service fees to each tier in excess of agreed landing limits may  
18 be utilized. When such slowing mechanisms are triggered or at any time during the fishing  
19 year, the Board may direct the Sector Manager to seek additional ACE through an ACE transfer  
20 with other sectors.

21 **5. FULL RETENTION OF LEGAL SIZED FISH:** All legal sized fish of allocated stocks harvested  
22 during the fishing operations must be retained and counted against the Sector's ACE allocation.

23 **6. DAYS AT SEA:** Each participating permit and participating vessel will be allocated Days-At-  
24 Sea (DAS) by the Regional Administrator. Sector Member permits will not be subject to the DAS  
25 reduction proposed in Amendment 16 for common pool vessels. Members will be required to  
26 use an "A" DAS when conducting fishing operations that are not exempted from DAS usage, for  
27 example, when fishing under a monkfish DAS.

28 **7. STOCK AREA DECLARATION:** Prior to leaving port, sector vessels will declare one or more  
29 than one of the four stock delineation areas as identified in Amendment 16 and relating  
30 implementing regulations.

31 **8. START TRIP NOTICE:** Sector vessels will copy the Sector Manager on all trip start messages  
32 required through the Dockside Monitoring Program.

1 **9. VESSELS FISHING MULTIPLE STOCK AREAS:** If a vessel declares into multiple stock areas the  
2 vessel will complete a catch report each time the vessel changes areas.

3  
4 **10. FISHING IN US/CA AREAS:** When fishing in the US/CA area, a sector vessel that fishes in  
5 more than one US/CA area or more than one of the four stock areas will complete a catch  
6 report each time the vessel changes areas. Sector vessels will track their Eastern US/CA sub-ACE  
7 for Cod and Haddock separately while fishing in the Eastern Area. Sector vessels may fish in all  
8 US/CA areas as well as Open areas in the same trip. In addition to VMS declaration  
9 requirements, the vessel will declare the stock areas (of the Four A16 reporting areas) intended  
10 to be fished prior to starting a trip.

11  
12 **11. CLOSED AREAS:** Participating vessels may fish in closed areas to the extent authorized by  
13 NMFS.

14 **12. CATCH REPORTS:** All Active Member vessels fishing groundfish will be required to submit  
15 complete catch records to the Sector Manager electronically via VMS email or other electronic  
16 means prior to entering port to End a Trip. Catch reports will include, at a minimum, all data  
17 elements of fully compliant VTR logbook record/s and the Dockside Monitoring Program. The  
18 Sector Manager may modify, at his/her discretion, the frequency of reporting transmissions to  
19 meet programmatic (SAP) or internal quota management requirements. In the event a Member  
20 vessel is unable to submit his catch records electronically, the Member, will have no more than  
21 twenty-four (24) hours to provide such reports to the Sector Manager, upon completion of  
22 vessel offload.

23 **13. VESSEL LOGBOOKS (VTRs/e-VTR):** All sector members will comply with applicable reporting  
24 requirements including submission of Vessel Trip Reports (VTRs). If Electronic Vessel Trip  
25 Reports (e-VTRs) are approved by the Regional Administrator, Sector Members will submit e-  
26 VTRs in the format required by the FSO and NERO. Sector Members will execute all documents  
27 necessary to meet legal requirements for the purpose of facilitating e-VTR service.

28 **14. WEEKLY REPORTS:** The Sector Manager will submit Weekly Sector Reports of all landings  
29 and discards by sector vessels, to NMFS, as required. The Sector will submit required reports , ,  
30 using the format and procedures prescribed by NMFS. Weekly Reports must include any  
31 violations and/or investigative referrals. The reports required by NMFS are the *Sector Manager*  
32 *ACE Status Report, Sector Manager Detailed Report, and Sector Manager Trip Issue Report* as  
33 codified in §648.87(b)(1)(vi)(B).

34  
35 **14.1 REPORTING THRESHOLDS THAT TRIGGER DAILY REPORTING:** The  
36 reporting due date for the sector manager's weekly report will be increased to daily

1 when either 80% of any of the sector's ACEs is reached, or when, for two consecutive  
2 weekly reporting periods 20% or more of the remaining portion any ACE is harvested,  
3 whichever occurs first. Thus, for the latter trigger point, if a sector in one week harvests  
4 25% of the remaining ACE for Gulf of Maine cod for that sector, and the following week  
5 harvests 22% of that ACE, the trigger will have been reached and sector reporting will be  
6 changed to daily. The Sector Manager, or a designated representative, will notify NMFS  
7 immediately via email if this, or an agreed upon alternative threshold has been meet  
8 that triggers daily reporting.

9  
10 An alternative threshold for increasing reporting frequency may be implemented during  
11 FY 2011 if agreed upon by the sector and NMFS.

12  
13  
14 **15. ANNUAL REPORT:** Within sixty (60) days of the end of the fishing year the Sector Manager  
15 will submit an annual report to NMFS and the Council that summarizes: fishing activities of  
16 Members, including harvest levels of all species by sector vessels (landings and discards by gear  
17 types); enforcement actions; and any other relevant information required to evaluate the  
18 performance of the Sector. In addition, the Annual Report will report the number of sector  
19 vessels that fished for regulated groundfish and their permit numbers (when such disclosure  
20 does not violate protection of confidentiality); number of vessels that fished for other species;  
21 method used to estimate discards; landing port used by sector vessels while landing groundfish;  
22 and any other additional information requested by the Regional Administrator for inclusion in  
23 the Annual Report. The Sector will submit required reports using the format and procedures  
24 prescribed by NMFS.

25  
26 **16. DATA RECONCILIATION:** The Sector Manager will verify that Dealer and Dockside Monitor  
27 (if the trip is monitored) are consistent. The Sector will receive the data electronically to  
28 expedite and automate data reconciliation. If a discrepancy is detected, the Sector Manager will  
29 notify the DM vendor and the Dealer of the discrepancy and will note discrepancies on the  
30 weekly report until resolved. For the purpose of monitoring Sector ACE and preventing ACE  
31 overages, the Sector Manager will consider the higher value(s) of landings from each report  
32 (Dealer Weigh Out Slip and DSM) until the discrepancy is reconciled. The Sector Manager will  
33 work with the DSM and Dealer and keep a reconciliation record and/or document signed by the  
34 dealer and the DSM vendor once reconciled.

35  
36 **17. STOCK ATTRIBUTION:** The Sector Manager will utilize landings information from each trip  
37 and apply logbook area information to calculate stock attribution ratios for all applicable  
38 species.

**18. DISCARD RATES AND IN-SEASON DISCARD ESTIMATES:** The Sector manager (or his designated representative) will derive stock specific discards for each trip. If the trip is observed by either an ASM or a NEFOP observer, discards will be derived based on data collected during that trip and will account for all hauls (observed and unobserved) on that trip. If the trip is not observed, discards will be derived using the NMFS-provided discard rate resulting from the NMFS (peer-reviewed and approved) method to estimate 'in-season' discard rates.

**19. ADMINISTRATIVE EXEMPTION:** In order to facilitate electronic data transmission from the sector’s vessels to a data collection and distribution web portal, an administrative exemption may or may not be required to allow the server to relay catch reports and logbook data on behalf of sector member vessels.

**20. DATA MANAGEMENT:** The sector vessels will be transmitting catch data electronically via the email messaging component of their VMS units. All data necessary for sector ACE management, including all elements of VTR logbook and daily / weekly reporting requirements will be sent in compressed formats to minimize characters and maximize message capacity. Notwithstanding reporting requirements that cannot be altered by a sectors operations plan, the Sector’s server will be capable of collecting, storing, converting and relay all data elements necessary to meet all reporting requirements in the formats required by the recipients

**21. PROOF OF SECTOR MEMBERSHIP:** Upon approval of the Sector, each sector vessel will be issued a Letter of Authorization (“LOA”). Each Member agrees that its sector vessels shall maintain the LOA on-board at all times while fishing for groundfish, as well as a copy of the Sector Agreement and Harvesting Rules. Furthermore, Members acknowledge that the Vessels must comply with all applicable Federal regulations not specifically exempted in the LOA.

**22. SECTOR SPECIFIC EXEMPTIONS:** In addition to the Universal Exemptions granted to all Sectors, as referenced in §4.0 of the Agreement, Members agree to abide by the following obligations, as Authorized in their LOA, in order to utilize these Sector Specific Exemptions:

**22.1 120 DAY BLOCK REQUIREMENT OUT OF THE FISHERY FOR GILLNET VESSELS:** Sector vessels utilizing gillnets will be exempted from the 120 Block requirement articulated in 50 CFR § 648.82(j)(1)(ii).

**22.2 20 DAY SPAWNING BLOCK:** Sector vessels will be exempted from taking the 20 day spawning block out of the fishery that is required of all vessels.

1       **22.3   LIMITATION ON THE NUMBER OF GILLNETS FOR DAY GILLNET VESSELS:** Sector  
2 vessels' utilizing gillnets will be exempted from the number of gillnet restriction  
3 imposed on day category gillnet vessels, members utilizing this exemption agree not to  
4 exceed 150 nets per permit.

5  
6       **22.4   COMMUNITY FIXED GEAR:** Sector vessels opting to implement this provision will  
7 be required to place NMFS issued gillnet tags, of each member, on the gear being  
8 utilized under this technique. Community Fixed Gear groups will notify the Sector  
9 Manager of their intention and composition of sector vessels prior to utilization of this  
10 technique.

11 Sector members that have identified themselves as a group to the Sector Manager may  
12 be held accountable if their physical gear (including the area in it is set in) is not in  
13 compliance with applicable regulations. For Example, if the gear is not properly  
14 configured with weak links, sinking line, or other applicable requirements, or if the gear  
15 is set in a closed area or season, then this group may be held jointly liable for the  
16 infraction. However, if an individual in this group violates a requirement of this  
17 Agreement, possession limits, or misreports catch, then the liability would be limited to  
18 this individual only; except in those situations where the Sectors joint liability provisions  
19 applies.

20       **22.5   LIMITATION ON THE NUMBER OF GILLNETS THAT MAY BE HAULED ON GEORGES**  
21 **BANK WHEN FISHING UNDER A GROUND FISH/MONKFISH DAS:** Sector Vessels are  
22 exempted from the requirement that limits the number of gillnets (fifty) that may be  
23 hauled to while fishing on a groundfish and monkfish DAS on Georges Bank.

24       **22.6   LIMITATION ON THE NUMBER OF HOOKS THAT MAY BE FISHED:** Sector vessels  
25 are exempted from the number of hooks that may be fished.

26       **22.7   LENGTH AND HORSEPOWER RESTRICTIONS OF THE DAS LEASING PROGRAM:**  
27 Members will be exempted from the length and horsepower restrictions imposed on  
28 DAS leasing for NEFS XI participating members and those members of other sectors that  
29 are granted this exemption.

30       **22.8   ACCESS TO THE GULF OF MAINE HADDOCK SINK GILLNET AREA:** Sector vessels  
31 will be authorized to access the Gulf of Maine regulated mesh area, January 1-April 30  
32 (subject to any rolling or seasonal closure in effect), utilizing 6 inch gillnets. Members  
33 acknowledge that a day gillnet vessel participating in this program cannot fish with,  
34 possess, haul or deploy more than thirty nets. There are no limits on the number of

1 nets for trip gillnets vessels. All nets must be stand-up nets; tie-down nets cannot be  
2 used during this period:

3 **22.9 EXEMPTION FROM DOCKSIDE MONITORING COVERAGE LEVEL:** Sector Vessels  
4 will be exempt from dockside monitoring coverage. .

5 **22.10 EXEMPTION FROM DISCARD RATES AND K-ALL CALCULATION FOR STOCKS**  
6 **THAT HAVE BEEN SUBDIVIDED BETWEEN THE COMMERCIAL AND RECREATIONAL**  
7 **FISHERIES:** The Sector will be exempt from calculating discard rates and including k-all  
8 for those stocks that have been sub-divided between the commercial and recreational  
9 fisheries.

10 **22.11 EXEMPTION FROM DOCKSIDE MONITORING IN THE MONTHS OF MAY AND**  
11 **JUNE ON NON-DIRECTED GROUND FISH TRIPS THAT OCCUR IN SPECIFIC STATISTICAL**  
12 **AREAS:** In the event the Sector is not exempt from all dockside monitoring  
13 requirements, Sector vessels will be exempt for those non-directed groundfish trips  
14 taken during the months of May in June in any of the following statistical areas: 614,  
15 615, 616, 621, 622, 623, 625, 626, 627, 631, 632, 633, 635, 637, and 638.

16 **22.12 EXEMPTION FROM THE MINIMUM SIZE RESTRICTIONS I.E. 100% RETENTION:**  
17 Sector vessels acknowledge, that they are exempt from the minimum size restriction  
18 imposed on allocated stocks. Sector vessels utilizing this exemption will be authorized  
19 to land all allocated stocks which will be deducted from the Sectors ACE.

20 **22.13 EXEMPTION FROM THE PROHIBITION OF DISCARDING LEGAL SIZE FISH AT**  
21 **SEA:** In the event that a Sector Vessel encounters unmarketable fish, as determined by  
22 the captain, the vessel will be exempted from the prohibition of discarding legal size fish  
23 at sea. The Sector acknowledges that if this exemption is approved and thereby  
24 implemented by their Sector, the discards of legal size unmarketable fish will be  
25 contributed to the discard methodology adopted by NMFS and applied to all un-  
26 observed trips. The Sector will notify NMFS prior to publication of the final rule, whether  
27 the sector wishes to utilize this exemption or remove it from their Harvesting Rules.

28 **22.14 ADMINISTRATIVE EXEMPTION:** In order to facilitate electronic data  
29 transmission from the Sector's vessels to a data collection and distribution web portal,  
30 an administrative exemption may or may not be required to allow the server to relay  
31 catch reports and logbook data on behalf of sector member vessels.

32 **22.15 DSM REQUIREMENT FOR VESSELS FISHING WEST OF 72°30' W.** long that  
33 historical data indicate that little ground fish incidental catch has been observed in this area,  
34 and monitoring of such trips is therefore not a beneficial use of financial resources.

1 **23. DOCKSIDE MONITORING PROGRAM:** The Sector plans on working collaboratively with  
2 certified Dockside Monitoring Provider(s) (“Provider”) to ensure that implementation of the  
3 dockside monitoring program adheres to applicable NMFS Dockside Monitoring Standards as  
4 codified in 50 CFR 648.87(b)(1)(v)(B); as well as any internal needs that the Sector deems  
5 necessary. The following providers were approved by NMFS for FY 2010:

6  
7 A.I.S., Inc  
8 Atlantic Catch Data Limited  
9 East West Technical Services LLC  
10 MRAG Americas, Inc.  
11 Saltwater Inc.

12 While NMFS has not yet approved any providers for FY 2011, the sector will contract a NMFS-  
13 approved provider for dockside [and/or] at-sea monitoring services before May 1, 2011, and  
14 notify NMFS of its selection via email.

15 If a vendor in which the Sector has contractual arrangements with is decertified during the  
16 fishing year, the Sector will negotiate new contractual arrangements with another certified  
17 vendor(s) and notify NMFS of these new agreements.

18 **23.1 RANDOMIZED DSM COVERAGE LEVELS:** Dockside monitoring (DSM) will be deployed  
19 by the sector in accordance to the DSM operational standards found at 50 CFR 648.87(b)(5).  
20 The sector will work with the DSM provider to achieve the coverage level specified in the  
21 regulations at 50 CFR 648.87(b)(1)(v)(B)(3)(i) using a methodology approved by NMFS and  
22 implemented by the monitoring vendor and the Sector Manager. For trips less than 6 hours in  
23 length or occurring within 6 hours of port, the estimated time of arrival to port will be  
24 provided in the trip start hail. The trip end hail will be sent upon completion of the last  
25 tow with required updated information. An alternative timing for the trip end hail may  
26 be implemented during FY 2010 if agreed upon by the sector, the monitoring provider,  
27 and NMFS.

28 **23.2 DATABASE MANAGEMENT:** The Sector, acting through its Manager, will maintain  
29 database(s) of vessel trip reports (VTR), dealer, At Sea (ASM), NEFOP Observer, and

1 Dockside (DSM) monitoring reports. In addition, the Sector will maintain any other  
2 database it determines necessary for its operations.

3 **23.3 METHOD OF TRANSMISSION OF HAILS:** The sector vessels will be transmitting  
4 HAILS (Trip Start and Trip End) electronically via the email messaging component of their  
5 VMS units. All data necessary to meet DSM requirements will be sent in compressed  
6 formats to minimize characters and maximize message capacity directly to the **Sector's**  
7 **Server** which will collect, store, convert and relay all data elements necessary to meet  
8 DSM, FSO and OLE requirements. The Sector will relay required HAILS (Trip State and  
9 Trip End) to NMFS, immediately upon receipt. In the event that the primary system is  
10 unavailable, Sector Vessels will utilize a backup system, including but not limited to,  
11 direct cell phone or radio transmission between the vessel and DSM vendor OR a relay  
12 through the Sector  
13 Manager.

14  
15 **23.4 USE OF DOCKSIDE MONITORING SERVICES.** The Members acknowledge that for  
16 the Sector to function efficiently, it is essential that the Active Members conduct their  
17 fishing operations such that dockside monitoring service costs are kept as low as  
18 commercially practical amount. The Active Members therefore agree to provide  
19 accurate landing time projections, to make landings expeditiously, and to choose  
20 landing locations based in part on the efficiency and responsiveness of the buyer  
21 receiving catch harvested under the Sector's ACE. Active Members who fail to comply  
22 with the provisions of this Section may be assessed the excess cost of dockside  
23 monitoring resulting from their failure to do so.

24  
25 **23.5 SAFE HARBOR PROTOCOL:** To promote safety at sea, the Sector sets forth the  
26 following protocol for variance from the landing ports listed. If for reasons beyond a  
27 vessel operators control such as severe weather, mechanical failures, compromised hull  
28 integrity, instances of pump failures and danger of sinking, crew injury or life  
29 threatening illness and any other emergency situations that may arise, a sector vessel

1 may enter a port other than those listed as “Landing Ports” to ensure the safety of the  
 2 vessel and its crew. If the vessel has been selected for dockside monitoring, the vessel  
 3 will not offload fish, until a dockside monitor is present, or a waiver has been granted.  
 4 The vessel operator must contact the Dockside Monitoring vendor to obtain a waiver  
 5 from dockside monitoring for the trip. The vessel operator may request and be granted  
 6 a waiver from dockside monitoring due to the situations described here in Section 23.7.  
 7 In addition, the vessel operator may request and be granted a waiver from dockside  
 8 monitoring if either the Coast Guard (“CG”), Environmental Police (“EP”), or NOAA’s  
 9 Office of Law Enforcement (“OLE”) are on scene and determine it is necessary for  
 10 offloading to occur in order to improve a safety or vessel integrity concern.

11  
 12 **23.6 OFFLOADING PORTS:** The following list represents those ports where sector  
 13 vessels are authorized to offload. Additionally, sector vessels are authorized to land fish  
 14 to trucks within these same locations.

Primary Port(s) of Landing	Secondary Port(s) of Landing
<u>New Hampshire:</u> Portsmouth, Seabrook, Rye, Hampton;  <u>Maine:</u> Portland  <u>Massachusetts:</u> Newburyport, Gloucester	<u>Maine:</u> York ;  <u>Massachusetts:</u> New Bedford  <u>Virginia:</u> Chincoteague; Greenbackville  <u>New Jersey:</u> Point Pleasant

16  
 17 **24. AT-SEA MONITORING PROGRAM:** The Sector will be participating in the NMFS funded at-  
 18 sea-monitoring program for FY2011. In the event, the Sector chooses to increase at-sea  
 19 coverage beyond that which is funded and managed by NMFS, the sector will secure a service  
 20 arrangement with one or more of the certified ASM vendors and assume all costs and  
 21 responsibilities associated with this private contractual arrangement. Any additional at-sea  
 22 monitoring coverage beyond the NMFS-funded level (currently 30 percent, see NMFS, Letter to  
 23 Sector managers and Representatives (August 20, 2009)) will be provided pursuant to an  
 24 independent contract between the Sector and a NMFS approved provider. This additional at-  
 25 sea monitoring coverage will have vessel and trip selection coordinated through NMFS, will be  
 26 conducted in the same manner with the same protocols as the NMFS-funded ASM program,

1 and will use approved at-sea monitors. Also, this additional coverage will not be allowed to  
2 replace or interfere with either the coverage of NEFOP or the NMFS-funded at-sea monitoring  
3 program.

4 **25. SECTOR UNDERSTANDING AND ACKNOWLEDGMENTS:** Sector Members understand and  
5 acknowledge that the following provisions have been interpreted by NMFS as applicable to all  
6 operating sectors. Sector Members acknowledge this applicability and where appropriate  
7 utilize these universal interpretations within their sector management and operations:

8 **25.1 INTRA-SECTOR DAYS AT SEA (DAS) LEASING:** Days at Sea may be leased intra-  
9 sector (between members) within the guidelines and procedures contained in the FMP  
10 and as amended by Amendment 16. The Sector would accept any future relief in the  
11 length and horsepower constraints of the program that may be authorized by the RA in  
12 the future.

13 **25.2 INTER-SECTOR DAYS AT SEA (DAS) LEASING:** Members who wish to lease Days-  
14 at-Sea (DAS) outside of the Sector are authorized under this provision to do so, only  
15 with Members of other Sectors whom are similarly exempt. Members acknowledge  
16 that such DAS leasing would not be exempted from existing length and horsepower  
17 constraints as currently contained in applicable regulations.

18 **25.3 PAPER VTR:** Members acknowledge that they are bound to all applicable  
19 reporting requirements. Sector vessels shall continue using paper VTRs for FY 2011, as  
20 required by regulations. However, should electronic vessel trip reporting (e-VTR)  
21 systems for transmission and submission of required VTR reports be authorized by the  
22 Regional Administrator in FY 2011, this Sector reserves the option to utilize this  
23 reporting method.

24 **25.4 ADDITIONAL EXEMPTIONS:** Members note that NMFS is generating one  
25 Environmental Assessment for all sectors seeking authorization for Fishing Year 2011,  
26 and that NMFS communication has stated that if an exemption is approved for one  
27 Sector, all other authorized Sectors can be similarly approved for that specific  
28 exemption based on the terms and conditions of the originally requesting sector. In  
29 light of this understanding, NEFS XI will request authorization for such exemptions it  
30 deems beneficial for its operations, prior to the publication of the final authorizing rule.

### **Explanatory Addendum:**

78

79 Per request by NMFS this **explanatory text** is being provided to identify in one location Right of First  
80 Offer (“ROFO”) and Right of First Refusal (“ROFR”). ROFO and ROFR are two separate and distinct  
81 provisions that deal with harvest share transfers and permit sales, respectively; it is inaccurate to  
82 construe them as meaning the same thing. Nothing within this explanatory addendum should be  
83 considered as part of the Sector governing documents which the Members have agreed to follow, all  
84 questions regarding these provisions should be directed to their respective sections in the governing  
85 documents :

86 § 7.3 Harvest Share Transfers: Right of First Offer i.e. ROFO will be used for intra and inter  
87 sector harvest share transfers.

88 § 15 Permit Transfer/Sale: Right of First Refusal i.e. ROFR will be used for permit sales or  
89 transfers.
